Severe Cases of Blood Poison.
Thousands suffer from blood poison, who would be cured if they gave B. E. B., (Botanic Blood Balm) a trial. Send to the Blood Balm Co., Atlanta, Ga., for book of wonderful cures, that convince the most skeptical. It is sent free.
J. O. Gibson, Meridian, Miss., writes: "For a number of years I suffered untold agonies from blood poison. Several prominent physicians did me little if any good. I began to use B. E. B. with very little faith, but, to my utter surprise, it has made me a well and hearty person."
J. C. Hallerton, Macon, Ga., writes: "I contracted blood poison. I first tried physicians, and then went to Hot Springs. I returned home a ruined man physically. Nothing seemed to do me any good. My mother persuaded me to try B. E. B. To my utter astonishment every ulcer quickly healed."
Benj. Morris, Atlanta, Ga., writes: "I suffered years from syphilitic blood poison which refused to be cured by all treatment. Physicians pronounced it a hopeless case. I had no appetite, I had pains in hips and joints and my kidneys were diseased. My throat was ulcerated and my breast a mass of running sores. In this condition I commenced a use of B. E. B. It healed every ulcer and sore and cured me completely within two months."

Indications.
For North Carolina, fair and colder weather.

Dressed chickens were selling here to-day at 75 cents a pair.

The promise of cold weather has been fulfilled, but the storm has kindly passed us by.

All kinds of School Books and School Supplies can be bought cheapest at Heinsberger's.

The N. Jacobi Hdw. Co. still lead in the sale of the best and cheapest heating and cooking stoves.

Portable fire-place grates. Just the thing for our climate. Are sold by the N. Jacobi Hdw. Co.

The most remarkable cures of scrofula on record have been accomplished by Hood's Sarsaparilla. Try it. Sold by all druggists.

If you want a picture framed go to Heinsberger's. He has a large assortment of Mouldings to select from.

This is, with many, the regular monthly settling day and a good deal of money changed hands this forenoon.

We have knives for your boys and scissors for your girls. What will please them more for presents? N. Jacobi Hardware Co.

Nor barque *Hans Tode*, Josephsen, cleared to-day for Glasgow, Scotland, with 1,378 casks spirits, valued at \$31,371, shipped by Messrs. Paterston, Downing & Co.

The Wilmington Light Infantry were out yesterday afternoon for parade and inspection under command of Capt. John H. Daniel. They were inspected by Col. W. C. Jones, of the Second Regiment N. C. S. G.

Capt. Webster will lecture on Temperance and Reclibitism at Temperance Hall, at 8 o'clock tomorrow night. There is no charge for admission and the public are cordially invited to attend.

The literature on dress during the last 10 years would form an imposing collection. Equally curious and imposing also would be the collection of all the empty bottles used in the last ten years for Dr. Bull's Cough Syrup.

Silver-plated knives, forks, spoons, and child's sets, carving knives and forks. Make your friends happy by making useful presents. A nice line of the above is offered by the N. Jacobi Hdw. Co.

Mr. L. H. Vollers has removed from Point Caswell to this city, and has opened a family grocery at the corner of Orange and Seventh streets, where he will be happy to serve his friends and the public. See ad. in this issue.

The cautionary signal was ordered down here last night at 9:30 o'clock. At that time the storm was central over Lake Huron and was moving Eastward. The signal was ordered down at Charleston also, and at the same time.

Masquerade Ball Ahead.
The Germania Cornet Band will give a grand masquerade ball in this city the latter part of this month or the first of next month. This was determined on at a meeting held on Wednesday night. The exact date and the place are yet to be fixed upon, but will be announced later. The committee are Messrs. J. H. Rehder, E. Schulken, J. C. Boesch, J. H. Dingelhof and J. H. Kuck.

King Winter's Court.
As stated by us yesterday, the charming little operetta of King Winter's Court will be reproduced at the St. John's School Room, on Third street, next North of the church, to-morrow night. The entertainment gave great satisfaction when it was presented during Christmas week and the probability is that the school room will be filled on this occasion. The admission is only 25 cents.

Grand Master Robinson Canceled.

A special to the DAILY REVIEW, from Mr. James W. Monroe, of this city, now in Raleigh in attendance on the meeting of the Grand Lodge, tells us that Mr. Charles H. Robinson, the retiring Grand Master, was presented to-day with a handsome gold-headed cane by the members of the Grand Lodge. The presentation address was made by Hon. A. M. Waddell in his usual pleasant manner and was happily responded to by Mr. Robinson. Mr. Monroe says that the Wilmington delegation will be home to-night.

Complimentary and True.

Capt. B. H. Webster, High Chief Ruler of the Rechabites, during his visit to our office a few days ago, commented very handsomely upon the general good order and sobriety of our people. He remarked that he found very little drunkenness here, having seen not more than one or two intoxicated persons, either among the white or colored population. He thought that ours was the most orderly and well conducted community he had found anywhere in his travels. This is a high compliment to our people, but it is one which is not by any means undeserved. A gentleman who has dealt in intoxicating liquors for years past told us some weeks ago that in his opinion the consumption of whiskey had fallen off four-fifths in ten years. As the consumption of whiskey has decreased, however, that of beer has increased. For five years past the sales of beer have averaged an increase of 25 per cent. each year over the previous year. This is a fact, gathered from the records of the sales here during that period, and it shows that beer is rapidly taking the place of spirituous liquors as a beverage and a stimulant. Now, though beer is really an intoxicant, yet the old toper can hardly hold enough of it down to make him drunk and as a consequence, while he may be pretty full of beer he can yet keep his legs. It is in this way that we account, to a certain extent, at all events, for the undemable fact that the people of Wilmington are as steady and orderly a community as can be found in the entire country. But we do not deny that Mayor Fowler's "\$20 or 30 days" has had a very good effect on the unruly portions of the community.

The Public Schools.

At the annual meeting of the Board of Education held yesterday afternoon, the Treasurer's annual report was submitted and approved, for the fiscal year ending Nov. 30, 1888; showing receipts from all sources amounting to \$23,487.87, and disbursements—for the white race \$7,870.35; colored race, \$6,646.98; other expenditures \$1,263.11; balance on hand, \$8,708.43.

The report of the Superintendent of Public Instruction, Walker Meares, Esq., showed a total number of pupils enrolled in the public schools—whites 972; colored 1,653. Average attendance—633 whites, 820 colored. The number of children of school age in the county is: Whites—males 1,261, females 1,404—total 2,665; colored—males 2,130, females 2,252—total 4,382. School houses—white 13; colored 14; value, \$37,000. Number of teachers, white—males, 8; females 29; colored—males, 22; females, 16. Total, 75. In submitting his annual report the Superintendent says: "Another year's experience strengthens the opinion heretofore expressed, that the studies pursued under our system of public schools should be confined to the rudiments. I am fully persuaded that a thorough grounding in reading, writing, arithmetic and geography, will accomplish more for the common good than attempting advanced studies, which, under the most favorable circumstances, can be in the reach of but few. It is impossible to keep the boys at our schools for a longer time than is necessary to acquire a thorough grounding in these rudiments. The temptation to earn a few dollars per month is too strong to be resisted, especially when the boy finds out that by doing this he gets beyond the control of his parents. If there be exceptions in our schools, such pupils will, through ambition, in time find their way to the many academies and colleges in which our State abounds. He should keep steadily in view that the State public school is for the benefit of the many, not the few. The teachers selected should be well educated, dignified, of at least good personal appearance, and well qualified to readily and quickly impart what they know. I am of the opinion that in this direction there has been great progress in New Hanover."

Joint Meeting and Installation.

The joint meeting of Stonewall Lodge No. 1 and Germania Lodge No. 4, Knights of Pythias, held last night at Castle Hall, was largely attended by the members of the order. It was held for the purpose of formally welcoming to the city Gen. William Ward, of New Jersey, Supreme Chancellor of the order. He was given a very hearty greeting.

The Supreme Chancellor made a short address, which was followed by speeches from Grand Vice Chancellor Lambreth, Grand Chancellor T. D. Meares and Supreme Representative Bonitz. After this the doors to the banquet rooms adjoining the lodge were thrown open, where a collation was spread, with a most tempting display of everything that could please the palate.

Everything passed off most pleasantly, and all who were present enjoyed the occasion to the fullest extent.

A very pleasing incident of the occasion was the presentation of a beautiful dressed cake to the Supreme Chancellor. The presentation was made by Mr. J. W. King, most appropriately, and received by the Chancellor most feelingly.

A special train was chartered by the lodge on the Seacoast R. R. and to-day Gen. Ward was taken for a ride down to the coast, accompanied by a large delegation of members from the two lodges. The train left here at 10:30 and returned this afternoon. Wrightsville and the Hummocks were both visited and the distinguished guest was given an opportunity of sampling some of the famous Myrtle Grove oysters.

To-night the officers of both lodges will be installed in public at the Opera House, on which occasion the public are invited to attend. We republish here the programme, as it appeared in yesterday's issue of the REVIEW:

1. Call to order, by Mr. E. Kuhlblank, Chancellor Commander of Germania Lodge.
2. Music.
3. Entrance of Grand officers.
4. Prayer, by Rev. W. S. Creasy, Prelate-elect of Stonewall Lodge.
