HARPER'S BAZAR Will continue to maintain ts reputation as an unequalled family journal. Its art illustrations are of the highest order, its Iterature is of the choicest kind, and its Fashion and Household departments of the most practical and economical character. Its pattern-sheet supplements and fashion plates of the subscription, and its articles on decorative art, social etiquette, house-keeping, cook ery, etc., make it indispensable to every household. Its bright short stories and timely essays are among the best published; and not a line is admitted to its columns that could oftend the most fastidious taste. Among the atractions of the new volume will be serial stories by Mrs. Frances Hodgson Burnett, Mrs. Alexander, William Black and Thomas Hardy, and a series of papers on nursery management by Mrs. Christine Terhune Herrick.

Next to getting married, probably the most important duty the ordinary man has to perform in a life time is to run for a bottle of Dr. Bull's Cough Syrup when the baby

has the croup. Even More Impressive. "How long have you had that clock, Jenkins?" asked one of the

regulars at the grocery store. "About twenty five years." "By George, a clock is a wonderful piece of mechanism, isn't it. It almost takes my breath away when I stop to think of its tireless ticktick-tick, running on year in and year out."

"The tireless tick-tick-tick that on've been running here ever since this store opened."—Mer Trav.

A NARROW ESCAPE.

Co!. W. K. Nelson, of Brooklyn, came home one evening feeling a peculiar tightness in the chest. Before retiring he tried to draw a long breath but found it impossible. He suffered four days from pneumonia and the doctors gave him up. Dr. Acker's English Remedy for Consumption saved him and he is well to day. Munds Bros., druggists

It Smelt of Whiskers.

There is a typical man-hating old maid in a Boston boarding house, who has seen fully fifty severe Boston winters, but never a mellowing summer. The other day she noticed that all the napkins of the boarders were put away together, and calling the landlord, she thus addressed

"Mr. Windpudding, I must really ask you to put my napkin by itself in the sideboard, when I am through with my breakfast. I don't want it to lie on the table with the others, because then it smells of whiskers. -N. Y. Tribune.

Advice to Mothers.

MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the enild from pain, and the little cher-ub awakes as "bright as button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhœa, whether arising from teething or other causes. Twenty five cents a bottle.

Merit Wins.

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. Wm. H. Green & Co., Druggists.
