## CONSTIPATION

It is called the "Father of Diseases," because  
it causes there is no medicine through  
the bowels so often attacks the system  
by the absorption of poisonous gases in  
the intestines, and the matter  
of decayed and effete matter  
in the stomach and bowels. It is caused  
by a Torpid Liver, not enough bile being  
secreted from the blood to produce  
a normal cathartic, and is generally  
accompanied with such results as

Loss of Appetite,  
Sick Headache,  
Bad Breath, etc.

The treatment of Constipation does not  
consist merely in unloading the bowels,  
but in restoring to the system a normal  
action, and in securing a regular  
and healthy habit of body without changing  
the food or disorganizing the system.

My situation, after suffering with Constipation  
for two or three years, was called to Simmons'  
Liver Regulator, and having tried almost every  
other medicine, I first took a  
small quantity, and afterwards reduced the dose to a  
teaspoonful, as per directions, after each meal. I  
found that it had done me so much good that I  
continued it until I took two bottles. Since then I  
have not experienced any difficulty. I keep it in  
my house and would not be without it, but have  
not used it for some time. Geo. W. W. W. W. W.  
Sole, Asst. Clerk Superior Court, Bibb Co., Ga.

orial Day.

The body is more susceptible to  
benefit from Hood's Sarsaparilla

The steamer *Passport* brought up  
this morning from Southport a large  
passenger list of ladies and gentle-  
men to attend the Memorial services  
to-day.

Indications.  
For North Carolina, slight changes  
in temperature, fair weather, pre-  
ceded by local rains, and light to  
fresh Southeastern winds.

The Signal Officer at this point has  
been notified that there is a storm  
central in the Gulf of Mexico and  
that cautionary Northeast signals  
have been ordered displayed at  
Charleston.

Owing to the late fire we have re-  
moved our Shirt Factory, tempora-  
rily, to No. 13 Market street, where  
we will be pleased to meet our  
friends and customers. No. 13 Mar-  
ket st. Respectfully, J. Eisbach,  
prop.

Best Crystal Spectacles and Eyeglasses.  
Advice to old and young: In se-  
lecting spectacles you should be cau-  
tious not to take more magnifying  
power than has been lost to the eye  
in the same proportion that you  
use that point of increase, will cause  
you further injury to the eye. Using  
lenses of stronger power than is ne-  
cessary is the daily cause of prema-  
ture old age to the sight. You can get  
the best at Heinsberger's.

We have been advised that the  
*Queen of the St. John's* will not come  
to Wilmington this Summer. It has  
been decided to send her North this  
Summer and keep her there until  
next Spring, when she will come  
here and remain permanently as an  
excursion boat.

**Postponement.**  
We are requested by Mr. Preston  
Cumming, Chief Marshal, to state  
that the Memorial Ceremonies in-  
tended for to-day have been post-  
poned until to-morrow, on account  
of the inclement weather. There-  
fore, all arrangements made for to-  
day will hold good for to-morrow,  
at the same hour. The indications  
are for fair weather to-morrow.

**New Presbyterian Church.**  
We understand that the congrega-  
tion of the Second Presbyterian  
Church have decided upon building  
a new church edifice on the corner  
of Fourth and Campbell streets.  
The new structure will be of brick,  
as is the present one, but will be  
much larger, the congregation hav-  
ing increased to such an extent as  
to render this imperatively neces-  
sary.

**Nothing Fairer.**  
I. Shrier, at No. 16 N. Front street  
guarantees, if any purchasers of  
Clothing, Hats and Furnishing Goods  
are not perfectly satisfied, he will  
refund the money. He also guaran-  
tees to save you from 15 to 25 per-  
cent on the identical goods you  
may purchase elsewhere. It will be  
of no expense to you to convince  
yourself of the fact and you will be  
money ahead by calling at

**I. SHRIER'S,**  
The Old Reliable Clothier,  
No. 16 and 20 N. Front St.  
Sign of Golden Arm. tf

**Annual Reunion.**  
The Editor acknowledges the re-  
ception of an invitation to attend  
the next annual reunion of the mem-  
bers of Co. K, 3d N. C. Infantry,  
extended through Mr. I. H. Brown,  
one of the survivors. The tenth  
day of June is the date of the reg-  
ular annual reunions but as this falls  
this year on Sunday, Saturday will  
be observed instead. There will be  
a basket picnic at Six Forks, four  
miles East of Burgaw, and Dr. E.  
Porter, of Rocky Point, has been  
invited to deliver the address. Col.  
W. L. DeRosset and Col. E. D. Hall,  
of this city are expected among the  
invited guests.

**Very Good Reasons.**  
The reasons why you can be ben-  
efited by buying from the King  
Clothier, S. H. Fishplate: You are  
in a Reliable House. A large assort-  
ment to choose from. A saving of  
20 percent. All goods steam sponged.  
Exclusive styles sold by him only.  
All goods guaranteed sewed with silk.  
His stores are well lighted by day  
and night and you can see what you  
are buying, plenty of light being  
the most essential thing for buyers  
of Clothing. If you are not satisfied  
with any article purchased from  
Fishplate's return the same and he  
will cheerfully refund you your  
money. With the above plainly be-  
fore you how can you refuse to trade  
with a house of that kind. tf

**How it is at the Beach.**  
A reporter for the REVIEW took a  
trip down the river yesterday on the  
*Sylvan Grove*, to Carolina Beach.  
The run was made rapidly, without  
let or hindrance, and in one hour  
and fifteen minutes after leaving  
Market dock he stood on the beach  
in front of the great Atlantic.

He reports a great many improve-  
ments at the Beach, principal among  
which is the change of terminus  
from the pavilion to the hotel, pas-  
sengers now debarking at that  
place. There are many more con-  
veniences, in various ways, than  
there were last year and everything  
and everybody seems preparing for  
a big business this season, in which  
we do not think they will be disap-  
pointed.

Capt. Harper runs each train over  
from the Pier to the Beach and is  
as accommodating and courteous as  
ever. A large blackboard at the  
platform tells everybody plainly just  
exactly when the train will leave  
the Beach and the locomotive whis-  
tle is blown 15 minutes before the  
time for starting. So that all who  
may hereafter get left will have no  
one to blame but themselves.

Wire Cloth for your windows and  
and doors can be had at Jacobi's  
Hdw. Depot. †

## Confessed and in Jail.

A man by the name of R. D. Long  
was arrested last night about mid-  
night, under the Fourth street  
bridge, charged with robbing Messrs.  
M. M. Parker and Stephen Greelish,  
at Mr. James King's boarding  
house, on Front street, near the de-  
pot. He was carried before the  
Mayor this morning, where he con-  
fessed his guilt, and was sent on for  
trial before Judge Meares next  
week, in default of a bond of \$100  
for his appearance. It seems that  
Long, who represented himself as a  
locomotive fireman from Philadel-  
phia, in search of a job, stopped at  
Mr. King's house a few days ago and  
while there robbed Mr. Parker's  
trunk of clothes, watches, pins, &c.,  
and got a small sum of money out  
of Mr. Greelish's trunk. There was  
a larger sum in the trunk which for-  
tunately escaped the thief's atten-  
tion, and which he did not get. As  
soon as Messrs. Parker and Greelish  
discovered their loss they reported  
the matter at the City Hall and  
were by the Mayor deputized to ar-  
rest Long, if they could find him.  
They made a search for him, and so  
diligently that he was found under  
Fourth street bridge, where it is  
presumed that he intended to board  
the midnight train for the North.  
When arrested Long had on some of  
the clothes stolen from Mr. Parker's  
trunk.

## The Mechanics' League.

The Mechanics' League of Wil-  
mington, N. C., is the name of a  
new order which has been recently  
organized in this city. It has been  
but a few months in existence and  
yet it has already a large member-  
ship, which is rapidly increasing.  
It was organized in February, 1888,  
and there are now about 100 mem-  
bers on the roll. The following gen-  
tlemen are the officers:  
President—Joseph Ransley.  
Vice President—J. H. Williams.  
Secretary—Kelley W. Jewell.  
Treasurer—Miles Costin.  
Chaplain—Rev. C. L. Arnold.  
The meetings are held on Monday  
night of each week at Linder's Hall.  
The order is non-political and non-  
sectarian, and is based upon the  
principle that "an individual has an  
individual right to work for whom,  
with whom and for what, he pleases."  
The objects, as set forth in the  
constitution, are "the moral, intel-  
lectual, bi-technical and financial  
improvement and advancement of  
the interests of its members."  
This order was originated here and  
bids fair to spread to other cities.

Mr. J. C. Chase, Superintendent  
of the Clatenden Water Works, yes-  
terday wrote to Chief Marshal Cum-  
ming, tendering water from the hy-  
drants to sprinkle the streets to-day  
on the route of the Memorial pro-  
cession and bright and early this  
morning Mayor Fowler had a part  
of the street force at the work. They  
continued at it until it began to rain  
hard, when it was seen that it was  
no longer needed.

If we are somewhat short to-day  
of our usual amount of reading mat-  
ter it is not our fault. Nearly all of  
the forenoon was spent in preparing  
matter relative to the Memorial  
celebration to-day and on account  
of the postponement this has to be  
held back until to-morrow.

This is the first time, since the ser-  
vices were established, that the  
weather here on Memorial Day has  
been so inclement as to interfere  
with the programme. The day was  
first observed in the year 1866, and  
this is its twenty-third observance.

The house kept at Carolina Beach  
last season by Mr. Bache and his  
excellent wife attained a high re-  
putation with excursionists. It is  
now open again, and for the season,  
and all who go down to the Beach  
and want an enjoyable lunch can-  
not do better than call at Mr.  
Bache's for it.

Dr. R. H. Holliday, of Clinton, a  
veteran of Co. I, 18th N. C. Regi-  
ment, is in the city to-day and paid  
us a pleasant visit. It is the first  
time we have met since the war.  
He came down to attend our Mem-  
orial services.

The rain to-day interfered with  
the parade of the Wilmington Light  
Infantry, and the presentation of  
the flag, as with everything else  
appointed for to-day. They will take  
place to-morrow.

## That Tired Feeling

Season is here again, and nearly  
every one feels weak, languid and  
exhausted. The blood, laden with  
impurities which have been accumu-  
lating for months, moves sluggishly  
through the veins, the mind fails to  
think quickly, and the body is still  
slower to respond. Hood's Sarsa-  
parilla is just what is needed. It is,  
in a peculiar sense, the ideal spring  
medicine. It purifies, vitalizes and  
enriches the blood, makes the head  
clear, creates an appetite, over-  
comes that tired feeling and imparts  
new strength and vigor to the whole  
body.

Mr. E. Kuhblank has returned to  
the city from a very successful busi-  
ness trip to Florence and other  
points on the W. C. & A. R. R.

Eggs have gone up to 15 cents a  
dozen.

Blackberries are getting more  
plentiful. Now for huckleberries, or  
whortleberries.

Mr. W. J. Yopp continues very  
low, and no hopes are entertained  
of his recovery.

Strawberries are selling at 10 cents  
a quart now, but there were very  
few in market to-day.

It will turn warmer now. In a  
few days you may sport your straw  
hats and your alpaca coats.

Two car loads of rails for the  
street railway are here but it has  
been too wet to-day to lay them.

This rain was just in the nick of  
time. It was greatly needed and it  
will give new life to all drooping  
vegetation.

The rainfall up to 3 o'clock this  
afternoon was .80 of an inch. It was  
nearly 2 inches at Charleston up to  
the same hour.

The Memorial services having  
been postponed, prayer meeting  
will be held as usual at the First  
Presbyterian Church at 8 p. m.
