### The Acme MANUFACTURING CO.

MANUFACTURERS OF

#### Fertilizers, Pine Fibre and Pine Fibre Matting.

THE REPUTATION OF OUR FERTILIZERS, THE ACME and GEM, is now established, and the results of three years' use in the hands of the best farmers of this and other States fully attest their value as a high grade manure.

The MATTING, made from the leaves of our native pine, is conceded to be equal to any other carpet for comfort and durability and the demand for it is daily increasing. It has virtues not found in any other fabric.

The FIBRE or WOOL is extensively used for mending purposes, and as a filling for mattresses is almost equal to hair, being light, elastic and proof against insects.

Certificates from reliable parties using our goods can be seen at our office, or will be mailed upon application.

### The Daily Review.

#### PHASES.

A song of life I sing,  
A ripple in a stream—  
A day of bliss—  
A smile—a kiss—  
A sweet, enchanted dream.

We strive for might and power,  
Some newer heights to climb—  
Our triumphs ring—  
We shout and sing—  
A psalm of life sublime.

We long for "sweet repose,"  
For rest and quiet sigh—  
Ah! wherefore must  
We live—in dust  
Our shattered idols lie.

We moan and look for Death,  
And count his coming dear—  
Our heart's dull pain  
Knows no refrain,  
Save sigh and sob and tear.

With meekly folded hands,  
We neither sing nor sigh—  
Our longings done—  
Our rest begun—  
In peaceful sleep we lie.

—Sarah M. Osborne.
