but also from the men who served in the Confederate army. The ex-

traordinary success of the Metropolitan Museum of Art in enlisting the interest of wealthy and liberalminded citizens has given rise to generally to aid them in making the new institution a success. An effort is likely to be made to get the General Government to turn over to the proposed museum the large lot of relies and gifts left by Gen. Grant, and it is not unlikely that the organizers of the new movement may be

able to co-operate with the Grant Monument Association so as to make the museum and the monument one and the same thing.

The long discussion among the Republican members of the New Jersey Legislature as to what form of restrictive temperance legisla tion they ought to adopt has resulted in agreement upon a measure which combines moderately high license with local option. This organs, regulates the digestion, creates a measure, as adopted in joint Republican caucus and presented to the Legislature, put the minimum license fee for all cities and towns having a population exceeding 10. 000, at \$250; for all those having a population over 3,000 and less than 10,000, at \$150, and all under 3,000, at \$100. One-tenth of the legal voters of any county can. by petition to the Judge of the Circuit Court, have a day fixed for holding an election more or less shut up in a to decide by popular vote whether or not the sale of liquor shall be permitted within the county. This combination of license and local th Trochees never fail. Our illustrated, 32 page book option is similar to that which is in practice in Ohio, Missouri, Michigan and Illinois, where its success has

better enabled to ward off the danger and postpone the moment when surrender becomes inevitable. In many instances the inherent strength of the body suffices to enable it to oppose the tendency toward death. Many, however, have lost these forces to such an extent that there is little or no help.
