The liver and kidneys must be kept in good condition. Hood's Sarsaparilla is a great remedy for regulating these organs.

We have authority for the statement that the Seacoast Railroad carried about 1,000 passengers to the Sound yesterday.

Attention is invited to the advertisement of the firm of Howe & Norwood, two young colored men of this city, of excellent standing, who have opened a restaurant at the Hummock. They are prepared to furnish meals there at all hours with fish, oysters, clams, &c., three times a day.

**New Music House.** J. L. Stone, the popular music dealer of Raleigh, has established a branch house at Wilmington, on Dock street one door from Front, where may be found a number of the celebrated Emerson pianos, also other makes from \$100 upwards. Organs from \$45 upwards. Every one is invited to call and examine the instruments.

**Rock Crystal Spectacles and Eyeglasses.** Advice to old and young: In selecting spectacles you should be cautious not to take more magnifying power than has been lost to the eye as in the same proportion that you pass that point of increase, will cause you further injury to the eye. Using glasses of stronger power than is necessary is the daily cause of premature old age to the sight. You can get the best at Heinsberger's.

**Bathing Suits.** Come down to Headquarters. 25 dozen Flannel Bathing Suits, in all sizes and colors, sold at the lowest manufacturing prices at the Wilmington Shirt Factory, 27 Market st., J. Elsbach, Prop. Look for the blue awning.

**Services at the Lutheran Church.** Rev. Prof. J. A. Linn, Principal of the Lutheran Female Seminary of Mt. Pleasant, N. C., is in the city and will preach in St. Paul's Evangelical Lutheran Church to-morrow, both morning and night. Both services will be in English. The morning service begins at 11 o'clock and the evening service at 8:15 o'clock.

**At the Hummock.** Notwithstanding the fact that rain was threatened there was a large crowd at the Sound last night, to attend the opening dance at the Pavilion on the Hummock. A great many went down during the day and the train which left here last night carried four cars, packed and jammed, as the saying is. Falatico's Italian band furnished music for the dancers and the enjoyment was great. The train returned to the city about midnight.

**Well Done.** We call attention of our readers to the fact that Mr. S. H. Fishplate, well termed the King Clothier, has ordered and will receive in a few days several hundred Cleveland and Thurman white beavers which he will dispose of to the members of the Young Men's Democratic Club as \$1.00 each. Other houses have advertised them at \$1.50. Mr. Fishplate thinks that in a cause of this kind, a merchant should be patriotic enough to furnish articles necessary for a club at about as near cost as possible. We are of the same opinion.

**Scribner's for July.** Scribner's Magazine for July is the first number of Volume IV, and shows many signs of a steady advance along the lines which its projectors marked out for it. A number of attractive features are announced for this volume, among them five articles of the remarkable railway series which was successfully begun in the June number; several papers by Lester Wallace giving reminiscences of his career as actor and manager for fifty years; important articles by the venerable Hugh McCulloch, ex-Secretary of the Treasury, drawing significant inferences from the experience of his half-century of public life; an essay in each number by Robert Louis Stevenson; and a large number of illustrated articles, stories, and poems by the best writers in each field. Charles Scribner's Sons, New York at \$3 a year.

**Young Men's Democratic Club.** The committee appointed at the last meeting of the Young Men's Democratic Club, consisting of Messrs. L. H. Meares, T. H. Pickett and Willie Rosenthal, to confer with the Chief Marshal in the selection of Division Marshals and their assistants, have reported as follows: Chief Marshal - J. C. Morrison. First Assistant - Joe H. Watters. Second Assistant - J. T. Medlin. Third Assistant - W. R. Morrison. Fourth Assistant - Edwin Daniel. Third Division - Martin Newman, Marshal; E. W. Moore, first assistant; R. L. Holmes, second assistant. Fourth Division - George Branch, Marshal; Jas. Barr, first assistant; C. W. Polvogt, second assistant.

**Bathing Suits.** Come down to Headquarters. 25 dozen Flannel Bathing Suits, in all sizes and colors, sold at the lowest manufacturing prices at the Wilmington Shirt Factory, 27 Market st., J. Elsbach, Prop. Look for the blue awning.

**Burglary.** Some one broke into the house of Thomas E. Scott, the well known colored barber, some time last night and stole therefrom a basket of clothes, \$13 in money, a gold bracelet and gold chain. The jewelry was stolen from his wife's trunk. This morning the clothes were found in the yard of W. H. Nash's house, corner McRae and Walnut streets, one block from the scene of the robbery. It is thought that the thieves feared detection if they carried off the clothes and threw them into Nash's yard as they passed his house. There is no clue, as yet.

**Closing Exercises.** The Cape Fear Academy closed its fifteenth session yesterday morning with very pleasant exercises by the pupils. There were a few visitors present. The examinations have been held during this past week. Most of the pupils have shown gratifying progress. After an address by the principal, Prof. Washington Catlett, in which he gave most wholesome advice to the pupils, certificates of proficiency in their classes were awarded the pupils. The following are the pupils who have attained a most honorable rank in the order of their names: Senior Class - E. P. Willard, C. J. Blomme, R. C. Sloan, E. H. Munson, Geo. Peschau, Jas. S. Hall, Jas. F. Wright, C. W. Woodward, Geo. Sloan, Jno. D. Bellamy, Jr., Frank Russell, C. S. Grainger, S. H. Chadbourn, Jas. P. Cutts.

**Intermediate Class - E. A. McKoy, W. Latta, R. Merritt, T. A. Heide, I. Solouon, J. H. Gore, A. M. Hall, H. Peschau.**

**Junior Class - L. J. P. Cutlar, L. Solomon, Louis Myers, C. K. Bacon, W. J. Bellamy, G. A. Heide, Emil Wessell, Em. Bear, Sam. Springer, P. J. Thomas, John Wessell, James Munds, Frank Donlan, Henry Odenbattel, Otto Dingelhof, Walter Bonitz, Willie Hodges, Platt D. Cowan.**

The following pupils deserve special mention: E. P. Willard was perfect in deportment and punctuality; he has lost one day only. C. W. Woodward was perfect in attendance and punctuality; R. C. Sloan, Chas. Blomme and E. G. Woody have received no demerits; Frank P. Donlan has been perfect in punctuality; E. H. Munson, Geo. Sloan and Willie Latta received only one demerit; the last was late but once. This is an honor of which these young gentlemen should be proud.

We understand that the prospects for a full school on the opening of the session next September 24th are already flattering and we are glad to know it. Prof. Catlett is doing an excellent educational work in this city. His method is thorough and he has every reason to feel gratified at the success which has attended his labors here.

**Let the Public Know.** The following circular, which explains itself, is published for the information of the public: N. C. STATE GUARD ENCAMPMENT, OFFICE OF THE BUREAU OF INFORMATION, WILMINGTON, June 23, 1888.

**To the Public:** - The undersigned having been designated a committee to establish a bureau of information, at which visitors to the State Guard Encampment to be held here in July may obtain information as to places of accommodation, have received permission to use the City Court Room for headquarters. In view of the large crowd anticipated it is feared that the public hotels may be inadequate to accommodate all visitors. The private boarding houses may have to be brought into requisition, and if the crowds are to be properly cared for as the reputation of the city requires private citizens may have to throw open their homes to the accommodation of guests. Parties who will accommodate one, two or more guests, during the encampment, are asked to notify this Bureau at once, stating the members of persons they can accommodate, whether meals, or rooms, or both, and prices. It is hoped that there will be a general response to this call and that citizens, even if it involves some inconvenience, will cooperate with the Bureau for the purposes stated. Every effort will be made to so place visitors as to make it agreeable to both parties.

Respectfully,  
GEO. P. COTCHETT,  
Chairman,  
H. MCL. GREEN,  
G. H. SMITH,  
D. M. WILLIAMS,  
IREDELL MEARES,  
Committee.
