Consumption Curable. Since the fact that consumption is stage curable, it has lost much of its terror. If the first symptoms are at once recognized, and the proper remedy applied, very few, if any is really lung-scrofula. Like many other diseases this formidable one grows out of impure blood, and this, in turn, from a diseased liver. Hence we have the hacking cough, the pains in chest, the inflamed lungs and all the symptoms of hastening consumption, all the result of de praved blood and a diseased liver. The use of Dr. Pierce's Golden Medical Discovery will arrest all such symptoms, restore the liver to healthy action, and send streams of pure blood into every organ. Of druggists.
