The Daily Review.
SATURDAY, MAY 25, 1890.
STATE NEWS.

Charlotte Chronicle: The Charlotte Juniors will go to Columbia next week to play three games of ball with the Columbia Midgets. The first of the games is to be played on Tuesday. The Concord club is expected to come up and play a game in Charlotte one day next week.

Goldsboro Argus: One of the most important events in the recent commercial history of our city is the purchase of the Goldsboro Rice Mills, at an exceeding high price, by Mr. Pembroke Jones, of Wilmington, from the firm who founded and have operated them so successfully for well nigh a decade of years, Messrs. J. Strauss & Co.

Lenoir Topic: Within thirty days the gauge of the C. & L. Narrow Gauge Railroad will be turned into the standard gauge between Lancaster and Yorkville and between Hickory and Lenoir, leaving a narrow gauge lap between Hickory and Yorkville. And work will be at once begun upon a narrow gauge railroad to be built from Lenoir to Cranberry.

Fayetteville Observer: A shocking accident occurred near Dunn last Saturday. The little ten year old daughter of Mr. W. C. Jackson was thrown from a cart and kicked to death by a horse, the animal becoming frightened at the driver's walking by its side. It is estimated that fully 4,000 people heard evangelist Pearson's farewell sermon in the Tabernacle last Friday night and the number of conversions during the two weeks' series of meetings is estimated at 500.

Raleigh News and Observer: Mr. A. S. Lee, Mr. William Simpson and other Raleigh pharmacists returned yesterday from the meeting of the North Carolina Pharmaceutical Association which has been held in Durham this week. They report one of the most interesting and profitable sessions ever held. The association decided to meet next year at Morehead City, on the second Tuesday in July. The election of officers resulted as follows: President—J. D. Croon, of Maxton; 1st Vice President—E. V. Zoeller, Tarboro; 2nd Vice President—W. H. Wearn, Charlotte; 3rd Vice President—Perry W. Vaughan, Durham; Secretary—E. V. Zoeller, Tarboro; Treasurer—A. S. Lee, Raleigh. Executive Committee—H. R. Chazars, Reidsville, J. D. Nutt, Wilmington, L. Richardson, Selma, J. L. Prior, Fayetteville, M. Dorsey, Henderson. There was an election of members from whom the Governor appoints to vacancies on the Board of Pharmacy. Those elected were A. W. Rowland, Wilson; F. W. Hancock, Newbern; E. M. Nadal, Wilson; W. H. Wearn, Charlotte; L. Richardson, Selma.

Wadesboro Intelligence: Died, at his home near Ansonville, on the 18th inst., of heart disease, Mr. Thomas H. Threadgill, aged 74 years. Mr. Threadgill, we suppose, was as well known as any man in the county, and in many respects was a remarkable man. He was for about 45 years an officer of the court at this place, and until about 18 months ago, when he was first taken seriously sick, he never failed for a single court in all that time to be on hand to attend to the duties of his position. Last Tuesday evening Ben Layton, of Lilesville, was in Wadesboro, and while here lubbed whiskey freely, becoming very much intoxicated. He left town about sundown, taking two bottles of liquor with him, and it is supposed that he started down the railroad on his way home. So far as we can learn he was not seen again until about 6 o'clock Wednesday morning, when his dead body was found about a mile this side of Lilesville lying on the railroad track. It is not known certainly which train killed him but it is supposed that it was the West bound train due here at half-past 3 o'clock. His body was very much mutilated and presented a ghastly appearance.

Durham Plant: The sad intelligence was received here to day of the death of Judge Thomas Ruffin, which occurred at his home in Hillsboro, this morning, after an illness of several weeks. Judge Ruffin was highly esteemed as a jurist, as a citizen and as a friend, and the news of his death will bring sadness to his hosts of admirers throughout the State. One of our citizens who knew him intimately spoke of him

to day as a great man and said he possessed more of the elements that go to make a great lawyer than any one he ever knew. As most of our readers know, Judge Ruffin was an ex Justice of the Supreme Court of North Carolina. The Gardner dwelling, on Cleveland street, occupied by Mr. W. B. Ferrell and family, was destroyed by fire at an early hour this morning. The fire was discovered by one of the inmates of the house about 1 o'clock. It originated in the loft of the kitchen, and there is strong suspicion that it was the work of an incendiary. Some of the furniture was saved, but most of the wearing apparel and bed clothing of Mr. Ferrell and family were consumed. There was no insurance on the contents. The building belonged to Mrs. S. F. Gardner, and was insured for \$1,000 in W. H. McCabe's agency.

Her Face was Her Fortune.
She was as pretty as a picture and so animated and lively that it did one good to look at her. She was all this but she is not now. Poor soul, the roses linger no more in her cheeks, the former lustre in her eyes is gone. She is a woe-begone looking piece of humanity now. She has one of those troubles so common to women and needs Dr. Pierce's Favorite Prescription. It recuperates the wasted strength, puts the whole system right, restores the roses and the luster and makes the woman what she once was, bright, well and happy. "Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle wrapper and faithfully carried out for many years.
