The Daily Review.
 WEDNESDAY, APRIL 25, 1888.
 IN CONGRESS YESTERDAY.

SENATE.
WASHINGTON, April 24.—Among the bills reported from committees and placed on the calendar was the following:
 To provide for the erection of public buildings for postoffices in towns and cities where the postoffice receipts for three years preceding have exceeded \$3,000 annually. Mr. Vest, who reported it, said he would ask its early consideration, as it was an important bill and was recommended by the Postmaster General.

On motion of Mr. Harris the House bill appropriating \$300,000 for an arsenal at Columbia, Tenn., was taken from the calendar and passed. The Senate then resumed the consideration of the International Copy right bill, the question being on the amendment offered yesterday by Mr. Morrill, providing that newspapers and periodicals may copy articles from foreign newspapers and periodicals.

After a long and interesting debate the bill went over without action till to-morrow, and the Senate proceeded to the consideration of the substitute proposed by Mr. Palmer for the bill to provide for the establishment of a Bureau of Animal Industry, to facilitate the exportation of live stock and their products, and to extirpate contagious pleuro-pneumonia and other diseases among domestic animals. This bill also went over without action.

HOUSE OF REPRESENTATIVES.
 Among the bills reported and placed upon the calendar was one for the erection of a public building at Fayetteville, North Carolina. Mr. Russell, of Massachusetts, from the Committee on Foreign Affairs, reported the Senate joint resolution appropriating \$3,000 to enable the United States to participate in the International Exposition to be held at Brussels.

Mr. Anderson, of Iowa, from the Committee on Commerce, reported back the resolution providing for an investigation of the strike on the Chicago, Burlington and Quincy R. R. Mr. Wise, of Virginia, from the Committee on Naval Affairs, reported a bill to regulate the course at the Naval Academy.

The House went into Committee of the Whole on the tariff bill, the floor being accorded to McMillin, of Tennessee. He was followed by Mr. Burrows, of Michigan, after which the Committee rose and the House adjourned.

1,500 ACRES OF LAND IN THE best pine region. For sale on easy terms in lots to suit purchasers. Four acres for \$25. Larger tracts \$5 per acre, in monthly payments of \$10. This land adjoins the "Southern Pine", a recently established health resort (on a sanitarium), and is specially adapted for Fruit Culture, as well as all the cereals. A number of New England people have bought lots in the town of "Southern Pine," and it is the desire of the owners of this land to induce small farmers, mechanics and others from the New England and Middle States, as well as elsewhere, to locate here. No State in the Union offers greater inducements to settlers than North Carolina. Nowhere can a better farming country or as fine a climate be found. This is the opinion of Northern men who have settled in North Carolina. This is a rare offer, and is limited.

TO THE LADIES.
 To the Kind Friends and Patrons of Taylor's Bazaar!
 Since before Easter we have been over-crowded in our Trimming Department making Hats and Bonnets, and I am sorry to say we have had to refuse several of our customers this last week in trimming their Hats, even with more help. THAT shows our Styles, Designs and Shapes, at the management of Mrs. Taylor, are well appreciated. But we would beg the Ladies' pardon; we are now better prepared, with still more help, and hope the Ladies will excuse us, and come early in the week to avoid the rush.
 Thanking you for past favors and hoping a continuance of the same, I am
