TORPID LIVER is known by these marked peculiarities: 1. A feeling of weariness and pains in the limbs. 2. Bad breath, bad taste in the mouth and coated tongue. 3. Constipation, with occasional attacks of diarrhoea. 4. Headache, in the front of the head, nausea, dizziness, and yellowness of the face. 5. Heartburn, loss of appetite. 6. Inflammation of the stomach and bowels by wind. 7. Depression of spirits, and great melancholy, with lassitude and a disposition to leave everything for tomorrow. A natural flow of bile from the Liver is essential to good health. When this is obstructed it results in

BILIOUSNESS, which, if neglected, soon leads to serious disease. Simmons' Liver Regulator cures a host of ailments and restores the Liver to its normal condition, regulates the secretion of bile and puts the digestive organs in such condition that they can do their best work. After taking this medicine no one will say, "I am bilious."

CHARLOTTE AND WILMINGTON.

What We Are Doing Here and What They Have Done There—Bright Business Outlook in Both Cities. (Sp. Cor. Daily Review.)

EDITOR REVIEW:—It pleases me to see in the columns of your bright and newsy paper that your "city by the sea" is waking up and improvements of all kinds are going on. In your notice of a new series of stock being opened shortly in your "Home-Stead and Loan Association," I see you refer to the fact that Charlotte issues them every six months. The fact of the matter is we issue them even oftener than that, as we have three associations in successful operation, well officered, and each one of the three organized on the perpetual plan and issuing separately a new series every six months. In addition to the above, we have two cotton factories started on the co-operative plan, (same as building association,) the par value of each share being \$100. In one the stockholders pay in 25 cents per share per week and the other 50 cents per share per week. Both of these factories are now in course of construction and will be ready for work by the time the new crop of cotton is marketed. Why don't you folks pattern after us and try similar schemes? The capital stock of the first mentioned is \$100,000, and the other \$50,000. And this is not all. We still have another cotton factory organized and ready to commence the work of building, composed entirely of capitalists—our big moneyed men—who subscribed nearly \$100,000 in less than thirty minutes, and every dollar of which could have been paid down at the time of subscription. The capital stock of this will be \$200,000.

Among our other improvements, we have a cotton factory now in successful operation (owned by the Messrs. Oates), and it has been running for several years. Then the Spoke and Handle Factory, Carson Bros., proprietors; Furniture Factory, Elliott & Marsh; Candy and Crockery Factory, Schroeder & Long; Mecklenburg Iron Works, Captain John Wilkes; Liddell Company Iron Works, and Charlotte Clothing Manufacturing Company, E. D. Latta & Bro. This last mentioned establishment does a tremendous business in a quiet way. They manufacture pants exclusively and turn out 500 pairs per day. The sewing machines are all run by steam and the concern employs about 150 operators. They ship their goods as far North as New York City, (having recently filled an order from the large clothing establishment of John Wannamaker & Co. of Philadelphia), and as far South as Texas. All the enterprises I have mentioned are in a flourishing condition and doing a large business, (that is those that are completed).

With Wilmington, a seaport city, with all of her natural advantages, and cheap rates of freight, I do not see why her people do not go ahead. There is no place in North Carolina, in my humble opinion, better situated (unless it is Charlotte), to carry forward successfully new enterprises. You can at a glance see the good that will necessarily result from such undertakings. Your population will be considerably increased, and with an increase of population, (the right kind of course), follows an increase of business. Let me consider your public-spirited men factory business and see if it can't be worked. What says my friend, Mr. W. A. Riach, General Auditor of the Atlantic Coast Line? He is a good business man and has pluck, energy and enterprise. There is no one more than your humble correspondent who would like to see old Wilmington go ahead. We have noticed, with much pride and pleasure the improvements now go-

ing on in the shape of your Sound railroad, new steamer to Carolina Beach, subscriptions to the C. F. & Y. V. and East Carolina Railroads and your street railway. While I have my doubts as to the subscription to the C. F. & Y. V. R. R. being of any direct benefit to Wilmington, particularly as that road is now virtually running into Wilmington by its connection with the Carolina Central, yet I do think the East Carolina will be of good benefit, provided it has no connection with Newbern. Otherwise, the trade and traffic which would naturally flow into Wilmington would be either diverted or divided.

Indications.

For North Carolina and Virginia, slightly warmer and fair weather, light to fresh variable winds, generally Southwesterly, except nearly stationary temperature along the coast.

Rock Crystal Spectacles and Eyeglasses

Advice to old and young: In selecting spectacles you should be cautious not to take more magnifying power than has been lost to the eye as in the same proportion that you pass that point of increase, will cause you further injury to the eye. Using glasses of stronger power than is necessary is the daily cause of premature old age to the sight. You can get the best at Heinsberger's.

The Reason Why.

You can save 25 per cent. by buying your Clothing, Gents' Furnishing Goods, Hats and Caps from I. Shrier. He buys direct from the largest manufacturers for cash, taking advantage of all discounts. A saving of 25 per cent. guaranteed. All goods warranted as represented or no sale. Call and be convinced.

I. SHRIER, Old Reliable Clothier, No. 16 N. Front St.

Sign of Golden Arm.

Full line of Stetson Hats.

Rev. Dr. Pritchard is expected to return to the city to-night and to hold services in his Church at the usual hours to-morrow.

Several persons tell us that an earthquake shock was felt here distinctly last night, at 25 minutes to 1 o'clock. It was prolonged, lasting for seven seconds.

The Register of Deeds issued five marriage licenses this week only one of which was for a white couple. The others were, James Spicer to Louisa White; Lewis Bryant to Martha Bordeaux; Richard Washington to Sylvia Bryant; Eli Johnson to Maggie Howell.

Mr. George Hewlett met with a painful accident this morning. He was trying the spring of his pistol and the cursed thing slipped and the next thing George knew he had a badly wounded finger. Fortunately amputation was not needed. He didn't know it was loaded.

Horses are said to be more nervous at this season of the year than at any other time, perhaps on account of shedding, and are therefore more liable to run away, consequently more than ordinary carefulness should be taken with them.

City Court.

James Brown, tramp, ordered escorted to the city limits and if found here again to be put in chain gang for 10 days.

John Ryan, John Haley and John Williams, all tramps, all ditto.

Joe Shaw, disorderly, discharged at costs of prosecutor.

George Irving was charged with assault and battery, but judgment was suspended.

Another Excursion Steamer.

It is announced that the steamer Queen of the St. John's, which runs regularly on the St. John's river, Florida, in the Winter season, is to be put on the route between this city and Southport this Summer. The new boat will be under the command of Capt. R. P. Paddison. She is said to have accommodations for 1,500 passengers. She is a large boat, 200 feet long, with three decks, and propelled by double engines. She will be a great acquisition to the river fleet—but, isn't this thing getting to be a little overdone?

Religious Rally.

There will be a grand rally at the Central Baptist Church to-morrow, when preaching will be as follows: At 11 a. m. by Rev. G. M. Tolson; at 3 p. m. by Rev. P. H. Hoge, and at 7:30 p. m. by Rev. I. F. Aldridge. A pleasant and profitable season is anticipated. Whatever is contributed will be greatly appreciated, and all that is possible will be done to make the exercises enjoyable to all.

Very Good Reasons.

The reasons why you can be benefited by buying from the King Clothier, S. H. Fishplate: You are in a Reliable House. A large assortment to choose from. A saving of 20 per cent. All goods steam sponged. Exclusive styles sold by him only. All goods guaranteed sewed with silk. His stores are well lighted by day and night and you can see what you are buying, plenty of light being the most essential thing for buyers of Clothing. If you are not satisfied with any article purchased from Fishplate's return the same and he will cheerfully refund you your money. With the above plainly before you how can you refuse to trade with a house of that kind.

Personal.

We are glad to hear that Mr. W. T. Daggett, who has been so ill, is now better.

Rev. Mark S. Gross, formerly the Pastor of St. Thomas' Church, in this city, is here for a few days.

Mr. J. H. Vollers is a very sick man. His father, Mr. L. Vollers of Point Caswell, is here, he having been hastily summoned to his bedside.

We were glad to receive a visit today from our good friend, M. Glennan, Esq., of Norfolk, proprietor of the Virginian and Postmaster at Norfolk, who has been here on a brief visit. He will return to Norfolk to-night.

Mr. A. S. Heide will leave here in a few days for an extended visit to Europe. He will visit England, Sweden, Germany, Norway, and Denmark. Capt. A. D. Cazaux will attend to Mr. Heide's duties as U. S. Shipping Commissioner during his absence.

Cheap Enough!

Very cheap excursion rates have been issued over the various rail roads in this State, good for the Encampment to be held here in July. Rates to this city are, from Asheville \$5.45; Charlotte, \$2.50; Fayetteville, \$1.65; Greensboro, \$2.85; Raleigh, \$1.80; Salisbury, \$3.50; Sanford, \$1.80; Statesville, \$3.85. These are remarkably cheap rates, being at the rate of two-thirds of a cent a mile, and there should be at least 20,000 visitors here on that occasion.

Breach of Trust.

This morning Mrs. Delia S. Bryson gave a colored man who was in her employ \$3.75, directing him to go to a certain place and purchase and pay for certain goods of which she stood in need. He remained away so long that Mrs. Bryson became uneasy as to her money and dispatched a white man in her employ after him. It was then ascertained that the man had bought the goods and had had them charged to Mrs. Bryson, instead of paying for them. He was found and arrested but broke away from the police on his way to the City Hall, only to be rearrested and safely secured.

Our Kitchen Market.

The following prices ruled in the markets this morning: Green peas sold for 35 cents a peck; turpips, 5 cents a bunch; lettuce at three bunches for 5 cents; asparagus, 25 cents a bunch; cabbages, 5 to 10 cents per head; radishes, three bunches for 5 cents; cabbage greens, 10 to 15 cents per peck; onions, 5 cents a bunch; strawberries, 25 cents a quart; beets, 25 cents a bunch; chickens, 35 to 40 cents each for live fowls and 40 cents each for dressed; eggs, 12 1/2 cents a dozen.

Subscriptions Coming In.

Very nearly fifty new subscribers have been added this week to the city subscription list of the DAILY REVIEW. We don't blow much about our own business but we want the advertisers in this town to make a note of the fact that our list is rapidly increasing. We have good reasons for believing that we have now the largest bona fide subscription list in the city.

Solid for Stedman.

The Columbus county Democrats met to-day and a telegram received here says that the Convention instructed for Maj. Stedman for Governor. This makes that gentleman's own section pretty solid for him. New Hanover, Brunswick, Pender and Columbus have successively endorsed him and other neighboring counties will fall into line in a few days.

Eggs are still selling at 12 1/2 cents a dozen. Some few retailers, who had large stocks on hand, tried to force them up to 20 cents recently but failed.

Mocking Bird Cages. A large stock of assorted sizes which are to be had at very low prices at Jacob's Hdw. Depot.
