

BESIDE THE SILENT SEA.

And so beside the silent sea. I wait with muffled oar. No harm can come from Him to me On ocean or on shore.

For the First Place.

A great amount of political engineering will be done by friends of candidates to secure for their man the first place on the ticket, and the best man will probably secure the coveted place.

A Lady of Uncertain Age.

Miss Youngbelle, at a reception, pointing to a girl in a dress but rather antique party on the opposite side of the room "How old is Miss Youngbelle?"

The Place to Trade.

Stranger (to tailor) "You've got a nice stock of goods here." Tailor "Yes, sir, the price I put on a suit of clothes is a great injustice to my wife and family."

Consumption Surely Cured.

To the Editor: Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured.

A Child Killed.

Another child killed by the use of opiate given in the form of Soothing syrup. Why mothers give their children such deadly poison is surprising when they can relieve the child of its peculiar troubles by using Acker's Baby Sooter.

Remember This.

If you are sick Simmons Liver Regulator will surely aid nature in making you well. If you are constipated or are suffering from any other of the numerous diseases of the Liver, Stomach or Bowels, it is your own fault if you remain ill.

WE CAN AND DO.

Guarantee Acker's Blood Elixir for it has been fully demonstrated to the people of this country that it is superior to all other preparations for blood diseases. It is a positive cure for syphilitic poisoning, Uleers, Eruptions and Pimples.

What is this "nervous trouble" with which so many seem now to be afflicted?

If you will remember a few years ago the word Malaria was comparatively unknown, to-day it is as common as any word in the English language, yet this word covers only the meaning of another word used by our forefathers in times past.

Platform of the Democratic Party in North Carolina.

We again congratulate the people of North Carolina on the continued enjoyment of peace, good government and general prosperity under Democratic administration of the affairs of the State which has now been unbroken for so many years.

Resolved, That the ability, wisdom, honesty, patriotism, independence, faithfulness to duty and manly courage of President Cleveland have won the admiration of all good men; and the interests of the country demand his re-nomination and his re-election.

For cleansing and healing foul and indolent Uleers, Sores and Abscesses and removing the bad odors arising therefrom, and for sloughing, contused and lacerated wounds, Darbys Prophylactic Fluid is unequalled.

Advice to Mothers.

MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as button."

grown up under laws enacted by it.

The contest in this country being between aggregated capital, seeking to crush out all competition, and the individual laborer, the Democratic party is, as it has ever been, against the monopolist and in favor of a just distribution of capital, and demands the enactment of laws that will bear equally upon all.

Resolved, That as all taxation bears most heavily upon the laborer, it is the duty of the legislator, as a direct benefit to the workingman, to keep the expenses of our public institutions at the lowest limit consistent with wise and efficient management.

Resolved, That our being an agricultural State, it is our duty as well as our pleasure to promote any and all legislation that is best calculated to advance the interests of agriculture; and that in so doing we will most effectually advance the interests of mechanics, manufacturers and laborers.

Resolved, That the Democracy of North Carolina, cordially approve the administration of Hon. Alfred M. Scales as honest, patriotic and conservative.

Resolved, That the ability, wisdom, honesty, patriotism, independence, faithfulness to duty and manly courage of President Cleveland have won the admiration of all good men; and the interests of the country demand his re-nomination and his re-election.

For cleansing and healing foul and indolent Uleers, Sores and Abscesses and removing the bad odors arising therefrom, and for sloughing, contused and lacerated wounds, Darbys Prophylactic Fluid is unequalled.

"I have used Darbys Prophylactic Fluid in hospital and private practice for ten years and know of nothing better for sloughing, contused and lacerated wounds, foul and indolent ulcers and as a disinfectant." - J. F. BRUSTIS, Professor Mobile Med. College.

To yield obedience to the majority does not necessitate changing honest opinion.

Resolved, That the details of the methods by which the constitutional revenue tariff shall be gradually reached are subjects which the representatives of our people at the national capital must be trusted to adjust.

Resolved, That we, as heretofore, favor, and will never cease to demand, the unconditional abolition of the whole internal revenue system, as a war tax, not to be justified in times of peace; as a grievous burden to our people and a source of annoyance in its practical operations.

We call the attention of the people of the State to the hypocritical pretensions of the Republican party in their platform that they are in favor of the repeal of this onerous system of taxation, enacted by their party, while the Republicans in Congress are taxing their energies to obstruct all legislation inaugurated by the representatives of the Democratic party to relieve the people of all or a part of this odious system.

Resolved, That the course of the Democratic party, in furtherance of popular education, is a sufficient guaranty that we favor the education of the people, and we will promote and improve the present educational advantages so far as it can be done without burdening the people by excessive taxation.

Resolved, That, to meet an existing evil, we will accept, for educational purposes, from the Federal government, our pro rata share of the surplus in its treasury; provided, that it be disbursed through State agents and the bill for the distribution be free from objectional features.

Resolved, That the United States being one government and ours a national party, we denounce the efforts of the Republicans to force sectional issues in Congress and elsewhere, and to promote dissension and ill-will between the people of the different sections of our common country.

Resolved, That it is due to the people of our eastern counties, who have so cheerfully borne their share of our common burdens, that the present or some equally effective system of county government shall be maintained.

Resolved, That the Democratic party is opposed to any further extension of the "no-fence" law, unless such extension shall have first been authorized by a majority of the qualified voters within the territory to be affected thereby.

Resolved, That the Democratic party has ever been the party of the workingman, and has never fostered any monopolies, nor have "trusts" or "combinations" or "pools" ever
