The rites and ceremonies of Mohammedanism are observed by the eleven Hindoos of that faith who have just reached New York.

Prince Bismarck now devotes a great deal of time to playing solitaire. This was a favorite game with Napoleon 1, who turned out in time to be the solitary sovereign in Europe.

The religious order of the King's Daughters, which has just held its meeting in New York city, has grown so rapidly during the four years of its existence that it now has nearly 100,000 members, mostly young women, who are devoted to the works of charity and religion.

An animated correspondence is now in progress between Governors Gordon, of Georgia, and Taylor, of Tennessee, in regard to the return of a number of men who had fled from Georgia justice and took refuge in Tennessee. Governor Taylor agreed to surrender seven of the refugees, whilst in the cases of four others he declines the request of requisitions.

Every hour adds its quota to the list of horrors at Johnstown. While sympathizing hands are doing all in their power to care for the distressed and the dead the lower and baser element of the community are actually robbing the dead bodies of any article of value found on them. So greedy are they that they even mutilate the ears of women and cut the fingers from the hands of little children to obtain their personal ornaments. Several of these human hyenas have justly met with summary punishment at the end of a rope, while four others, in attempting to escape from their pursuers, took to the water and were drowned.

**Annual Meeting of the Board of Magistrates and County Commissioners.**

The annual meeting of the Board of Magistrates of New Hanover county was held yesterday at the Court House, in conjunction with the Board of County Commissioners. A majority of the Justices was present, and W. W. Harriss, Esq., chairman, presided.

Mr. H. A. Bagg, chairman of the Board of Commissioners, presented his annual report.

The report shows the county in a prosperous condition, the expenses for the fiscal year ended November 30, 1889, are \$29,790. The tax levy is recommended to be reduced two cents on the \$100 valuation. The total tax levy recommended is as follows:  
On property—for county, 40 1/2 cents, for State, 40 1/2 cents. Total—81 cents.  
On poll—for county, 1.12 1/2 cents; for State and schools, 1.12 1/2. Total—\$2.43.

On motion of Justice J. W. King the report on the tax levy made by the Board of Commissioners was adopted. Also, the levy made by the Board under schedules A, B, and C.

Justice Walker Meares, Superintendent of Public Instruction, submitted the following resolution concerning certain sections of the school law, which he said seriously conflicted with the duties of the County Superintendent of Public Instruction.

**Resolved,** That the Justices of the Peace, the Board of County Commissioners and the Board of Education, in joint meeting assembled, deem the recent amendment to the public school law (Chap. 199, Section 47, Laws 1889) to wit: "By and with the consent of the County Board of Education, the committees of two or more contiguous districts of any city or town may, by a majority vote of the committee in such districts, employ a practical teacher, who shall be known as the superintendent of the public schools of said districts, and he shall perform all the duties of the County Superintendent as to said districts," as inexpedient, unwise and dangerous to the best interests of the schools.

**Resolved,** That the above amendment, if adopted by one or more school committees, will seriously impair the authority of the three boards who control the school interests of New Hanover county and especially the board of education, which body is immediately in charge of all public schools in the county, and whose executive officer, to wit; county superintendent of public instruction elected by the joint meeting, is prevented from discharging all these important duties, as to at least the two largest districts, which duties are so clearly set forth throughout the public school law; therefore,

**Resolved,** That this joint meeting recommend to the Board of Education, that further than conferring the title of principal as heretofore upon a teacher with such duties as shall not conflict with the duties of the county superintendent of public instruction, be not allowed by any school committee in New Hanover county.

On motion of Justice John Cowan, the courtesy of the floor was extended to Mr. Don MacRae and Mr. Jas. H. Chadbourn, members of the school committee. They were invited to address the meeting, and Mr. Don MacRae did so, expressing his disapproval of the resolutions offered by Justice Meares.

After a prolonged discussion of the resolutions and after a motion to table had been defeated, the resolutions were adopted.

On motion, the Board proceeded to elect a Board of Education, and the old board—Messrs. H. A. Bagg, B. G. Worth and E. L. Pearce—was chosen for another term.  
Mr. Bagg offered a resolution that the County Commissioners be instructed to turn over to the Board of Education \$2,000 from the general fund, to be placed to the credit of the educational fund, if required, for the purchase of school sites or the erection of school buildings. The resolution was adopted.

On motion of Justice E. D. Hall, a resolution was passed that the sum not exceeding \$1,500 be appropriated by the County Commissioners to make very necessary improvements in the office of the Register of Deeds, for the safe keeping of the county records, etc.

A delegation of merchants appeared before the Board in regard to what they represented to be unfair and unequal returns of purchasers and personal property to the tax listers, made in certain instances.  
On motion, a resolution was

adopted, that the County Commissioners be authorized to expend a sum not exceeding \$1,500, in having the law fully executed as regards the giving in of full and true lists of personal property by each and every individual tax payer in the county.

**COUNTY COMMISSIONERS.**  
The Board of County Commissioners met at 3 o'clock in the afternoon, all the members of the Board being present, and Chairman H. A. Bagg presiding.

The Treasurer's monthly report, showing a balance on hand to the credit of the general fund amounting to \$18,296.62, and to the educational fund, \$14,479.90, was received.  
The Register of Deeds submitted his monthly report, showing \$15.68 received from marriage licenses, and paid over to the County Treasurer.

Brown & Brother were granted license to retail malt liquors at Carolina Beach, and license was granted also to Jas. A. Hewlett at Wrightsville.

**Burglary.**  
This morning about 3 o'clock a thief entered the residence of Mr. W. T. Croom, corner of Tenth and Princess streets and taking his coat and pants out on the back steps robbed them of \$20, all they contained. Not being satisfied with that he then entered the room occupied by Mr. Croom's brother, who is visiting him, and took from his clothing several pieces of silver and a small box containing a \$10 gold piece, but evidently thinking that it was a box of tacks or something of that nature he left the box and money on the steps. A lamp had been left burning in the passage and this he blew out before beginning his work of plundering. Mr. Croom was awake and saw the light go out but thought it had burned itself out as the oil in the lamp was low, and paid no attention to it. He next heard someone in their stocking feet, walking in his room but this he mistook for one of his children who frequently get up during the night for water. He knew nothing of the robbery until he got up this morning.

**The Silver Wedding Celebration.**  
The residence of Mr. and Mrs. F. W. Meyer was crowded last night by many of their numerous friends to celebrate the "Silver Wedding Day" of the happy couple. The Germania Cornet Band honored the happy couple and their guests by their presence and music and also honored themselves by their fine renditions of suitable selections. The choicest viands, prepared in part by the silver-bride, Mrs. Meyer, in her own inimitable way, were served after 9 o'clock to about 140 guests. Mrs. Meyer wore a most handsome silver bridal wreath that was made in Germany. The occasion was in every way enjoyed. We tender our congratulations.

**Shabuoth—Feast of Weeks.**  
This evening the Israelites will inaugurate their annual festival thus named. Of all their festivals, the Feast of Weeks is the most popular; for although originally a festival of spring and harvest, in the progress of religious development, it was invested with a higher character—that of commemorating the proclamation of the Decalogue on Sinai. In more modern times its practical importance has been enhanced by its being chosen as Confirmation Day, when the Jewish youth, who have attained their thirteenth year, declare before the congregation their unflinching adherence to the religion of their fathers, and enter, as it were, by choice and of their own accord, spiritually and socially, the bond and brotherhood of Israel.  
At the Temple of Israel, corner Fourth and Market streets, services will be held this evening, at 8 o'clock, and to-morrow morning at 10:30 o'clock. During the morning services the Rev. Dr. Mendelsohn will administer the beautiful and impressive rites of confirmation to five applicants, and we advise our friends, who are always welcome at the Temple, not to miss witnessing those truly solemn and memorable ceremonies.  
Each of the confirmants and of their relatives, as well as of all our Jewish readers, we salute with the Scriptural dictum: "Thou shalt rejoice on thy festival."
