BEYOND.

Never a word is said But it trembles in the air. And the truant voice has sped To vibrate everywhere; And perhaps far off in eternal years The echo may ring upon our ears.

Never are kind acts done To wipe the weeping eyes. But, like the flashing of the sun, They signal to the skies: And up above the angels read How we have helped the sorer need.

Never a day is given But it tones the after years, And it carries up to Heaven Its sunshine or its tears; While the to-morrows stand and

wait, The silent mutes by the outer gate.

There is no end to the sky. And there is eternity And the here is over there:
