Chattanooga, Tenn., June 27, 1888—Swift's Specific Co., Atlanta, Ga.—Gentlemen: In the early part of the present year, a bad case of blood poison appeared upon me. I began taking S. S. Doc. P. Howard,

Columbia, S. C., July 7, 1888—The Swift Specific Co., Atlanta, Ga.—Gentlemen: I was a great sufferer from muscular rheumatism for two years. I could get no permanent relief from any medicine prescribed by my physician. I took over a dozen bottles of your S. S. S., and now I am as well as I ever was in my life. I am sure your medicine cured me, and I would recommend it to any one suffering from any blood disease. Your Conductor C. & G. R. R.

WACO, TEXAS, May 9, 1888-Gentlemen : Ti wife of one of my customers was terrib afflicted with a loathsome skin disease, the afflicted with a loathsome skin disease, that covered her whole body. She was confined to her bed for several years by this affliction and could not help herself at all. She could not sleep from a violent itching and stinging of the skin. The disease baffled the skill of the physicians who treated it. Her husband began finally giving his wife Swift's Specific, and she commenced to improve almost immediately, and in a few weeks she was apparently well. She is now a hearty fine-looking lady, with no trace of the affliction left. Yours very truly, J. E. SEARS, Wholesale Druggist, Austin Avenue.
