THERE IS BUT ONE
SIMMONS' LIVER REGULATOR
Prepared only by
M. ZEILIN & CO., Sole Proprietors,
Philadelphia, Pa. PRICE, \$1.00.

For the Daily Review.
The Magic City.
BIRMINGHAM, Ala., March 23, 1888.
Dear Review:—It has been some time since I wrote you. I had the pleasure of meeting Mr. Chas. F. Smith, of your city and son of Mr. D. A. Smith, on our streets the other day. He was—or seemed to be—in fine health. The weather here has been for the past two days quite bracing, but very pleasant. The "Magic City" is still on the go, although I am sorry to say we have had a few failures in the past two months, but those did not cause any material change in business. The baseball season will open in full blast next month. The home team then meets New Orleans—the "Pelicans." I think "Pig Irons" will be pretty hard to keep down this season, although they were beaten five straight games by Washington's team. The East Birmingham Land Co. have let the contract for an extension of their "dummy line." They intend extending it to Gate City, a distance of about ten miles. Well, we have had, at last, the "Jersey Lily." To say that the audience to see her was not pleased would be prevaricating. Although not a great actress, she has a great reputation, she kept the audience pleased all the time; and her support, most of it, was good. To say that she is pretty would not be stating a fact; but her figure—ye gods!—was as perfect as any I have ever seen. Tall and graceful, no one can help admiring her, and saying: "She is a handsome woman." She has nothing false about her, unless it is her heart. That is, she does not paint her face to be admired but she does pencil her eyebrows and lashes. Her costumes were magnificent. Whenever she appears with a different dress to her graceful figure, you could hear the ladies, all over the house, whispering to each other, and straining their necks to look over each other's high hat, (they are ways in the way,) to catch a glimpse of the beautiful costume. Monday and Tuesday nights we had the pleasure of seeing one of Wilmington's favorites, Milton Norman. He played: "From Sire to Sire" and "Love and Law." In the first he is much better than he is in the last and it would not be saying too much to say that he is as good as that as he is in "Phonix." Hope he will visit Wilmington and give us a dose. Yours &c., "DICKY BIRD."

Crystal Spectacles and Eyeglasses
Advice to old and young: In selecting spectacles, you should be cautious not to take more magnifying power than has been lost to the eye. In the same proportion that you use that point of increase, will cause a further injury to the eye. Using glasses of stronger power than is necessary is the daily cause of premature old age to the sight. You can get the best at Heinsberger's.

School shoes for children, best in the city, at Geo. R. French & Sons. Ladies will find a nice line of good reliable scissors at Jacobi's Hdw. Depot.

The cheapest place to buy your school books and school stationery is at Heinsberger's.

Ask those who have tried and they will tell you that the Boy Clipper Plow is the best made. Sold only at Jacobi's, who is the factory agent.

The Mayor's office at the City Hall has recently been kalsomined in a deeply, darkly, desperately blue color which will probably be very handsome when it gets dry.

50 dozen all wool flannel shirts, in all shades and colors, for men and boys, from 75 cents and upwards, at the Wilmington Shirt Factory, No 27 Market street, J. Elsbach, Prop.

Spring Clothing.
I. Shrier, at No. 16 North Front street, is now receiving daily the handsomest line of Spring and Summer Clothing ever brought to this city, and the prices of them will be from 25 to 33 per cent. lower than any other house in the State, and under no circumstances will we be undersold. I. Shrier, the Old Reliable Clothier, 16 North Front street, Purcell House; sign of the Golden Arm.

Antioch Church.
Mr. A. Ward, of Brunswick county, is in the city to-day for the purpose of endeavoring to obtain subscriptions to a fund for the completion of the Baptist Church at Antioch, in Brunswick county. Mr. Ward has already secured some handsome subscriptions to start with and will call upon others of our citizens to-day. We trust that he may be successful.

High Winds Expected.
The Northeast cautionary signal was raised here to-day, in accordance with instructions from Washington City, dated at 9:15 o'clock this morning. These instructions state that high winds will prevail here during the next sixteen hours, that is, from 9 a. m. to-day until 1 a. m. to-morrow morning. The storm centre is in Kentucky, moving East. The Northeast signal is also ordered for Morehead City and the Southeast signal for Charleston.

At the Tabernacle.
The largest congregation Mr. Pearson has yet had assembled in the Tabernacle last night. The immense room was fairly packed with people. Just how many were present it is difficult to say. We do not think the room will hold more than 3,000, and if so then we will put the number at 3,000, for the place was full. All conditions of people seemed to be represented there. Mr. Pearson's sermon was forceful and effective—one of the very best, indeed, that he has yet delivered. The meeting this forenoon was also largely attended, the congregation beginning to assemble a full half hour before the services began.

State Guard Notes.
We find in the Raleigh News and Observer the following items of interest relative to the State Guard and the encampment which is to be held at Wrightsville in July:
Adjutant-General Johnstone Jones was in the city yesterday and gave a most flattering and encouraging report of the condition of the State Guard. He states that there is a strong and growing interest in the approaching encampment at Wrightsville, and that the arrangements for holding the encampment are rapidly being perfected. The order for the encampment will be issued to the State Guard shortly.
The Adjutant-General was in consultation with the Governor yesterday, and several matters relating to the advancement of the interests of the State Guard were discussed and arranged.
The "Guilford Grays," recently organized at Greensboro, were admitted to the State Guard and ordered armed and equipped. The Adjutant-General expressed himself as much pleased with the new company and the manner in which it has started. Mr. R. P. Gray is captain of the company. The Board of Aldermen of Greensboro, on Friday night, voted an appropriation of \$500 to the "Guilford Grays."
The Governor yesterday filled vacancies on his staff as follows: Gen. W. G. Lewis, of Tarboro, Engineer in Chief; Col. J. L. Cantwell, of Wilmington, Commissary-General of the State; Capt. J. B. Broadfoot, of Fayetteville, Inspector of rifle practice.

See the "Artful," the best rat trap known, at Jacobi's Hdw. Depot.

Not Quite Ready.
Services were held yesterday in St. Paul's Episcopal Church, for the first time since the remodeling of the edifice was undertaken. The Church could not be consecrated yesterday, as it is still incomplete. The large Church memorial window and the Sunday School memorial window have not yet arrived but otherwise the work is complete. There was a large congregation present in the forenoon and the children's service in the afternoon was very delightful.

Democratic County Convention.
The Democrats of New Hanover county met in convention in the City Court Room this morning. Mr. A. D. Brown was called to the chair and Mr. A. G. Ricard was made secretary. The roll of delegates was called. On motion of Mr. Samuel Bear, Jr., the following resolution was unanimously adopted:
Resolved, That the chairman of this Convention be authorized to appoint the delegates to represent this county in the State, District and Congressional Conventions and that the chairman be added as a member of each delegation, and that he be given such time to announce said appointments as may be necessary.

The following resolution, introduced by Mr. J. C. Stevenson, was unanimously adopted:
Resolved, That we, the representatives of the Democracy of New Hanover county, have witnessed with profound satisfaction, the favorable recognition by our brethren in other parts of the State of the claims of this section upon the consideration of the party, and have seen with pride and gratification the numerous references to our distinguished friend and fellow-townsman, Lt. Gov. Chas. M. Stedman, as a suitable and proper candidate for the office of Governor, and we desire to tender our cordial appreciation of these friendly manifestations.
Resolved, That the Democracy of New Hanover county, now fully and fairly represented in this Convention, unanimously presents to the State Convention our distinguished fellow-citizen, Lt. Gov. Charles M. Stedman, as altogether worthy to receive the nomination for Governor, and we earnestly hope that this recommendation will receive a cordial approval.

Resolved, That we commend Lt. Gov. Charles M. Stedman to the State Convention as a faithful and devoted Democrat, a bold and aggressive leader, a man who by his intellectual attainments, by his great force of character and by his untiring industry has justly achieved a large measure of success; whose earnest sympathy with the people and unflinching advocacy of their rights and whose broad, liberal and charitable dealings have won the hearts of the masses and will draw out their enthusiastic support.
Resolved, That the delegates from this county to the State Convention are hereby instructed to cast the vote of this county for Lt. Gov. Charles M. Stedman so long as there shall be any possibility of effecting his nomination—and to spare no means by all honorable and persuasive endeavors to bring about that result—and to pledge to the Convention that, if nominated, he will bear aloft the banner of Democracy with zeal and courage to a glorious victory.
On motion the Convention adjourned to meet again on the first Monday in next October.

Indications.
For North Carolina, fresh to brisk Easterly winds and threatening weather with occasional rains and warmer.

St. Paul's Evangelical Lutheran Church.
This week being Passion Week, English services will be held in the Church, as usual, at 4 p. m., on Monday, Tuesday, Wednesday and Thursday.
On Good Friday the Holy Communion will be administered at 11 a. m. and at 8 p. m., in the English service, confirmation will take place.
Easter Sunday morning the Holy Communion will be administered in English.

Wilmington Savings and Trust Company.
This institution, newly organized here, has begun business very successfully at their office on Market street, near Third. They have recently introduced there a large safe and to-day workmen are engaged in putting in counters and rails, all made of the beautiful North Carolina pine. So far the Company has been very successful and Mr. W. P. Toomer, the cashier, is on hand every day ready to receive deposits.

Mr. DuBrutz Cutlar, Jr., announces that he has begun the practice of his profession, the law, in this city. His office is located at No. 114 Princess street. He has the prestige of a good name—highly honored among men and successful in professional life—to start with and we predict for him a sure success at the bar.

Personal.
Col John W. Atkinson has gone to Jacksonville, Fla., on business, connected with the last big fire there.
Mr. Sol. Bear returned on Saturday night from his visit to the Northern markets. He was caught in New York during the blizzard there.
Mr. Berry Gleave is in the city on a short visit.

City Court.
Henry Jones, alias Brown, charged with forgery, was committed for trial in default of bond of \$200.
Warren McGowan, for embezzlement, was order committed for trial.
Mary Larkins, disorderly, \$30 or 30 days.

There were large congregations yesterday in St. Paul's E. L. Church, at morning and evening service. The attendance in fact was larger than usual. It was Palm Sunday and the services were very impressive.

Full moon to-morrow afternoon at 53 minutes past 4 o'clock.
