

ROYAL BAKING POWDER

Absolutely Pure.

This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and cannot be sold in competition with the multitude of low test, short weight alum or phosphate powders. Sold only in cans. ROYAL BAKING POWDER CO., 106 Wall St., N. Y.

The Daily Review.
THURSDAY, JULY 5, 1888.
STATE NEWS.

Asheville Sun: Ajt. General Jones yesterday received application for a military company organized June 30th, at Marshall, with 55 men enrolled. The officers elected are: J. A. Nichols, captain; P. M. Hudgins 1st lieutenant; W. C. Sprinkle, 2nd lieutenant. The application will be submitted to the Governor. The company is composed of splendid material.

Raleigh Visitor: Alf. Morgan, a young colored man, was drowned on Saturday afternoon last in Hood's mill pond, in Mark's Creek township, this county. He was a good swimmer, but it is supposed that he was attacked with cramp, and the water being very deep, was unable to get out before drowning. His body was recovered in about an hour after he was drowned.

Fayetteville Journal: This morning a young negro boy by the name of Chas. Brown was accidentally shot by his brother, Joe Brown. During the night Joe thought he heard some one in the house, and getting out of bed, procured a pistol and fired two shots in the direction whence the sounds came. This morning, after he arose, he picked up the pistol to examine it, when it exploded, the ball entering Charles' body near the left nipple. His physicians pronounce his wound fatal.

Clinton Caucasian: A unique marriage in town, three people and only three, under one license. They were of the dusky persuasion and from Mingo township. We stated two weeks ago that the huckleberry crop of Sampson county this year, if properly saved and marketed, would bring into the county \$100,000. Many thought this estimate too large, but we are now convinced that it is much too small. We are not sure that the estimate might not with safety be doubled. It is clear that the huckleberry has come to the front as one of our most valuable crops. We have no doubt that with a little care and cultivation the present crop can be easily doubled. It will then bring into the county from \$200,000 to \$400,000 annually.

Sanford Express: Thursday night Chas. A. McNeill, Esq., while in company with Mr. Charlie Graves and Mr. H. A. Foote, met a negro named Barrett on the streets of Carthage. For some cause or other a difficulty occurred between Mr. McNeill and the negro and Mr. McNeill dealt the negro a blow upon the head with a base ball bat, cracking the cerebrium skull. The negro was not dead at last report, but the lick is regarded as fatal. Mr. McNeill was arrested and bound over in the sum of \$1,000. The mother of the negro child found in Aberdeen Creek, near Keyser, was arrested Thursday and has confessed the crime. She says she broke the child's skull with a piece of light-wood knot.

Of Interest to the Public.
Ladies will Please Read this Letter:

NEW YORK, June 9th, '88.
MR. JOHN TAYLOR,

DEAR SIR:—You have been buying hats of our house for the last twenty years, while doing business in New York and Wilmington, and always have been a large buyer. We send you by Clyde Line 153 dozen Ladies', Misses' and Children's Hats, in all Colors and best Shapes. We have stopped making Summer Hats for this season, and we close out the lot at your own prices, so as to give your customers in Wilmington some Bargains. Hoping they will do you some good, we are,
Very truly yours,
C. F. G. & CO.,

MISCELLANEOUS.
Corner Market and Front
Hedrick's

FOR THE SPRING AND Summer trade I am offering the most attractive stock of
DRY GOODS

to be found in this city. Selected expressly for city retail trade, by the most experienced buyer, who, with an eye single to the needs of his customers, who are proverbially the most tasteful ladies in the city, and at the same time to meet the views of the most economical in prices, has in the most triumphant manner succeeded in making the "Corner on the Market the 'Talk of the Town,'" where can be found a magnificent stock of Spring and Summer Dress Goods, in all the leading and most desirable styles, among which are many excellent bargains in the various new shades of Albatross, Nun's Veiling, Printed Challis, Beiges, French and American Satines, Ginghams, Lawns and Printed India Linens. Our stock of

WHITE Goods
surpasses that of any former season in variety, cheapness and elegance. We have beautifully embroidered Skirts on Batiste and India Linen with Flouncings, Edgings and Yoking to match. Embroidered Marseilles Robes in Patterns for Ladies and Children, plain White Lawns, India Linens, Linon d'Irlande and Batistelaire at prices from Five Cents per yard to the finest imported. Plaid and Striped Lawns, Nainsook and Mull, Fern and White French Pique. One hundred handsome Embroidered Robes in boxes, bought a job and will be sold at half value.

We have almost succeeded in painting Wilmington white with white dresses; we greatly desire to whiten the rest of the Country. In the sale of White Goods we have no competitor. It would be profitable to those wishing to purchase goods in that line to entrust their orders with us or write for samples. Our other great specialty,

Housekeeping Goods,
is in full stock, and is as it ever has been, a puzzle and wonderment to our neighbors. Where does he buy his goods? How can he sell at the prices? How is it that all our customers go to HEDRICK'S to buy all of their Table Linens, Towels and Napkins? Reader, listen; the secret is this. We buy this line of goods direct from the importer. We know what the people want, and we know how to buy them, hence we are enabled to sell a pure Linen Damask at 50 cents per yard, as good as can be had elsewhere for 75 cents; a White pure Linen Damask at \$1.00, as good as any man can show at \$1.40, with all other goods in this line, such as Napkins, Doilies, Towels, etc., at proportionately low prices. We offer a full line of Domestic Goods at prices to suit all classes.

Space becoming short, much that we would like to tell in this must be deferred to a future advertisement. Suffice it to say that we keep the largest stock of
Handkerchiefs
in all qualities to be found in any retail store in the South. We keep a first class stock of Gent's Furnishing Goods, Laundried and Unlaundried Shirts, Collars and Cuffs, Balbriggan and Lisle Underwear, Ties and Scarfs in all the new styles.—Half-Hose in every quality, to be sold at marvellously low prices.
We invite attention to our stock of Imported and Domestic Woolen Suitings for Gents and Boys which we can have made to order by a first class Tailor at the most reasonable prices. Inasmuch as we are here for the People's good, the People will be welcomed at our counters, where they will receive the most cordial and polite attention.
Respectfully,
John J. Hedrick.
je 11

JOB PRINTING!
We want your orders for PRINTING, RULING and BINDING, and if doing your work well, with good material and stock amounts to anything we know we are certainly entitled to at least a portion. Our money has not been put in old time material and we are constantly adding new type.
Try us on any books you want made to order.
Personal attention to all orders.

The Acme
MANUFACTURING CO.
MANUFACTURERS OF
Fertilizers, Pine Fibre
Pine Fibre Matting.

WILMINGTON, N. C.
THE REPUTATION OF OUR FERTILIZERS, THE ACME and GEM, is now established. The results of three years' use in the best farms of this and other States attest their value as a high grade manure. The MATTING, made from the leaves of native pine, is conceded to be equal to wool carpet for comfort and durability and demand for it is daily increasing. It is not found in any other fabric.
THE FIBRE or WOOL is extensively used for upholstering purposes, and as a filling. Mattresses is almost equal to hair, and elastic and proof against insects.
Certificates from reliable parties who goods can be seen at our office, or will be sent upon application.
