### CONSTIPATION.

It is called the "Father of Diseases," be-  
cause there is no medium through  
which disease so often attacks the system  
as by the absorption of poisonous gases in  
the retention of decayed and effete matter  
in the stomach and bowels. It is caused  
by a Torpid Liver, not enough bile being  
excreted from the blood to produce  
Nature's own cathartic, and is generally  
accompanied with such results as

Loss of Appetite,  
Sick Headache,  
Bad Breath, etc.

The treatment of Constipation does not  
consist merely in unloading the bowels.  
The medicine must not only act as a purga-  
tive, but be a tonic as well, and not produce  
after its use greater costiveness. To secure  
a regular habit of body without changing  
the diet or disorganizing the system

"My attention, after suffering with Constipa-  
tion for two or three years, was called to Simmons'  
Liver Regulator, and, having tried almost every-  
thing else, concluded to try it. I first took a  
single glassful and afterwards reduced the dose to a  
teaspoonful, as per directions, after each meal. I  
found that it had done me so much good that I  
continued it until I took two bottles. Since then I  
have not experienced any difficulty. I keep it in  
my house and would not be without it, but have  
no use for it, it having cured me."—Geo. W.  
2005, Asst. Clerk Superior Court, Bibb Co., Ga.

The liver and kidneys must be  
kept in good condition. Hood's  
Sarsaparilla is a great remedy for  
regulating these organs.

Fishing Tackle. A full assortment  
of all kinds for both salt and fresh  
water fishing at Jacobi's Hdq. De-  
pot.

Another lot of those celebrated  
Oil Stoves just received at Jacobi's  
Hdqw. Depot. It will pay you to use  
one.

Our readers have doubtless often  
noticed that Hood's Sarsaparilla is  
well spoken of in the newspapers.  
The press is quick to recognize mer-  
it, and does not hesitate to give  
praise where it is due. The follow-  
ing is from the Baptist Weekly, a  
leading religious paper:

"Advertising may bring an article  
prominently before the public, but  
no advertising can long help it if it  
has not real merit. Hood's Sarsa-  
parilla is well advertised, but the  
best proof of its value is that so  
many persons use it on the recom-  
mendations of friends who have  
proved its peculiar virtues."

Hands Wanted.  
Fifty experienced hands wanted  
on pants at once. None but experi-  
enced hands need apply.

Rock Crystal Spectacles and Eyeglasses  
Advice to old and young: In se-  
lecting spectacles you should be cau-  
tious not to take more magnifying  
power than has been lost to the eye  
as in the same proportion that you  
pass that point of increase, will cause  
you further injury to the eye. Using  
glasses of stronger power than is ne-  
cessary is the daily cause of prema-  
ture old age to the sight. You can get  
the best at Heinsberger's

GUARD AGAINST THE STRIKE.  
And always have a bottle of Acker's  
English Remedy in the house. You  
cannot tell how soon Croup may  
strike your little one, or a cold or  
cough may fasten itself upon you.  
One dose is a preventive and a few  
doses a positive cure. All Throat  
and Lung troubles yield to its treat-  
ment. A sample bottle is given you  
free and the Remedy guaranteed by  
Mund's Bros., druggists.

The Campaign Organ.  
The numerous newspapers of the  
State have put on their war paint  
and settled down to business. We  
may expect some lively music be-  
fore November. The best campaign  
Organ and one we can recommend  
is sold by J. L. Stone. Polite and  
attentive salesmen will take pleas-  
ure in showing instruments and giv-  
ing prices.

PLEASE NOTICE  
We will be glad to receive communication  
from our friends on any and all subject  
general interest, but  
The name of the writer must always be fur-  
nished to the Editor.  
Communications must be written only on  
one side of the paper.  
Personalities must be avoided.  
And it is especially and particularly under-  
stood that the Editor does not always endorse  
the views of correspondents unless so stated  
in the editorial columns.
