## CONSTIPATION

Called the "Father of Diseases," because there is no medium through which disease so often attacks the system as by the absorption of poisonous gases in the retention of decayed and effete matter in the stomach and bowels. It is caused by a torpid Liver, not enough bile being secreted from the blood to produce Nature's own cathartic, and is generally accompanied with such results as:

**Loss of Appetite, Sick Headache, Bad Breath, etc.**

The treatment of Constipation does not consist merely in unloading the bowels. The medicine must not only act as a purgative, but be a tonic as well, and not produce after its use greater costiveness. To secure a regular habit of body without changing the diet or disorganizing the system

"My attention, after suffering with Constipation for two or three years, was called to Simmons' Liver Regulator, and, having tried almost every other medicine, I concluded to try it. I first took a few drops, and afterwards reduced the dose to a teaspoonful, as per directions, after each meal. I continued it until I took two bottles. Since then I have not experienced any difficulty. I keep it in my house and would not be without it, but have no use for it, it having cured me."—Geo. W. Sims, Asst. Clerk Superior Court, Bibb Co., Ga.

John Sellers, an old farmer near New Philadelphia, Ohio, who died the other day, had a remarkable crop of hair and a very long beard. # THE DAILY REVIEW.

VOL. XII. WILMINGTON, N. C. MONDAY FEBRUARY 6, 1888. NO 30

The war crisis in Europe seems to be approaching a head. The situation is very serious and in a few days the question of war or peace for 1888 will be decided. If there is to be a fight, it will be Russia and France against Germany and Austria and all of the other continental powers may eventually be drawn into the vortex. Let us hope, however, that peaceful counsels may prevail.

Panxutawney in Virginia has a rival of Josef Hoffman. His name is Harry Beddow, son of J. H. Beddow, and he comes of a musical family. He will not be 3 years of age until next March, and is barely able to lip a few words, yet he exhibits musical talents which would appear wonderful in a child of 7 or 8 years. He can sing any tune after having heard it once, and play seconds on a violin, keeping perfect time.

The worst feature about catarrh is its dangerous tendency to consumption. Hood's Sarsaparilla cures catarrh by purifying the blood.

Work on the Orton House extension is progressing favorably, and the building now begins to assume a fine appearance.

The attendance at the meetings of the Salvation Army has fallen off quite seriously and they have now but small congregations.

The different churches in the city had unusually large congregations yesterday, and all the sermons are spoken of as having been profoundly interesting.

A party of ladies and gentlemen from Goldsboro will arrive here to-night on the 7:40 train for the purpose of attending the entertainment at the theatre to-night. They will return on the midnight train.

You will find at Heinsberger's an elegant assortment, just received, of fine wire masks for ladies and gentlemen and some other articles needed for masquerade balls.

A car load of fine Western beef which has been expected by Mr. Jno. F. Garrell, of Front street market, for several days past, has at length arrived and it will be offered for sale on his stalls this week.

## Personal.

Mr. J. W. West, of Caintuck township, Pender county, was in the city yesterday and to-day.

Mr. T. H. Dawson, of the Vacuum Oil Company of Rochester, N. Y., is in the city on a business trip to-day.

We were pleased to see upon our streets to-day Mr. D. T. McKeithan, who has come to the city to take charge of some of the work in the construction of the Seacoast railroad.

**Knights of Honor.**  
Carolina Lodge No. 434. Regular meeting this (Monday) evening at 7 o'clock. Full attendance is desired.

## Indications.

For North Carolina, colder, fair weather, with light to fresh variable winds, generally shifting to Northerly.

In walking about in the city we find that in many places the names of the streets have either fallen down or have been destroyed so that a stranger here would find difficulty in finding out where he was without asking.

## Death of Mr. Greenbaum.

We regret very much to learn of the death of Mr. Leon Greenbaum, which sad event occurred at his residence in this city this morning, after a short sickness of one week only.

Mr. Greenbaum had been a resident of this city for the past 15 years, during all of which time, if we mistake not, he has been in the employ of Messrs. Aaron & Rheinstein and Mr. F. Rheinstein. He was a gentleman of quite unobtrusive habits and we doubt if he had an enemy in the world. He leaves a wife and three children to mourn the loss of a devoted husband and an affectionate father.

Finest shoes for ladies wear in the city at French & Sons.

Ed. Thompson and Daniel Watson, both colored, were brought before the Mayor this morning, charged with fast driving. The charge was sustained and the defendants were fined \$5 each for the offense.

One party, charged with committing a nuisance, was fined \$10.

Dixon Manly, colored, drunk and down, was sentenced to pay a fine of \$10 or work 20 days in the chain gang.

W. Holloway, called and failed. Judgment nisi and \$25 forfeiture of recognizance entered.

One man, charged with disorderly conduct, was fined \$10 for the offense.

E. J. Smith, a stranger here, was cursing the place last Saturday night and indulged in some very coarse remarks regarding some of our citizens, thereby provoking quite a disturbance, through which one of our citizens was obliged to pay a fine of \$10. Smith was fined \$30, with the alternative of 30 days' work on the public streets.

Two persons, a male and female, were drunk and down on Saturday night and were fined \$10 each for the offense.

## The Opera House.

Mrs. James Brown Potter, with her excellent company, arrived here at 7.40 p. m. yesterday in the magnificent palace car in which they travel, and which has been fitted up expressly for them while on their Southern and Western tour. The company, which is large and has been specially selected with a view to their fitness for the characters in Mrs. Potter's extensive repertoire, will appear at the Opera House to-night in the Shakespeare drama of *Romeo and Juliet*, in which Mrs. Potter will assume the role of the latter, while Mr. Kyrle Bellew, a popular young English actor, will play the part of *Romeo*. This drama, which is one of Shakespeare's most wonderful conceptions, and which has ever been one of the most popular of his productions with the theatre-going world, will call out the entire strength of the company, and will at the same time afford an excellent opportunity for Mrs. Potter and Mr. Bellew to display their histrionic powers to the best and most noticeable advantage. The indications point to a full house, as the best and most favorable seats have all been taken.

School shoes for children, best in the city, at Geo. R. French & Sons.

## School Breaking.

The school at Castle Hayne, which has been taught by Mrs. Howard, a widow lady, closed its exercises for the term by a literary and musical entertainment at the school room last Friday evening. The exercises consisted of dialogues, declamations, recitations and vocal and instrumental music, the whole being under the direction of Mrs. Howard. Special mention should be made of the efforts of Messrs. M. G. Chadwick and Charles Casteen and Misses Eva Anderson and Mary Howard. Nor should we forget to mention the vocal efforts of the Misses Jones, four sisters who furnished a quartet of most enjoyable music. After the literary exercises there was a bountiful supper, prepared by Mrs. Jones of that place, to which all did ample justice, and after the supper, a dance in which the gallant young gentlemen and fair and beautiful young ladies "tripped the light fantastic toe" to the merry notes of the violin.
