THE DAILY REVIEW.

VOL. XII. WILMINGTON, N. C., WEDNESDAY, AUGUST 8, 1888. NO 157.

SIMMONS
LIVER
REGULATOR
TORPID LIVER
known by these marked peculiarities:
1. A feeling of weariness and pains in the
limbs.
2. Bad breath, bad taste in the mouth,
and a coated tongue.
3. Constipation, with occasional attacks
of diarrhoea.
4. Headache, in the front of the head;
nausea, dizziness, and yellowness of
skin.
5. Heartburn, loss of appetite.
6. Distention of the stomach and bowels
by wind.
7. Depression of spirits, and great melan-
choly, with lassitude and a disposition
to leave everything for to-morrow.
A natural flow of bile from the Liver is
essential to good health. When this
is obstructed it results in:

BILIOUSNESS,
which, if neglected, soon leads to serious
diseases. Simmons Liver Regulator exerts
a powerful influence over every kind of
biliousness. It restores the Liver to
proper working order, regulates the secre-
tion of bile and puts the digestive organs
in such condition that they can do their
best work. After taking this medicine no
one will say, "I am bilious."

"I have been subject to severe spells of Con-
stipation of the Liver, and have been in the habit
of taking from 15 to 20 grains of calomel which gen-
erally had no effect for three or four days. Lately I
have been taking Simmons Liver Regulator,
which gave me relief without any interruption to
business."—J. Hogg, Middleport, Ohio.

The news of the result of the last
English Derby was telegraphed
from England to Australia in one
hour and four minutes, which is be-
lieved to be the fastest time ever
made between those points.

The atmosphere on the English
Channel was recently rarefied to
such a degree that objects between
thirty and forty miles from Dover
and Folkestone could clearly be dis-
tinguished with the naked eye.

The attendance at the Michigan
Agricultural College is greater than
ever before and it is thought that
four hundred students will be en-
rolled next year. Fifty-one gradu-
ates of the institution are presi-
dents or professors in other colleges.

A year of high license in Pennsylv-
ania has done away with more
than seven thousand drinking sal-
oons, which many years of high
protection had enabled the festive
Pennsylvanians to support with
ease. Seven thousand odd saloons
and the same old protection still
flourish there.

The Mail and Express says there
were 2,000 women at a recent Mon-
mouth Park, N. J., race. Some of
them travelled fifty miles in order to
wager money on the horses. A few
years ago it was a rare thing for a
woman to bet on a horse race, but
now the matter has gone so far that
one racing association has provided
a special place where women may
wager money without restriction.

Get rid of that tired feeling as
quick as possible. Take Hood's Sas-
aparilla, which gives strength, a
good appetite and health.

There was another fine day for
the fishermen yesterday at the

them out of the water. Quite a
large catch was the result.

Rock Crystal Spectacles and Eyeglasses
Advice to old and young: In se-
lecting spectacles you should be cau-
tious not to take more magnifying
power than has been lost to the eye
as in the same proportion that you
pass that point of increase, will cause
you further injury to the eye. Using
glasses of stronger power than is ne-
cessary is the daily cause of prema-
ture old age to the sight. You can get
the best at Heinsberger's!

If you want to feel comfortable
and well all you need is a good Ham-
mock. You will find the largest as-
sortment and cheapest at Heinsber-
ger's.

Portner's Beer, on ice, is the de-
licious beverage. It is cool, healthy
and safe—provided you don't drink
a case at a sitting. See ad. in this
issue.

Gazette: Ex-Mayor S. H. Fishblate
of Wilmington, N. C., is stopping at
the Oriental. He appears to be hav-
ing a first-class time and speaks
highly of this hotel. He is a red-
hot Democrat and states that North
Carolina will give Cleveland and
Thurman and the State ticket forty
thousand majority.

As will be seen by notice else-
where Mr. John Sholar, the well-
known builder and contractor, has
again located in this city and is now
prepared to erect buildings of any
kind that may be desired. He is
prepared to do the work either un-
der contract or as superintendent,
as may be agreed upon.

Death of Mrs. Wood.

We regret very much to learn of
the death of that most estimable
Christian lady, Mrs. Wood, wife of
Mr. Robert B. Wood and mother of
Dr. Thos. F. Wood, of this city, and
Mr. R. B. Wood, Jr., of Brunswick,

dential campaign, is just out. It
contains finely engraved portraits
and sketches of the candidates for

lar votes in previous elections and
other useful information. Copies

Don't Give Him Whiskey.

Don't give a man whiskey when
he is overcome by the heat. It is
one of the last things to be adminis-
tered in a case of sunstroke. When
the skin is dry and hot, as is fre-
quently the case, hold the head up
and pour cold water on it. If the
water is poured from a height of
several feet so much the better.
Then get a physician on the spot as
quick as you can. But don't give
the patient whiskey, unless under
instructions from a physician.

Death from the Heat.

A colored man named Montgom-
ery Wyatt, employed as a crank-
hand by Capt. G. B. Newcomb, road-
master of the W. & W. Railroad,
was sunstruck yesterday afternoon,
at the four-mile post on the road,
while on the way to the city with
the road-master's crank car, and
died just after reaching the depot,
about half-past 4 o'clock. Wyatt's
body was sent last night to his
home at Richmond, Va., for inter-
ment. The car left Wallace yester-
day morning for the city and was
taken off the track at Wrightsville
to allow a freight train to pass. Just
as he stepped from the car Wyatt
was overcome by the heat, and fell.

The Adventists.

The Piedmont A. C. Conference
will convene in this city to-morrow
at 12 o'clock in the Second Advent
Baptist Church.

Elder J. A. Cargile, the Southern
evangelist, and several other minis-
ters of the Advent faith are expect-
ed. The business of the Conference
will be introduced each day at 11
o'clock with a sermon from the dif-
ferent ministers, discussing the doc-
trine of Adventism. There will also
be preaching each night during the
meeting at 8 o'clock. The public
are most cordially invited and es-
pecially those who desire to know
something of the peculiar views
held and taught by Adventists.
These people are of the opinion that
this dispensation is about to close
and it may be well for us to hear
what they have to say upon the sub-
ject.

On next Tuesday, after the Confer-
ence adjourns, the church expects
to take an excursion on the Sylvan
Grove to Carolina Beach. There
will be several mountaineers along
who have never seen the ocean.

Verdict of the Jury.

Coroner Miller empaneled a jury
this morning and held an inquest
over the body of Carl Dabit, alias
"Dutch Charley," of whose suicide
an account was published here yes-
terday. The jury was composed of
the following: David Jacobs, Fore-
man; O. O. Vollers, L. W. Davis, J.
W. Yarbrough, G. W. Penny and
W. H. Bradley. The verdict of the
jury was that "the deceased, Carl
Dabit, alias 'Dutch Charley,' came
to his death on August 7, 1888, by
cutting his own throat with a razor."

Tried to Steal a Horse.

An attempt was made sometime
during the night to steal the horse
of Mr. Geo. S. Willis, foreman of
this office, from the stable on his
premises on Princess street, between
Sixth and Seventh. Nothing was
known of it, however, until this
morning, when it was plainly seen
that a great scuffle had taken place
between the mare and her intending
abductor, and it was evident that
she had strenuously refused to al-
low herself to be taken from the
stable, although he succeeded in
getting the bridle on her. There is
no clue to the parties.

Young Men's Democratic Club.

There will be a meeting of the
Young Men's Democratic Club of
New Hanover County, at the Club
rooms in Linder's Hall, corner of
Orange and Front streets, this even-
ing at half-past eight o'clock. As
the committee on constitution and
by-laws will report at this meeting,
it is important that the full mem-
bership of the club be on hand to hear
what changes are made. The com-
mittee on constitution and by-laws
consists of H. Freeman, T. J.
Pickett and J. C. Morrison, Esqs.

The delegates appointed to attend
the State Association of Democratic
Clubs which will meet at Morehead,
August 28th, consists of Messrs. H.
McClammy, chairman, F. L. Meares,
Jas. Barr and A. S. Holden.

The Meteoric Zone.

The August nights from this date
to the 15th will be enlivened by the
display of meteors, which are sure
to descend through the atmosphere
in greater or less numbers. The
meteors, as is well known, come
from the great meteor zone whose
perihelion is on the earth's orbit
and whose aphelion extends beyond
the bounds of Neptune, the most
distant star in the solar system.
The earth, about the 10th, plunges
through the zone, the meteors are
set on fire by the concussion of the
earth's atmosphere and descend in
the form of shooting stars.

For The Tournament.

One week from to-day the Fire-
men's Tournament opens here. It
will continue through the 15th, 16th
and 17th, inst. The programme for
the entertainment and amusement
of the firemen is as follows:

Wednesday afternoon, August
15th, there will be a parade of all
the fire companies and apparatus.
The companies will form in line in
front of the City Hall, where the
visiting firemen will be publicly
welcomed. The new truck, ordered
for the Wilmington Hook and Lad-
der Company, No. 1, will be christ-
ened and turned over to that com-
pany, after which the parade will
be continued, and at the conclusion
of parade, the companies will dis-
band to be entertained by the home
fireman. At night there will be a
grand display of fireworks at Island
Beach Hotel.

Thursday-morning, August 16th,
the different companies will contest
for the prizes offered. In the after-
noon the Wilmington Fire Depart-
ment will give an excursion com-
plimentary to the visiting firemen
on the elegant side-wheel steamer
Sylvan Grove, to Carolina Beach, where
they will engage in surf bathing and
other pleasures. In the evening
upon the return of the steamer a
banquet will be given at the City
Hall, where the prizes will be award-
ed to the victorious companies.

Friday, August 17th, another ex-
cursion complimentary to the visit-
ing firemen will be given on the
Wilmington Seacoast Railroad to
Wrightsville Sound and the Hum-
mocks, where surf bathing, sailing,
etc., will be the order of the day.
The leading feature of this day will
be a yacht race by the Carolina
Yacht Club over their course at
Wrightsville Sound.

A CHILD KILLED.

Another child killed by the use
of opiates given in the form of Sooth-
ing syrup. Why mothers give their
children such deadly poison is sur-
prising when they can relieve the
child of its peculiar troubles by us-
ing Acker's Baby Soother. It con-
tains no Opium or Morphine. Sold
by Munds Bros., druggists.

DIED.

WOOD—In this city, at 11 o'clock Wednes-
day, the 8th inst., MARY ANN, wife of Robert
B. Wood, in the 74th year of her age.
