The court fines for the month of April amounted to \$153 and the pound fees to \$16.50.

The number of arrests made by the Police during the month of April was 150.

We did not see a drunken man anywhere yesterday. This is a remarkable fact for a big holiday.

Capt. F. M. James reports 10 interments in Oak Grove cemetery during the month of April. Of these 4 were whites and 8 were blacks.

That tired feeling and loss of appetite are entirely overcome by Hood's Sarsaparilla, the peculiar medicine. Try it and see.

About \$100 was realized at the entertainment given in the City Hall last night for the benefit of the Brooklyn Baptist Church.

Indications.  
For North Carolina threatening weather and rain and slightly colder.

Entitled to the Best.  
All are entitled to the best that their money will buy, so every family should have, at once, a bottle of the best family remedy, Syrup of Figs, to cleanse the system when constipated or bilious. For sale in 50c and \$1.00 bottles by all leading druggists.

Another Confederate Lot.  
We understand that the Ladies' Memorial Association have purchased a large plot of ground in Oakdale Cemetery to which will be transferred the remains of the Confederate dead which now rest in the public part of the cemetery. It is their intention to enclose the place and probably to erect a monument on the ground. The plot is located near the gates.

To Go to New River.  
Capt. John W. Harper, owner of the steam yacht *Louise*, heretofore plying between this city and Southport, has sold her to the Onslow Lumber Company, the parties who are to build the W. O. & E. C. R. R. The purchase money has passed and we understand that the boat is to be taken to New River where she will be put to work, probably in connection with the railroad. She is a staunch, trim little craft and has been on the Cape Fear so long that we hate to see her leave us.

The Passport to Return.  
The *Passport* will return to Wilmington and join the Cape Fear fleet again this summer. This will be pleasant news to many. Some how this gallant little craft has gained a warm place in the affections of the people of this city and section. Capt. Jno. W. Harper will leave here to-night for New York, with a select crew, to bring her out, expecting to return here with her about the 8th or 10th. She will be put on the route this summer between this city, Carolina Beach, the Rocks and Southport. It is calculated that she will make two round trips each day, lying at Southport at night. This means at least four trips a day to Carolina Beach.

Still in the Field.  
The Wilmington Shirt Factory, No. 123 Market st., has now on hand a full line of gent's heavy jean drawers, the very thing for the season, at 50 cents a pair, worth 75 cents.  
J. ELSBACH, Prop'r.

We gain this month 47 minutes of daylight.

This month has five Wednesdays, five Thursdays and five Fridays.

Strawberries are a little cheaper. They sold for 25 cents a quart this morning.

Swedish barque *Axel Wasfeldt*, Lefvengren, sailed on the 26th from Santos for this port.

Some of the fishermen who went out yesterday had rare good luck—and some hadn't. The rice fields and creeks were full of them. Two of our young friends brought home a string more than a yard long, which was so heavy that it took both of them to tote it.

At the City Hall Last Night.  
The patriotic entertainment given at the City Hall last night for the benefit of the Brooklyn Baptist Church was largely attended. It was also very successful and very pleasant. Thirteen beautiful young ladies represented the original States, with flags and in appropriate costumes. The hall was beautifully decorated with the national colors. There were interesting recitations and a flag drill, and refreshments were served at the conclusion of the exercises.

For Rent or Lease.  
The Island Beach Hotel, the new and elegant hotel situated at the Hummocks, the terminus of the Seaside Railroad is offered for rent or lease. The house is handsomely furnished throughout with improved conveniences for guests, and possession can be had at once. As every one who has ever visited it knows it is delightfully situated within full view of the ocean and sounds and with every facility and advantage of a first class seaside resort.

By the Sad Sea Waves.  
There were large crowds of people at the Sound and at the Hummocks yesterday. The train which went down yesterday afternoon at 2:30 carried five coaches and all were full with people standing in the aisles and on the platforms. A run was made across to the beach and over the entire length of the Ocean View railroad. This road has been properly named, for there is a magnificent view seaward over its entire length. We cannot imagine a more delightful ride on a hot day than on this road, within one hundred feet of the breakers and with the wide expanse of waters stretching out to meet the horizon.

In all it is said that some 700 people passed over the Seacoast railroad yesterday.

In Pender County.  
A friend at Burgaw sends us some very interesting items of news. He says that the proposed Burgaw & Onslow R. R. may no longer be looked upon as a myth but as a fixed reality. Mr. H. A. Colvin with a squad of men started out from Burgaw on Monday to make the necessary surveys. The road, he says, will be built. The right men are at the helm and it is understood that they have lots of money behind them. Mr. George A. Ramsey, of Burgaw, the energetic Vice President of this road, deserves a great deal of credit for the earnest persistence he has displayed in pushing forward the interests of the road.

Sunday last was a gloomy day. There was a cold rain and in some parts of the county the wind was simply terrific. There was also some hail which will prove disastrous to the fruit prospects in some localities. But if no colder weather comes it is probable that there will be an abundance of fine fruit in Pender county this year.

The truckers in and about Burgaw are jubilant over the results thus far from shipments of truck. The strawberry season is now on and large quantities of the berries are being shipped off North. They realize about 35 cents a quart but are looking for a decline in a few days; hence, they are pushing forward their shipments as rapidly as possible.

A Reward of \$500  
is offered by the manufacturers of Dr. Sage's Catarrh Remedy, for a case of catarrh which they cannot cure. The mild, soothing, cleansing and healing properties of this remedy are irresistible. 50 cents, by druggists.

## Harbor Master's Report.

From the books of Capt. Joseph Price, Harbor Master, we get the following report of arrivals at this port for the month of April:

American—9 steamers, 9,825 tons; 13 schooners, 3,740 tons. Total American, 23 vessels and 13,565 tons.

Foreign—11 barques, 4,543 tons; 2 brigs, 615 tons; 1 schooner, 138 tons. Total foreign, 14 vessels and 5,296 tons.

Grand total, 36 vessels, aggregating 18,861 tons.

## Meteorological.

The following is a summary of the weather for the month of April, as furnished the REVIEW by Mr. F. P. Chaffee, Chief Signal Office here:

Mean barometer, 29.97 inches; highest, 30.34, on the 23d; lowest, 29.47, on the 25th.

Mean temperature, 58.8 degrees; highest, 86, on the 12th; lowest, 42, on the 7th and 9th; the greatest daily range of temperature was 29 degrees; the least daily range, 6 degrees.

The prevailing direction of the wind was southwest, the total movement, 6,619 miles, and the extreme velocity of the wind was 30 miles an hour, on the 6th and 7th, from north and northwest.

The total rainfall was 2.13 inches. The total deficiency in precipitation was 1.20 inches.

There were 11 cloudless days, 11 partly cloudy and 8 cloudy.

No frost occurred.

## The Wedding Bells.

Mr. Walker J. Bergen, of Brooklyn, New York, but for the past Winter a resident of this city, was happily married last night in St. Thomas' church to Miss Mary J. Madden, a beautiful and charming young lady, daughter of our esteemed friend, Mr. James Madden. The church was crowded to its utmost capacity. The ushers were Messrs. William Flanagan, T. J. Sinclair and John Westermann. The bridesmaid was Miss Mary Donlan and the best man was Mr. U. M. Robinson. The marriage was solemnized by Rev. Father Hill, according to the beautiful and impressive ritual of the Catholic Church. The music, under Pro. Raff's skillful direction, was very fine.

At the conclusion of the ceremony the bridal party drove to Mr. Madden's residence, on North Front street, where an elegant feast had been spread and a reception was held, and the many handsome and costly presents were displayed and admired. At 12:05 they embarked for Mr. Bergen's home in Brooklyn.

## Wide Awake.

Wide Awake for May brings to a close "The Adventures of David Vane and David Crane," to give place to "Sybil Fair's Fairness;" it brings to a pause, too, "Five Little Peppers Midway," to go along with them next month however in the fresh table of "Five Little Peppers Further On." Mrs. Fremont has a long story in this number, entitled "Besieged," a tale of the wild mining days of 1840 in California. "Teddy" is a story of two beautiful dogs, real dogs, known to many Boston young people. "Little Cy Downer's Ride" is a swinging civil war ballad of a brave little chap. "An English May Day," gives an account of last year's May Day celebration. A chapter of the Children of the White House series is entitled "The Household of Andrew Jackson," and is full of anecdotes and pictures. "Men and Things" is full of original anecdotes; notable among them is "Teddy Lincoln in the White House Kitchen in 1862," and "John G. Whittier's little dog and the Singer."

There is a "Behavior Letter," a "May Song," an article upon "Walking," with many other articles, stories and poems.

We notice that the *Wide Awake* children who have undertaken to build the dining room in the Ramona School (the Helen Hunt Memorial Building) have received a gift of \$500 to their fund from Mr. and Mrs. Bradbury of Cleveland, Ohio. *Wide Awake* is \$2.40 a year. D. Lothrop Company, Publishers, Boston.

Young's Cough Balsam is a remedy that is selling entirely upon its merits and is guaranteed to relieve and cure all chronic and acute Coughs, Asthma, Bronchitis and Consumption. For sale wholesale and retail by Munds Brothers.

from running ulcers, which doctors treated

as pronounced incurable. A single bottle of

Dr. B. B. did me more good than all the doc-
