the attack that I took my bed immediately,
and in two or three days my joints were
swollen to almost double their natural size,
and sleep was driven from me. After suffering the most excruciating pain for a week,
using liniments and various other remedies,
a friend who sympathized with my helpless
condition, said to me:

"Why don't you get Swift's Specific and
use it. I will guarantee a cure, and if it does
not the medicine shall cost you nothing."

using it the first day, had a quiet night and
