The Hotel Hummocks.
Mr. Horace Platt, of Baltimore, a gentleman of much experience in the business, has leased the hotel at the Hummocks for the season and will open there about the first of June. He informed us that he expected to open the house about the first of June.

Pleased Pythians.

Gone to Pieces.

Advices were received here last night to the effect that the British steamship *Abelady Bay*, which was reported ashore near Cape Lookout, is a total wreck. She has broken in two. The officers and crew were safely landed. The *Blanche* and the *Alex. Jones* pulled at her a long time but could not get her off.

The latest information in regard to the wrecked steamer was received here at 1 o'clock to-day, through the Signal Office and is from the observer at Southport. It says that the steamer was reached by the tug *Alex. Jones* at 5:30 a. m. on Sunday and pulled off that afternoon, but owing to the strong current, she swung back. The effort was repeated yesterday morning by the tugs *Alex. Jones*, *Blanche* and *Rescue*, when the vessel began to fill and swung ashore again. When the tugs *Jones* and *Blanche* left her the wrecking company was putting a steam pump aboard.

The steamer was afterwards abandoned by her captain and crew and turned over to the wreckers.

Mr. Riach, chairman of the Advertising Committee, stated that cards advertising the city, stating its advantages, etc., had been printed and would be distributed, and also that Mr. T. M. Emerson, General Freight and Passenger Agent of the Atlantic Coast Line, had offered to distribute some of these cards through his agents in different portions of the North and East. It was also stated that Mr. Eger, Traffic Manager of the Clyde Line, had offered to help distribute these cards. These offers were accepted and Mr. Riach was asked to furnish the cards required for distribution. Mr. Riach further reported that a contract for advertising Wilmington had been made with the *Manufacturers' Record* of Baltimore, and furnished the association with a copy of the *Record* containing the advertisement. The action of the advertising committee was approved.

Both Col. F. W. Foster and Mr. J. H. Davis volunteered to have made a cabinet in which are to be placed advertising cards for distribution; these cabinets to be located at The Orton and the Atlantic Coast Line depot. These offers were accepted and thanks returned to the gentlemen for their kindness.

The remains were carried to Fayetteville last night and interred there to day.

There is a movement on foot to establish a park in the Eastern extremity of the city, between Princess and Mulberry and Tenth and Fifteenth streets. The owners of land there, Messrs. R. S. Macomber, of Richmond, Mr. Jno. D. Bellamy, Jr., Capt. E. J. Pennypacker and the heirs to the estate of the late William A. Wright, propose to donate land for this purpose if the city will undertake to enclose it and make a public park there. It is a very liberal offer and we hope that it may be accepted.
