**AN ACT**  
To Enable the City of Wilmington to Encourage Manufacturing in that City. The General Assembly of North Carolina do enact:

**SEC. 1.** That the Board of Aldermen of the city of Wilmington are hereby directed, authorized and empowered to submit to the qualified voters of the said city, at the next regular election to be held for Aldermen of the said city, in March, 1889, the question of the subscription by the said city of Wilmington of the sum of one hundred and fifty thousand dollars, to be given as an encouragement to new manufacturing enterprises which may be established within the limits of the said city, or enlargements of plants already existing, after the said election shall be held, in such manner, and under such regulations as are hereinafter prescribed.

**SEC. 2.** That the said Board of Aldermen shall hold the said election under the same regulations as are now provided by law for the said city elections, and shall provide a separate ballot box for the reception of the ballots to be cast for or against said subscription. That the same poll holders and judges of election appointed for the said city election for Aldermen shall also act as such for the said election for subscription, at which said election all the qualified voters of the said city are entitled to vote; those favoring subscription on ballots printed or written "Subscription," those opposing said subscription on ballots printed or written "No Subscription."

**SEC. 3.** Said election shall be held after ten days notice, specifying the amount of subscription and the purposes for which the same is to be made, at the door of the Court House of the county of New Hanover, and in two newspapers published in the same city, and the returns of said election shall be made and the result declared and certified and all other formalities complied with as are required in the said election, for Aldermen.

**SEC. 4.** That if the result of the said election shall show that a majority of the qualified voters of the said city favor the said subscription, then and in that event, Donald Mac Rae, David G. Worth, William A. French, Oscar Pearsall, Luhr Volders, James H. Chadburn and Clayton Giles, and their successors appointed as hereinafter provided, shall be and constitute a Board of Trustees known as "Trustees of the Manufacturing Fund," and that the said Board of Trustees shall have control of the said subscription, made as aforesaid, under the rules and requirements hereinafter set forth.

**SEC. 5.** That said Trustees shall elect a Chairman and a Secretary from their number. As many as five of said number shall concur, and agree in all matters coming lawfully before them, before any action of the said board shall be legal and binding, and said Trustees shall receive no compensation.

**SEC. 6.** That the said Board of Trustees are hereby empowered and fully authorized, in their discretion, to grant to any person or persons, partnerships, corporation, or association of persons who shall erect, establish and maintain any manufacturing enterprise within the limits of the said city, a sum of money annually for a term not exceeding ten years, as an encouragement and inducement to erect, establish and maintain a new plant or increase an existing plant to an amount in no case to exceed the sum the said person or persons, partnership, corporation or association of persons shall be required to pay to the said new plant, or improvements which they have erected on any existing plant over and above the assessed value of the property on which they had erected, established, and maintained the said manufactory at the time of erecting or improving the same.

**SEC. 7.** That the said trustees as aforesaid shall cause their warrants to be issued for the said sum to the Treasurer of the city of Wilmington, who shall pay the same; and the said warrant, when paid, shall be a legal and proper voucher for such payment in the settlement of the account of said Treasurer with the proper city authorities.

**SEC. 8.** That the said warrants for such sums of money as said trustees shall give shall not be issued until a period of at least three months after the time for the payment of city taxes, and shall not be delivered to the person or corporation for whom drawn until after all the municipal taxes of said person or corporation shall have been fully paid; and any such warrant drawn as aforesaid shall in no wise exempt or be construed to exempt the said person or corporation receiving the same from the payment of any and all public taxes assessed against them.

**SEC. 9.** That all vacancies in the said Board of Trustees shall be filled by the remaining members of the Board, and the said Trustees shall hold office until the said appropriation of one hundred and fifty thousand dollars shall be exhausted.

**SEC. 10.** That the said Board of Trustees shall keep an accurate minute of all its proceedings, which shall always be open to the inspection of the public during office hours.

**SEC. 11.** That said Board shall have power to prescribe the time of its meetings, which shall be at least once a month.

**SEC. 12.** That all laws or clauses of laws in conflict with this act are hereby repealed. This act shall be in force from and after its ratification. Ratified the 11th day of March, A. D. 1889.

The business and workingmen's Saturday night prayer and experience meeting will be held at Dr. T. F. Wood's office this evening at 8 o'clock, instead of at the Seamen's Bethel, which is undergoing repairs.

Capt. H. B. Willis, Reporter of Carolina Lodge No. 434, Knights of Honor, yesterday turned over to the Trustees a check for \$2,000, in payment of the benefit on the life of the late Capt. George Sloan. The check was paid to Mrs. Sloan to day.

Official notice is given of the fact that the election to determine the question of subscribing \$150,000 by the city towards the encouragement of manufacturing enterprises here will take place at the same time and places as the municipal election, on the 28th inst.

The interments this week have been unusually numerous. They foot up 2 adults in Oakdale, 2 adults in Bellevue and 3 adults in Pine Forest. It is somewhat remarkable that there are no children in the list this week.

There will be services at the rooms of the Young Men's Christian Association to-morrow evening at half-past 5 o'clock. A cordial invitation to attend these meetings is extended to all gentlemen, and especially the young men, boys and strangers visiting the city.

The funeral service over the remains of the late Mr. George R. French will take place from the First Baptist Church at 11 o'clock to-morrow morning, instead of at 3 o'clock, as has been previously announced. The interment will be in Oakdale.

Gov. Fowle and party left Wilmington this morning, at 9 o'clock, on the return to Raleigh. His Excellency, we understand, has expressed himself in the highest degree gratified and delighted at the old Cape Fear welcome he received at the hands of the people of Wilmington.

Office American District Telegraph Co., Balto. Md. It is with great pleasure that I bear cheerful testimony to the value of Dr. Bull's Cough Syrup. Having used nearly every known Cough Syrup and Mixture in my family, I have found none that has given as much satisfaction as Dr. Bull's Cough Syrup.

"Pete" Baker, Late Baker & Farron, will appear at the Opera House on Monday, March 18th, with the richly dressed musical comedy entitled, "The Emigrant," reconstructed by himself and staffed with new and popular songs. Mr. Baker has engaged a large company to support him.

A special meeting of the Board of Aldermen was held yesterday afternoon. The Mayor, Aldermen King, Pearsall, McEachern, Price and Sampson were present.

The Mayor stated the purpose for which he had called a meeting of the Board—to consider the matter of calling an election on the question of making an appropriation of \$150,000 for the encouragement of manufacturing enterprises.

City Attorney Outlar prepared a resolution which, after some slight verbal amendments, suggested by Alderman Pearsall, was adopted, as follows:

Be it resolved, by the Board of Aldermen of the city of Wilmington, That in conformity to and in compliance with the requirements of an act of the General Assembly of North Carolina, entitled An act to enable the city of Wilmington to encourage manufacturing in that city, that an election be held in the city of Wilmington on the 28th day of March, 1889, at the same time and at the same places in the several wards of the city at which the regular election for Aldermen on that day takes place, for the purpose of ascertaining the will of the qualified voters of the city touching a subscription on the part of the city of the sum of \$150,000, to be given as an encouragement to new manufacturing enterprises which may be established within the limits of said city, or enlargement of plants already existing.

There being no further business the Board adjourned, after directing publication of a call for an election.

A young colored man by the name of John Nixon, a drayman, fell from his dray last Thursday and one of the wheels passed over his stomach. The dray was heavily loaded at the time and injuries resulted from which he died this morning.

Pete Baker and his company, who appear here on Monday night, have arrived in the city and are preparing to give our citizens a rare treat in the highly recommended comedy drama entitled "The Emigrant," which promises to be the laughing event of the season. Mr. Baker favored us with a visit this afternoon.

John Watson, white, rode up to the guard house to day in a cart. He was in the custody of four policemen, who had to hold him down in the cart. He had evidently been on a prolonged interview with John Barleycorn. He struck officer Howell, at the Fish Market, full in the mouth and without provocation, it is alleged, whereupon the officer floored him with his club and had him carted off to the City Hall. It will probably go hard with him, this time.

To day and to-morrow the Feast of Purim will be observed by the Jewish residents of this city, with services in the Temple of Israel on both days. There will be a children's ball on Wednesday afternoon, to be followed by a grand Purim Ball under the auspices of North State Lodge No. 232, I. O. B. B. The proceeds to be applied as a benefit for the Orphan Asylum at Atlanta. Messrs. Samuel Bear, Jr., Sol. C. Weill, B. Solomon and J. I. Macks form the committee of arrangements.

The reception tendered the Governor last night at the Cape Fear Club was a very brilliant affair. The attendance was very large, both of ladies and gentlemen, and the evening was an exceedingly pleasant one to all who were present.

His Excellency, and the ladies of his party, were aided in receiving by Mrs. W. A. Bryan, Mrs. E. S. Latimer, Mrs. Clayton Giles, Mrs. Joseph H. Watters, Mrs. J. Dickson Munds, Miss Mamie DeRosset and Miss Agnes Daniel. Col. E. S. Latimer, President of the Club, presented Mr. E. S. Martin, who briefly but handsomely welcomed the Governor to the hospitalities of the Club. The reception closed at 1 o'clock.

The funeral services over the remains of the late George R. French will take place to-morrow, at 11 o'clock, at the First Baptist Church, instead of at 3 o'clock as already announced. The interment will be at Oakdale. Friends and acquaintances are invited to attend.

**Racket, Racket!**

OUR BUYER LEFT FOR NEW YORK CITY Thursday, March 7th, at 5 o'clock a. m. He expects to reach New York Sunday morning. He will remain in New York two weeks in order to attend all the most important auctions and buy our goods cheap. Large quantities of goods will be coming in from 15th to March 30th. We expect to have the largest, cheapest and best assorted stock ever carried in this house.

Any one wishing to purchase Rugs, Window Shades, Floor Oil Cloth and Matting, will please hold their orders until the 15th of March, when we can show them the cheapest stock ever sold.

You who wish to purchase a New Hat or any kind of Millinery Goods must remember that our New York Milliner will be here to commence work on the 15th of March. She is a good Trimmer and has had several years' experience in the business and will be able to satisfy any order in Style, Quality and Price.

Some merchants say that the Racket Store sells shoddy and inferior goods, because their goods were bought at auction. We say it is not so. What is the cause of auction? And why should auction goods be inferior? There are various causes for auctions. Many merchants overstock themselves by buying too many goods, and when their creditors are going to press them they will sell for cash for whatever price they can get in order to save their credit. Many times the manufacturers are compelled to sell their stock at auction in order to meet their bills and there are many other reasons for first class goods being sold for less than it cost to manufacture them. We are always looking out for these chances to purchase and consequently we are always able to sell you your goods at far below the manufacturer's price. Don't fail to give us a call.
