State Executive Committee held in this city, on the 28d of February, instant, it was resolved that the Democratic State Convention be held in the city of Raleigh on Thursday, the

30th day of May, 1888. The said Convention will be held for the nomination of candidates for the offices of Governor, Lieutenant-Governor, Secretary of State, Auditor, Treasurer, Superintendent of PublicInstruction, AttorneyGeneral, three Justices of the Supreme Court one for the vacancy now filled by appointment of the Governor, and two to take their seats in case the number of Justices shall be increased by the vote of the people—and of two Electors for the State at large, and for the election of Delegates and alternate Delegates to the Democratic National Convention to be held in the city of St. Louis on the 5th day of June next. Also, for the adoption of a platform of principles and the transaction of such other business as may come before it.

It will be observed that the State Convention is to be held earlier this year than usual. This was necessary n order that the delegates to the National Convention, to be held the week after, may be selected. The National Convention is called earlier than usual in order that the SUGAR, P 15—Northern ...... party may be better organized and a more thorough campaign made in behalf of its nominess and its great principles. The same advantage attends the earlier meeting of our State Convention and nomation of its candidates.

The State committee respectfully arge upon the county committees throughout the State to take early action for the call of their county conventions, in accordance with the plan of organization which is publish ed with this address, giving full notice of meetings in the different townships, so that primaries may be fairly held and fully attended. Thus the fairness of all nominations and other business done mus be universally conceded. It is obviously inportant that every county shall be represented in the State Convention by one or more of its own citizens, but if for any reason one cannot at- Two and a Half Miles West of Greensboro, N.
