**Severe Cases of Blood Poison.**  
 Thousands suffer from blood poison, who  
 would be cured if they gave B. E. B. (Botanic  
 Balm) a trial. Send to the Blood Balm  
 Co., Atlanta, Ga., for book of wonderful cures,  
 that convince the most skeptical. It is sent  
 free.  
 J. O. Gibson, Meridian, Miss., writes: "For  
 number of years I suffered untold agonies  
 from blood poison. Several prominent physi-  
 cians did me little if any good. I began to use  
 B. E. B. with very little faith, but, to my utter  
 surprise, it has made me a well and hearty  
 person."  
 T. T. Hallerton, Macon, Ga., writes: "I con-  
 tracted blood poison. I first tried physicians,  
 and then went to Hot Springs. I returned  
 home a ruined man physically. Nothing seem-  
 ed to do me any good. My mother persuaded  
 me to try B. E. B. To my utter astonishment  
 very soon I was healed."  
 Benj. Morris, Atlanta, Ga., writes: "I suffered  
 years from syphilitic blood poison which  
 could not be cured by all treatment. Physi-  
 cians pronounced it a hopeless case. I had no  
 appetite, I had pains in hips and joints and  
 my kidneys were diseased. My throat was  
 irritated and my breast a mass of running  
 sores. In this condition I commenced a use of  
 B. E. B. It healed every ulcer and sore and  
 cured me completely within two months."

# THE DAILY REVIEW

VOL. XIII. WILMINGTON, N. C., FRIDAY, JANUARY 4, 1889. NO. 4.

The University of Michigan has  
 1,805 enrolled students. Harvard  
 College comes next with 1,790.

It is announced that Lord Cole-  
 ridge has collected \$35,000 for the  
 family of Matthew Arnold. This is  
 sweetness and light.

Dr. R. B. Haywood, one of the  
 most eminent physicians in the  
 State, died at his residence in Raleigh  
 on Wednesday night.

J. R. Bass, now in New York, is  
 known as the "ossified man." He  
 is 58 years of age, blind, and a living  
 skeleton, weighing about 70 pounds.  
 His limbs are so ossified that he is  
 perfectly helpless, and all his body  
 seems to be slowly turning to bone.

Georgia's leading lawyer appears  
 to be Capt. Henry Jackson. Three  
 fees that he recently received are  
 said to have aggregated \$75,000. He  
 has, it is reported, just declined an  
 offer of \$20,000 a year to go to New  
 York and become counsel for an in-  
 surance company.

Rear Admiral Luce will not be re-  
 tired from service on account of age  
 until March 25, 1889. Luce has a  
 fine war record. He was in command  
 of the monitor Nantucket during the  
 attacks on Forts Sumter and  
 Moultrie in 1863. He also did good  
 service on the Savannah when in  
 command of the Pontiac the following  
 year.

What is the use of wasting time  
 and breath over the tariff bill in the  
 Senate? It is a foregone conclusion  
 that the bill will be passed and that  
 no amendment offered by a Demo-  
 crat will be accepted. The bill will  
 probably go through the Senate by  
 a strict party vote and the Demo-  
 crats might just as well keep still  
 and let the abortion alone. It will  
 "die dead" in the House.

The New York Herald showed its  
 usual wonderful journalistic enter-  
 prise in reporting the eclipse. Its  
 correspondents were posted all along  
 the line of the sun's shadow and in  
 an hour's time the facts were col-  
 lated and in type. In fact, there  
 were two eclipses, but the Herald's  
 eclipse was the biggest. The moon  
 eclipsed the sun but the Herald  
 eclipsed not only the Sun but all of  
 the other big dailies.

The beauty craze has revolution-  
 ized society and Dr. Bull's Cough  
 Syrup has revolutionized the treat-  
 ment of cough, and colds.

 aparilla. Try it.

The steam tug *Alex. Jones*, which  
 has been undergoing some repairs,  
 appeared on the river again to-day  
 looking as spick and span as a bride  
 in her new dress. Capt. John W.  
 Harper is in command of her.

Silver-plated knives, forks, spoons,  
 and child's sets, carving knives and  
 forks. Make your friends happy by  
 making useful presents. A nice line  
 of the above is offered by the N.

**Indications.**  
 For North Carolina, rain and  
 warmer weather.

If you want a picture framed go  
 to Heinsberger's. He has a large  
 assortment of Mouldings to select  
 from.

We are glad to hear that Prof.  
 VanLear, who is quite sick, is now  
 better, although he has not yet been  
 able to leave his room.

The walls of St. Andrew's Church,  
 corner of Campbell and Fourth  
 streets, are completed and the work-  
 men are now on the roof.

So far as we know there will be  
 nothing at the Opera House next  
 week, unless the Wilmington Ana-  
 teurs shall conclude to give us "Pa-  
 tience."

**A Good Idea.**  
 On and after Tuesday next a  
 through sleeper for Raleigh will be  
 attached to the night train leaving  
 here for Charlotte on the C. C. R. R.  
 There will be no change of cars at  
 Hamlet, no waking up in the middle  
 of the night to change sleepers.  
 Passengers can go to sleep at Wil-  
 mington, as it were, and wake at  
 Raleigh. This new arrangement  
 will prove a great convenience to  
 the traveling public.

**Something Sorely Needed.**  
 What is needed in Wilmington at  
 this time, and sorely needed, is a fire  
 boat on the river. Every time a fire  
 occurs anywhere on the river front,  
 or on the river, this fact is borne  
 forcibly upon the minds of our peo-  
 ple. We have heard it asserted as  
 probable that the fire of February,  
 1886, might have been averted had  
 there been a fire boat on the river,  
 ready for just such an emergency.  
 Certain it is that such a boat would  
 have been of great assistance at that  
 time and if she could not have  
 checked the fire in its incipency  
 (which is not unlikely) would have  
 rendered a great help in checking  
 its spread. Had a boat like the  
*Marie* been prepared at that time to  
 grapple with the fire, she could have  
 done then what the firemen could  
 not do; she could have approached  
 the fire from the rear—the river—  
 and fought it all of the way up to  
 the railway depots. The wind, it  
 will be remembered, was on that oc-  
 casion from the Southwest, and  
 blowing almost half a gale, and it  
 was impossible for the firemen to  
 fight in the front of the flames. We  
 should think that for a reasonable  
 sum an agreement could be made  
 with Capt. Williams, of the *Marie*,  
 and the owner of the boat, whereby  
 she could be supplied with hose and  
 kept ready to move, at any time,  
 whenever her services might be  
 needed in an emergency.

**Distressing News.**  
 News was received here last even-  
 ing of a fearful and distressing ac-  
 cident which occurred at Clinton  
 yesterday forenoon, whereby four  
 lives were lost. The Clinton *Cau-  
 casian* furnishes us with the follow-  
 ing report:  
 At 10:30 o'clock this morning, the  
 boiler of Col. John Ashford's Hoop  
 Factory, on Fayetteville street, ex-  
 ploded with fearful and fatal results.  
 The explosion was terrific, shaking  
 every building in town. In a few  
 seconds hundreds of people had  
 gathered at the scene of the wreck.  
 The debris was hastily removed by  
 excited and tremulous hands.  
 The bodies of Col. Ashford, his  
 two sons—James and Pender—and  
 Lofton Pugh, colored, were found  
 in a mangled condition. Life was  
 extinct when James Ashford and  
 the negro were found. Col. Ashford  
 and his son Pender are in a very  
 critical condition, though receiving  
 all the attention that medical skill  
 and fine nursing can afford.  
 Mr. H. H. Britf, who was working  
 upon his residence at some dis-  
 tance, was badly scalded and other-  
 wise injured. It is one of the sad-  
 dest afflictions that has ever befallen  
 Clinton, and our sympathy, mingled  
 with the deepest pain and sorrow,  
 goes out to the bereaved relatives.  
 LATER.—Pender Ashford is dying,  
 and there is very little hope for  
 Col. Ashford. His sufferings are  
 most agonizing.  
 A special from Clinton in this  
 morning's *Star* reports the death of  
 Col. Ashford, as well as his son, Pen-  
 der Ashford.  
 It was a most distressing accident  
 and has plunged the whole town of  
 Clinton in grief. Col. Ashford was  
 well known here, where he was  
 highly esteemed as an honorable,  
 upright man and an enterprising,  
 public spirited citizen, and many ex-  
 pressions of sympathy have been  
 heard.

**City Court.**  
 Acting Mayor Fishblate disposed  
 of the following cases this morning:  
 Addie Davis, disorderly conduct,  
 judgment suspended.  
 Jno. Roan, disorderly conduct,  
 \$10 or 20 days.  
 George Burnett, disorderly con-  
 duct, 10 days in a close cell.  
 Jonah Blocker, hogs running at  
 large, \$10 or 20 days.

**Democratic Club.**  
 The first annual meeting of the  
 United Democratic Club was held on  
 Wednesday night last in Brooklyn  
 Hall. The following officers were  
 elected for the ensuing year, viz:  
 President—W. P. Oldham.  
 Vice Presidents—S. H. Terry, H.  
 McL Green, S. H. Fishblate, J. W.  
 Millis.  
 Secretary—N. Jenkins.  
 Treasurer—Wm. McEvans.

**An Interesting Event.**  
 Stonewall Lodge No. 1 and Ger-  
 mania Lodge No. 4, Knights of  
 Pythias, will install their officers on  
 Thursday night next, January 10th.  
 The exercises will be in public and  
 will take place in the Opera House,  
 Supreme Chancellor Ward, of New  
 Jersey, will arrive here on Wednes-  
 day next and will be met at the de-  
 pot by committees from both lodges.  
 He will be the guest of Mr. Thos. D.  
 Meares. While here he will be  
 shown all of the courtesies possible.  
 On Thursday a special train will be  
 chartered on the Seacoast R. R. and  
 he will be taken down to Wrights-  
 ville and the Hummocks, escorted  
 by a large party of Knights and  
 ladies. He will be present at the in-  
 stallation ceremonies at the Opera  
 House and will take part therein.

**Something About Our Doctors.**  
 It is still "distressingly healthy"  
 here. The physicians have not near  
 as much to do as they had last  
 Winter and Spring. Still, they are  
 not complaining. They are a funny  
 profession anyway and there is more  
 real philanthropy among them than  
 is generally thought. The more  
 sick there are the more will they  
 thrive and prosper and yet they not  
 only warmly endorse every measure  
 of sanitary reform but these very  
 reforms originate with them. They  
 not only fight disease in the sick  
 chamber but they fight it on the  
 highway. With them indeed an  
 ounce of preventive is worth a ton  
 of cure, notwithstanding the fact  
 that it is the cure and not the pre-  
 ventive which pays them their fees.  
 The sanitary measures adopted here  
 last Summer, the good effects of  
 which are visible in the mortality re-  
 turns is due, literally, to their per-  
 sistent insistence.

**Wilmington Light Infantry.**  
 At a meeting of the Wilmington  
 Light Infantry, held last evening,  
 several changes were announced in  
 the non-commissioned officers of the  
 company. Mr. M. S. Willard hav-  
 ing resigned the position of Adju-  
 tant of the Second Regiment, and  
 Mr. H. H. Mellhenny having been  
 appointed to that position, Second  
 Sergeant Dval French was named  
 as Orderly, to fill the vacancy caused  
 by Mr. Mellhenny's appointment;  
 Sergeants Thomas Gause, D. T.  
 Cronly and R. L. Holmes were each  
 promoted one grade and Mr. J. J.  
 Smith, First Corporal, was chosen  
 as Fifth Sergeant. The Corporals  
 in turn were advanced, Mr. Walker  
 Taylor becoming First, Mr. George  
 Huggins Second, and Mr. C. H.  
 White Third. The list was com-  
 pleted by appointing Mr. W. P.  
 Toomer Fourth Corporal.

**For the Inauguration.**  
 Reduced rates for the inaugura-  
 tion of Governor Fowle, on the 17th  
 inst., are announced on the C. C. R.  
 R. for civilians and for the military  
 in uniform, as follows: From Wil-  
 mington, \$5.75 for civilians and \$3.20  
 for military; Maxton, \$5.15 for civil-  
 ians and \$2.90 for military; Char-  
 lotte, \$6.65 for civilians and \$3.80  
 for military; Lincolnton, \$7.00  
 for civilians and \$4.00 for mili-  
 tary; Shelby, \$8.05 for civil-  
 ians and \$4.60 for military; Ruther-  
 fordton, \$9.10 for civilians and \$5.20  
 for military. Tickets will be sold  
 January 15th to 17th inclusive, good  
 to return until January 21st, inclu-  
 sive. Reduced rates for the annual  
 meeting of the Grand Lodge of Ma-  
 sons, to be held in Raleigh on Tues-  
 day next, are also announced, but  
 these were published in the REVIEW  
 a week or more ago.

**Rock Crystal Spectacles and Eyeglasses.**  
 Advice to old and young: In se-  
 lecting spectacles you should be cau-  
 tious not to take more magnifying  
 power than has been lost to the eye  
 as in the same proportion that you  
 pass that point of increase, will cause  
 you further injury to the eye. Using  
 glasses of stronger power than is ne-  
 cessary is the daily cause of *prema-  
 ture old age to the sight.* You can get  
 the best at Heinsberger's.
