

LACK OF LIFE.

When the pulse beats feebly; when the energy is gone; when the appetite is weak; and the body is in a condition of actual "low life." No matter what the cause may have been Nature has given way and unless her strength is restored disease is certain to take possession of the body.

The Daily Review.

JOSH. T. JAMES, Editor & Prop'r. WILMINGTON, N. C. THURSDAY, MAY 9, 1889.

There is good hope that the vast wealth of manuscripts in the cloisters of Mount Athos is at last to be made accessible. Prof. Lambros is busy cataloguing them.

The New York correspondent of the Philadelphia Ledger says: "The statistics of the Centennial travel give an idea of the number of persons in this city during the three days' celebration."

Bishop Potter hasn't a word of regret for his Centennial sermon. In an interview on Friday he said: "The pulpit does not speak out as it should."

Among salaried actresses Ellen Terry draws the biggest pay—\$600 a week.

There's a blessing in the bottle on those labels we can read. Dr. Pierce's Favorite Prescription, for the woman who has need of a remedy for troubles none but women ever know.

A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent."

What a difference it makes whether you put "Dr." before or after a name. Tobacco men object to tobacco smoke—when it is their own factory that is on fire.

Riches take unto themselves wings and fly away. "What kind of riches is meant?" And the smart boy said he "reckoned they must be ostriches."

Don't Get Caught. This spring with your blood full of impurities, your digestion impaired, your appetite poor, kidneys and liver torpid, and whole system liable to be prostrated by disease—but get yourself into good condition, and ready for the changing and warmer weather, by taking Hood's Sarsaparilla.

N. C. Goodwin, the comedian, will be under the management of James C. Duff next season.

A SAD STORY. The child coughed. The mother ran. No remedy was near. Before morning the poor little sufferer was dead.

The leading New York society ladies propose to erect a monument to the memory of Lester Wallack.

"It Works Like a Charm." Rulon's Magnetic Liniment is a safe and speedy cure for Rheumatism, Neuralgia, Gout, Headache, Sprains, Bruises, Swellings, Diphtheria, Inflammation of the Kidneys and all painful affections.

The late Duchess of Cambridge used to pay Signor Tosti \$1,500 a year to entertain her with music an hour every day.

DO NOT SUFFER ANY LONGER. Knowing that a cough can be checked in a day, and the first stages of consumption broken in a week, we hereby guarantee Dr. Acker's English Remedy for Consumption, and will refund the money to all who buy, take it as per directions and do not find our statement correct.

Be Sure. If you have made up your mind to buy Hood's Sarsaparilla do not be induced to take any other. Hood's Sarsaparilla is a peculiar medicine, possessing, by virtue of its peculiar combination, proportion, and preparation, curative power superior to any other article.

To Get. "In one store where I went to buy Hood's Sarsaparilla the clerk tried to induce me to buy their own instead of Hood's; he told me their would last longer; that I might take it on ten days' trial; that if I did not like it I need not pay anything, etc. But he could not prevail on me to change. I told him I knew what Hood's Sarsaparilla was. I had taken it, was satisfied with it, and did not want any other."

Hood's Sarsaparilla. When I began taking Hood's Sarsaparilla I was feeling real miserable, suffering a great deal with dyspepsia, and so weak that at times I could hardly stand.
