CONSTIPATION

is no medium through se so often attacks the system sorption of poisonous gases in ention of decayed and effete matter stomach and bowels. It is caused forpid Liver, not enough bile being ted from the blood to produce lature's own cathartic, and is generally ompanied with such results as

Loss of Appetite. Sick Headache, Bad Breath, etc.

The treatment of Constipation does not consist merely in unloading the bowels. e must not only act as a purgaive, but be a tonic as well, and not produce fler its use greater costiveness. To secure a regular habit of body without changing the diet or disorganizing the system

"My attention, after suffering with Constipa-ion for two or three years, was called to Simmons ator, and, having tried almost everyng else, concluded to try it. I first took a neglassful and afterwards reduced the dose to a uful, as per directions, after each meal. I and that it had done me so much good that I inned it until I took two bottles. Since then I we not experienced any difficulty. I keep it in house and would not be without it, but have so use for it, it having cured me, "-Ggo. W. Sins, Asa't Clerk Superior Court, Bibb Co., Ga.

Sunset to-morrow afternoon at half past 5 o'clock.

There was an advance of five cents per barrel for tar in our market today.

"Fair and mild" says Turner's Almanac for to-day and fair and mild it has been.

The cutter Colfax, which has been here for a couple days waiting to have the officers and crew paid off, steamed down the river this after-

The Rain.

The rainfall last night was nearly general throughout the entire country. The reports that have been received at the signal here show that there was hardly a place East of the Rocky Mountains where it did not rain, but there a larger quantity fell here than at any other point. The rainfall here for the 24 hours ended at 3 o'clock this afternoon was 1.14.

A Navassa Lizard.

Schr. Mary A. Power, Keen, which arrived here to day, brought, as a curiosty, a guana, or Navassa lizard -called also iguana—which created quite an excitement in Custom House alley this afternoon. The reptile was given to Capt. E. G. Parmelee. It is shaped like an ordinary lizard, but is about a foot in length. It is children and two sailors of the paid immediately on the receipt of proof of eaten by the natives of those islands where it is found and is said to make quite palatable food.

Hood's Sarsaparilla is a purely vegetable preparation, being free from injurious ingredients. It is peculiar in its curative power.

The Pearson Choir.

On account of the festival of the Feast of Months," which will be given by the ladies of Grace M. E. Church at the City Hall on the nights of the 7th, 8th and 9th inst., there will be no meeting of the Pearson Choir until the night of Tuesday the 14th inst, at which time they will meet at the lecture room of the where it is hoped that there may be a fulf attendance. The rehearsals thus far have been entirely satisfactory so far as the music is concerned, but the attendance has not been near as large as desired. We hope that all singers, who feel an interest in the success of the choir, will be sure to attend at the next meeting, even if they have to forego some other pleasure, or less impor-

city at French & Sons.

Jack Blair, hailing from Elmira New York, Harry Lancey, colored. hailing from Boston, and Jack Moore, colored, who hails from New Hanover county, three tramps, were brought this morning before the Mayor, who after hearing their very plausible statements, ordered them to be escorted out of the city.

conduct, was discharged.

Delicate persons, and all whose systems have become debilitated, should bear in mind that Simmons Liver Regulator is not a drastic, purging medicine, does not weaken or deplete the system as other purgatives do, but acts gently. It will invigorate like a glass of wine, but is no intoxicating beverage to lead to intemperance; will promote digestion, dissipate headache, and generally tone up the system.

Capt. Patrick, of the wrecked schooner William & Richard, which sailed from this port for the West Indies, a few days after Christmas, arrived in New York on Wednesday from Liverpool, with his wife, two wrecked vessel, We clip from the New York Star:

"We were wrecked," said the captain, "on the Thursday after Christmas, when about sixty-five miles off Frying-pan lightship, Wilmington, N. C. At the time we were on our way from Wilmington to the West Indies with a load of lumber. The weather was very heavy and from the constant strain the William & Richard sprung a leak. She filled rapidly and after three days of peril, on Dec. 31 we were rescued by the steamer Timour, which carried

When the schooner's deck was almost flush with the water Captain Patrick took his eldest daughter, a girl of 16 years, from the cabin, which was half full of water, and Located between Chambers and Roosevelt sts. lashed her to the mainmast. Short-First Presbyterian Church and ly after the mainmast was carried away and with it his daughter. One of the sailors, a colored man named Frank Davis, leaped into the sea to the rescue. The spar turned in the water, so that the young woman was on the upward side. Davis leaped so close to the spar that he was able to swing one arm around it. With his free hand he cut the lashings, with which he was drawn back to schooner with his precious charge. The water was frightfully cold and both the young girl and her rescuer suffered terribly from their cold plunge.

sinking vessel. At Liverpool all but three sailors embarked for New York.

253 tons burden, and was owned in Boston. After she was abandoned she was twice seen floating with her decks washed by the sea.

Captain Patrick left with his family for Boston last night, .

MANUFACTURING CO

MANUFACTURERS OF

Fertilizers, Pine Fibre and Pine Fibre Matting.

WILMINGTON, N.C.

THE REPUTATION OF OUR FERTILIZERS, the ACME and GEM, is now established, and the results of three years' use in the hands of the best farmers of this and other States fully attest their value as a high grade manure.

The MATTING, made from the leaves of our native pine, is conceded to be equal to any wool carpet for comfort and durability and the demand for it is daily increasing. It has virtues not found in any other fabric.

The FIBRE or WOOL is extensively used for upholstering purposes, and as a filling for Mattresses is almost equal to hair, being light, elastic and proof against insects.

Certificates from reliable parties using our goods can be seen at our office, or will be mailed upon application. jan 4 tf
