IN CONGRESS YESTERDAY.

SENATE.

WASHINGTON, August 3.—Mr. Cullom offered a resolution instructing the Committee on Inter-State Commerce to make a full investigation into the relations of Canadian railroads with transportation across the continent of commerce which naturally belongs to the United States.

The discussion of Mr. Cullom's resolution took a somewhat political and somewhat personal turn, particularly in the remarks of Messrs. Gorman and Edmunds. Finally, the resolution was adopted without discussion.

The Senate then proceeded to the consideration of the fisheries treaty in open executive session.

HOUSE OF REPRESENTATIVES. The House went into Committee of the Whole on the Deficiency Appropriation bill.

The French Spoilation Claims section of the bill having been reached, the chairman stated that, according to previous agreement, general debate would be allowed for nine hours.

Picnic at Piney Woods.

EDITOR REVIEW.—It was my good pleasure to be present yesterday, the 2nd day of August, at a picnic at Piney Woods, in Columbia township. The day was warm and sultry. Notwithstanding at an early hour the crowd had assembled from Duplin, Sampson and Pender, consisting of about three hundred. The Long Creek band was on hand and made some good music for the dancers which they indulged in quite freely until a late hour. At one o'clock dinner was announced and a dinner it was I can tell you. The ladies of the Moore's Creek section know how to fix up these good dinners, and as for the pretty girls they are numerous. Take it all in all, Moore's Creek is hard to beat for good looking women and hard cider picnics. The day wound up in a nice rain which was badly needed; crops have suffered in that section for want of rain.

From what your correspondent could glean yesterday R. M. Croom, Esq., the Republican leader in Pender, and their candidate for the lower house in our next Legislature, will be apt to come out at the tail end on the 2nd day of next November, provided we can be so lucky as to have placed on the Democratic ticket the name of George A. Ramsey, Esq. He is the man in my opinion that can and will meet Croom on any issue he may bring out, and after the second day of November the Republican party in Pender will be so completely demolished that it would take all of Gen. Harrison's army to get them in rank and file again. So give us a good ticket, with Ramsey at the head, and you may bet the Rads will go up and never come down again in Pender.

Yours,
MOORE'S CREEK.

Advice to Mothers.

MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty five cents a bottle. *July 6 dead & wly*

1,500 ACRES OF LAND IN THE only best pine region. For sale on easy terms in lots to suit purchasers. Four acres for \$25. Larger tracts \$5 per acre, in month; payments of \$10. This land adjoins the "Southern Pine," a recently established health resort (or sanitarium), and is especially adapted for Fruit Culture, as well as all the cereals. A number of New England people have bought lots in the town of "Southern Pine," and it is the desire of the owners of this land to induce small farmers, mechanics and others from the New England and Middle States, as well as elsewhere, to locate here. No State in the Union offers greater inducements to settlers than North Carolina.
