What is this "nervous trouble" with which so many seem now to be afflicted? If you will remember a few years ago the word Malaria was comparatively unknown, to-day it is as common as any word in the English language, yet this word covers only the meaning of another word used by our forefathers in times past. So it is with nervous diseases, as they and Malaria are intended to cover what our grandfathers called Biliousness, and all are caused by troubles that arise from a diseased condition of the Liver which in performing its functions finding it cannot dispose of the bile through the ordinary channel is compelled to pass off through the system, causing nervous troubles, Malaria, Bilious Fever, etc. You who are suffering can well appreciate a cure. We recommend Green's August Flower—its cures are marvelous.

executive committees of said appointments, and the said county executive committees shall forthwith call conventions of their respective counties in conformity to said notice, to send delegates to said respective district conventions. STATE CONVENTIONS. 1. The State Convention shall be composed of delegates appointed by the several county conventions. Each county shall be entitled to elect one delegate and one alternate for every one hundred and fifty Democratic votes, and one delegate for fractions over seventy-five Democratic votes cast therein at the last preceding gubernatorial election; and none but delegates or alternates so elected shall be entitled to seats in said convention: Provided, That every county shall have at least one vote in said convention. GENERAL RULES. 1. Such delegates (or alternates of absent delegates) as may be present at any Democratic convention shall be allowed to cast the whole vote to which their township or county may be entitled. 2. If no delegate or alternate shall attend a State convention from any county any person appointed by the President of the county convention, or on his failure by its Secretary, may represent the county. 3. In all conventions provided for by this system, after a vote is cast there shall be no change in said vote until the final result of the ballot shall be announced by the chairman of said convention. 4. All Democratic executive committees shall have the power to fill any vacancy occurring in their respective bodies. 5. That the chairmen of the different county conventions shall certify the list of delegates and alternates to the different district and State conventions, and a certified list of said delegates and alternates to the State convention shall be sent to the Secretary of the State Central Committee. For the committee: R. H. BATTLE, Chm'n. B. C. BECKWITH, Sec'y.

RALEIGH, N. C., Feb. 25th, '88. To the Democratic Party in North Carolina: At a meeting of the Democratic State Executive Committee held in this city, on the 23rd of February, in instant, it was resolved that the Democratic State Convention be held in the city of Raleigh on Thursday, the 30th day of May, 1888. The said Convention will be held for the nomination of candidates for the offices of Governor, Lieutenant-Governor, Secretary of State, Auditor, Treasurer, Superintendent of Public Instruction, Attorney General, three Justices of the Supreme Court—one for the vacancy now filled by the appointment of the Governor, and two to take their seats in case the number of Justices shall be increased by the vote of the people—and of two Electors for the State at large, and for the election of Delegates and alternate Delegates to the Democratic National Convention to be held in the city of St. Louis on the 5th day of June next. Also, for the adoption of a platform of principles and the transaction of such other business as may come before it. It will be observed that the State Convention is to be held earlier this year than usual. This was necessary in order that the delegates to the National Convention, to be held the week after, may be selected. The National Convention is called earlier than usual in order that the party may be better organized and a more thorough campaign made in behalf of its nominees and its great principles. The same advantage attends the earlier meeting of our State Convention and nomination of its candidates. The State committee respectfully urge upon the county committees throughout the State to take early action for the call of their county conventions, in accordance with the plan of organization which is published with this address, giving full notice of meetings in the different townships, so that primaries may be fairly held and fully attended. Thus the fairness of all nominations and other business done must be universally conceded. It is obviously important that every county shall be represented in the State Convention by one or more of its own citizens, but if for any reason one cannot attend, provision has been made by the representation of the county by any person appointed by the chairman of the county convention, or in case his failure to appoint, by one appointed by its secretary. For purposes of efficient organization it is desirable that all vacancies in the different committees be filled at once by active and zealous men. At the recent meeting of the State committee it was made my duty to call special attention of the chairmen of county and Congressional executive committees to the necessity of immediate steps to provide for the election of delegates to the National Convention from the different districts. If it shall seem impracticable to call conventions to meet in some of the districts for this purpose, it is suggested that the end may be effected by authorizing delegates to the State Convention from such districts to meet in Raleigh on or about the 30th of May in district conventions and elect delegates to represent the districts at St. Louis. We have reasons to know that our adversaries will make desperate efforts this year to restore the State to Radical rule with all its attendant evils. Let true men and good democrats attend the conventions for our party, resolved to present men of the suffrages of the people men of character, integrity and recognized fitness for the offices to which they are nominated, and only such, and the continued supremacy of the white race, which is synonymous with the North Carolina with the supremacy of the Democratic party, will be assured for another term of years. For the committee: R. H. BATTLE, Chm'n. B. C. BECKWITH, Sec'y.
