JOSH. T. JAMES, Editor & Prop'r. WILMINGTON, N. C.

SATURDAY, JAN. 19, 1889. Entered at the Postoffice at Wilmington, N.C., as second-class matter.

Several Republican clubs have been organized in New York city since the election...

Lord Sackville gives the following account of his removal from the position of minister to Washington...

The number of nominations sent to the Senate by President Cleveland since the opening of the present session of Congress is now more than 325...

A Sound Legal Opinion. E. Bainbridge Mandav, Esq., County Atty., Cay county, Tex. says: "I have used Electric Bitters with most happy results..."

TERRIBLE FOREWARNINGS. Cough in the morning, hurried or difficult breathing, raising of phlegm, tightness in the chest...

Rheumatism. Is undoubtedly caused by lactic acid in the blood. This acid attacks the fibrous tissues and causes the pains and aches in the back, shoulders, knees, ankles, hips and wrists...

JANUARY JOKES.

In these days of reform it is strange that nobody has suggested that jurors should furnish their own food. Certainly a panel should be able to supply its own board.

At a standstill—Miss Victoria Tilbury (who has harnessed her cob herself)—It's very strange, Miriam; but I think I must have tied the traces to the wrong part of the wheel.

The health journal and the doctors all agree that the best and most wholesome part of the ordinary doughnut is the hole. The larger the hole, they say, the better the doughnut.

The remains of a Dakota desperado who died a few years ago were exhumed last week by relatives from the East, and found to have turned to stone. It was then remembered that for several months before his decease he had complained of feeling rocky.

"Who is your family physician, Freddy?" asked Mrs. Hendricks of the Brown boy. "We ain't got none," said the boy. "Pa's a homeopath, ma's a allopath, sister Jane's a Christian Scientist, grandma and grandpa buy all the quack medicines going. Uncle James believes in massage, and brother Bill is a horse doctor."

Consumption Surely Cured.

To THE EDITOR—Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to any of your readers who have consumption if they will send me their express and post office address. Respectfully, T. A. SLOCUM, M.C., 181 Pearl St., New York.

House dresses for afternoon wear are now made just long enough to touch the floor.

Advice to Mothers. MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as button."

Be Sure. If you have made up your mind to buy Hood's Sarsaparilla do not be induced to take any other. Hood's Sarsaparilla is a peculiar medicine, possessing, by virtue of its peculiar combination, proportion, and preparation, curative power superior to any other article.

To Get. In one store where I went to buy Hood's Sarsaparilla the clerk tried to induce me to buy their own instead of Hood's; he told me their's would last longer; that I might take it on ten days' trial; that if I did not like it I need not pay anything, etc.

Hood's. When I began taking Hood's Sarsaparilla I was feeling real miserable, suffering a great deal with dyspepsia, and so weak that at times I could hardly stand. I looked, and had for some time, like a person in consumption. Hood's Sarsaparilla did me so much good that I wonder at myself sometimes, and my friends frequently speak of it.

Sarsaparilla. Sold by all druggists, \$1; six for \$5. Prepared only by C. L. HOOD & CO., Apothecaries, Lowell, Mass.

100 Doses One Dollar. Sold by all druggists, \$1; six for \$5. Prepared only by C. L. HOOD & CO., Apothecaries, Lowell, Mass.

Richly Rewarded. Those who read this and then act; they will find honorable employment that will not take them from their homes and families. The profits are large and sure for every industrious person...

Pea Coal, \$4 a Ton. THIS IS A NEW SIZE OF COAL—ABOUT 1 1/2 as large as Peanuts—and for certain kinds of stoves having strong drafts it is a very cheap fuel. Remember.

25th Annual Session. THE TWENTY-FIFTH ANNUAL SESSION of Misses Burr & James Schott will commence on Thursday, Oct. 25th, at St. John's Chapel, on Third, between St. Cross and Campbell streets, where it has been held for the past two years. The street cars building on Red Cross, a few yards from the building, can cover any objection to distance. A well ventilated schoolroom, pleasant playground, good eastern water and refined surroundings make it more desirable than more central localities available.

The Principals, as heretofore, will spare no effort for the advancement of the pupils individually entrusted to their care, giving particular attention to each, and ruling with firm but loving discipline.

Their many graduates, some of them now occupying the position of teachers in their respective schools, as well as in the various colleges, scholars received only for the session of no deduction being made except in cases of protracted sickness. Those entering in October charged only for books, charts, maps, etc., quickly procured. Address MUNN & CO., Patent Solicitors, N. Y. GENERAL OFFICE: 321 Broadway, N. Y.
