Easter services in St. John's Church: Early Celebration, 7:30 a. m.; Morning Prayer and Holy Communion, 11 o'clock; Sunday School service (choral) 4:30 p. m.

Good Friday was more largely observed here yesterday than ever before. The banks and the Produce Exchange were closed and nothing was done on the wharf. Many of the up town business houses were also closed.

The programme of music at St. Paul's Episcopal Church for Easter Day will be as follows at the evening service: Anthem: "Christ, Our Passover," by Schilling; "Magnificat," in B flat, by Klein; "Nunc Dimittis," in F, by Klein; "Saviour Breathe an Evening Blessing," arranged from Raff.

Easter Sunday is always the first Sunday after the full moon which occurs on or after March 21, and if the full moon happens on a Sunday, Easter is the following Sunday. Hence Easter cannot come earlier than March 23d nor later than April 25th.

Chatham Record: At Wilmington the address will be delivered by Gen. W. R. Cox, and his subject will be "From Petersburg to Appomattox." He commanded a brigade on that memorable retreat, and will know whereof he speaks. We saw this brigade fire the last volley at Appomattox.

Indications.

For North Carolina, fair and warmer, followed on Sunday by cooler weather.

There will be lots of flowers for Easter this year but not as many as a week of sunshine would have produced.

Services in the Lutheran Church. English Communion 11 a. m. At 3:30 p. m. the Sunday School will have its Easter services in the church. At 7:45 p. m. German services will be held.

Mr. J. B. Farrar has secured the agency here for Kelley's Universal Sanitary Closet, which combines health, comfort, cleanliness and safety. He has a specimen at his store on Second street, where it may be seen.

A Pleasing Sense
Of health and strength renewed and of ease and comfort follows the use of Syrup of Figs, as it acts in harmony with nature to effectually cleanse the system when costive or bilious. For sale in 50c. and \$1.00 bottles by all leading druggists.

A Grand Rally.
There will be a "Grand Rally" at the Central Baptist Church to-morrow. Preaching at 11 a. m., at 3 p. m., and at 7:30 p. m. by different ministers. All are invited. The rally is for the benefit of the new church building and it is hoped that there will be large congregations.

St. Paul's Episcopal.
Services at St. Paul's Episcopal Church to-morrow at 11 a. m., 3:30 and 8 p. m. The music at all these services will be of unusual excellence. At each service the rector will deliver a sermon or an address appropriate to the day. At the night service an elaborate musical programme will be rendered by an accomplished quartette. The offerings at all services will be devoted to meeting the indebtedness upon the church.

The President and Maj. McClammy.
Bro. Boscover, of the Goldsboro *Headlight*, interviewed Mr. Cleveland the other day on the train, and publishes a report of the result. We have only room here for the following graph:

The Ex-President asked us who was the Congressman from this district. We told him Charles W. McClammy, Esq., when he replied:—"Oh, yes, I am well acquainted with the gentleman and consider him one of the ablest men in the House, for he rarely rises to mix in idle gossip. Is Senator Ransom at home?" We told him "yes," when he exclaimed:—"An excellent man! I doubly esteem North Carolina, because she has such excellent representatives in Washington."

What That Firing Was.
The *Oneida*, a handsome steam yacht of 30 tons, the property of Mr. Benedict, of New York, has been lying in the river for the past two days. About 2 o'clock this morning she fired off some pieces of ordnance which she has on board and the noise was such that people were awakened as far East as Ninth street. Considerable alarm was felt at first by many as it was felt sure that some boiler had exploded. It is probable that Mr. Benedict and his friends dined late and dined well and that they overlooked the inference that might be put upon the firing off of cannon at 2 o'clock in the morning.

St. Mark's Church—Easter.
Larger congregations have attended this church at its daily services during Lent than ever before during its existence. The church was filled at the Maunday Thursday and Good Friday services. To-morrow, the services will be very elaborate in their character. The musical portions will be under the charge of W. H. Norwood and his wife, conducted by the organ and organ. The music will be Easter music arranged by the Rev. Chas. H. Hutchins, of Massachusetts. The hours of services will be at 11 o'clock in the morning, and 3:30 p. m. and 8 in the evening. Seats will be provided for all, an extra number having been secured, and everybody will be cordially welcomed.

Mr. W. H. Strauss, the Superintendent, has had printed a very handsome programme of the Sunday School celebration at St. Paul's E. L. Church to-morrow afternoon.

Lectures on Pilgrim's Progress.
Next Monday, Tuesday and Wednesday afternoons, at 3:30 o'clock, Rev. F. W. E. Peschau will lecture on "Pilgrim's Progress; or, The Christian's Race," in St. Paul's Lutheran Church.

The *Advertiser* is the name of a neat little weekly paper issued here for free distribution, the first number of which was published yesterday, by Messrs. King and Hewett. We wish it success.

There will be an Easter egg hunt in the grounds attached to St. John's Church, on next Tuesday afternoon, at 4 o'clock. Admission only 10 cents, with the privilege of retaining all of the eggs found.

Death of Mr. Thompson.
We regret to learn of the death of Mr. John W. Thompson, formerly Secretary and Treasurer of the W. & W. R. R. and the W. C. & A. R. R. which occurred at his home yesterday in Goldsboro. Mr. Thompson had long been a sufferer from rheumatism and was compelled because of it to relinquish the position which he had filled for nearly twenty years. The interment will take place this afternoon at 4 o'clock in Goldsboro. A special train left here at 1:40 to-day, carrying such of the officers and employes of the road as desired to attend the funeral.

Will Make Things Hum.
They will make things hum at Carolina Beach this Summer. The season will open about the first of May. A number of handsome and commodious cottages have been erected and the hotel has been improved and enlarged by the addition of twenty rooms. Capt. B. L. Perry, well known to the traveling public as proprietor of the Purell House here for many years, will have charge of the hotel. A steamer will leave the beach in the evening after supper, and another steamer will remain there all night, leaving after breakfast, and arrive in the city at 9 o'clock in the morning. A line of hacks will be established between Carolina Beach and Fort Fisher, a distance of five miles, giving ample opportunity to every one who desires to fish at the "Rocks."

Good Friday in the Lutheran Church.
An unusually large congregation met in the German services yesterday morning, in St. Paul's Evangelical Lutheran Church. The church had been very neatly and tastefully decorated by the ladies for the day, using the handsome moss with which our woods abound. An unusually large number of persons partook of the Holy Communion. Two more members were added to the church.

In the English services at 8 p. m., the church was not only full, but crowded, even the galleries being full from end to end. The music on the occasion, as was also the music of the morning service, was of a very superior character, solemn, earnest and appropriate and full of sweetest harmonies. Mr. J. H. Rehder, before the beginning of the Divine services played an exquisitely fine solemn solo, on the cornet, and during the services the choir rendered an anthem.

One member was received from another church, and one adult confirmed. The catechetical class of seven was then received into the full communion of the church by the holy rite of confirmation, which is ever an impressive service.

During this week 19 persons have been added to the communicant membership of the church, and this number, with those received in the past year beginning with last Easter, by baptism, confirmation and from other churches, reaches the number of 65.

At the services (to-morrow) Easter, at 11 a. m., English services will be held, during which the Holy Communion will be administered. At 3:30 p. m. the Sunday School will hold its Easter service in the church. In this there will be not only most excellent music, but also an address by Mr. E. H. Aull, of the *Lutheran Visitor*, of Newberry, S. C. At 7:45 p. m. there will be German services. All are welcome at these services.

Battery on the Bluff.
Maj. Arnold and Sergeant Stokes, U. S. Artillery, who arrived here on Thursday night, went down to Wrightsville yesterday, in company with Col. W. C. Jones, Capt. John H. Daniel, Mr. W. N. Harris and Mr. W. A. Bryan, and located the battery which is to be erected by the Government there. It will be placed on the bluff at Summer's Rest, just North of the new Encampment grounds and facing the Sound!

Work will be commenced on the battery about the 20th of May, and will be prosecuted with vigor until it is finished. The armament will consist of two 10-inch Rodman guns en barbette, front pintle carriages, and four 10-inch seacoast mortars, making in all six guns.

The battery will be so arranged that the two 10 inch guns will be on the right flank and adjoining them will be the magazine and loading room, and to the right of the magazine will be the mortars on wooden platforms. It is proposed that the magazine shall consist of four rooms—one for the powder house, one for the loading room and the other two for the guns and mortars. The battery will be about 256 feet long, 6 feet high and 27 feet wide, so there will be ample room. The two guns will throw about one mile and a half, and the mortars about one mile.

Will Your Read this for \$500?
For many years the manufacturers of Dr. Sage's Catarrh Remedy, who are abundantly responsible financially, as any one can easily ascertain by enquiry, have offered, in good faith, a standing reward of \$500 for a case of nasal catarrh, no matter how bad or of how low standing, which they cannot cure. The Remedy is sold by druggists at 50 cents.
