

LACK OF LIFE.

When the pulse beats feebly, when the energy is gone, when the appetite is weak and sleep uncertain, the body is in a condition of actual "low life." No matter what the cause may have been Nature has given way and unless her strength is restored disease is certain to take possession of the body. The first thing any doctor does in such a case is to assist Nature. Here are some instances: Prof. Austin Corbin, President of the New York College, says: "The judicious use of alcoholic stimulants is one of the striking characteristics of progress in the practice of medicine during the last half century." The celebrated Dr. J. M. Carrawall says: "I am most happy to say, after a very thorough test, that for persons suffering with nervous and general debility or any wasting disease, or for delicate persons or invalids, Duffy's Pure Malt Whiskey is the best tonic and purest stimulant with which I am acquainted. There are no higher scientific authorities than these and they speak volumes. Beware of all bottled whiskeys which may be offered you, except Duffy's. It has stood the test of time and is absolutely pure."

The Daily Review,

JOSH. T. JAMES, Editor & Prop'r.
WILMINGTON, N. C.
WEDNESDAY, MAY 8, 1889.
Entered at the Postoffice at Wilmington, N.C., as second-class matter.

There is a railroad in Arkansas which pays 33 per cent. annually on its cost. It runs from the Iron Mountain Railroad to Hot Springs. It is twenty-two miles long, narrow gauge, and was built for \$300,000. It has netted \$100,000 a year for fifteen years past. The entire road and equipment is owned by Joseph Reynolds. On every locomotive and car on the road is painted the letter J in the centre of a diamond, and the lucky owner of this narrow gauge monopoly is known to all the surrounding country as "Diamond Joe."

A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this country. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle she was miraculously cured. Her name is Mrs. Luther Lutz of Shelby, N. C. Get a free trial bottle at Robert R. Bellamy's wholesale and retail drug store."

MAY MOONSHINE.

Words of cheer: Hurray! Tiger! Lawyers may be poets; they write lots of "versus." The hat maker is not noted for æsthetic taste, but he is an artist in tiling. "One reason why people always talk about the weather is because it can't talk back. "Give the boys a chance," says a trade journal. Nonsense; the boys take too many chances now. It is not queer that when a boiler-maker proposes he rivets the attention of the girl, and she screws up her courage when she says "No." A man puts \$5,000 in the hands of a Wall-street broker, with instructions to invest the same in wheat. How much does he lose by the transaction? Ans., \$5,000. "The saddest words are often the sweetest," murmured DeBoor. "The lover's good night for instance." "Yes," sighed Miss Weary. "I always like to hear you say it."

It is a Curious Fact

That the body is now more susceptible to benefit from medicine than at any other season. Hence the importance of taking Hood's Sarsaparilla now, when it will do you the most good. It is really wonderful for purifying and enriching the blood, creating an appetite, and giving a healthy tone to the whole system. Be sure to get Hood's Sarsaparilla, which is peculiar to itself.

Mr. Le Grand B. Cannon, of Vermont, is said to be a director in 40 different corporations.

A SAD STORY.

The child coughed. The mother ran. No remedy was near. Before morning the poor little sufferer was dead. Moral: Always keep Dr. Acker's English Remedy at hand. - Munds Bros., druggists.

Clay M. Greene has written a new play of New England life called "Blackberry Farm."

"It Works Like a Charm."

Rulon's Magnetic Lintiment is a safe and speedy cure for Rheumatism, Neuralgia, Gout, Headache, Sprains, Bruises, Swellings, Diphtheria, Inflammation of the Kidneys and all painful affections. For sale by Munds Brothers.

Be Sure

If you have made up your mind to buy Hood's Sarsaparilla do not be induced to take any other. Hood's Sarsaparilla is a peculiar medicine, possessing by virtue of its peculiar combination, proportion, and preparation, curative power superior to any other article. A Boston lady who knew what she wanted, and whose example is worthy imitation, tells her experience below:

To Get

"In one store where I went to buy Hood's Sarsaparilla the clerk tried to induce me by their own instead of Hood's; he told me their's would last longer; that I might take it on ten days' trial; that if I did not like it I need not pay anything, etc. But he could not prevail on me to change. I told him I knew what Hood's Sarsaparilla was. I had taken it, was satisfied with it, and did not want any other."

Hood's

When I began taking Hood's Sarsaparilla I was feeling real miserable, suffering a great deal with dyspepsia, and so weak that at times I could hardly stand. I looked, and had for some time, like a person in consumption. Hood's Sarsaparilla did me so much good that I wonder at myself sometimes, and my friends frequently speak of it." Mrs. ELLA A. GOFF, 61 Terrace Street, Boston.

COLUMBIA, S. C., July 7, 1888—The Swift Specific Co., Atlanta, Ga.—Gentlemen: I was a great sufferer from muscular rheumatism for two years. WACO, TEXAS, May 9, 1888—Gentlemen: The wife of one of my customers was terribly afflicted with a loathsome skin disease, that covered her whole body. She was confined to her bed for several years by this affliction, and could not help herself at all. She could not sleep from a violent itching and stinging of the skin. The disease baffled the skill of the physicians who attended her. She had begun finally giving up hope of recovery, and she commenced to improve almost immediately, and I would recommend it to anyone suffering from any blood disease. Yours truly, Wholesale Druggist, Austin, Texas.
