Rev. Mr. Creasy in Lumberton. Rev. W. S. Creasy preached in the Methodist Church at Lumberton last Wednesday night and the Robesonian, in speaking of him, says: His reputation had preceded him so that our people looked for a most eloquent discourse, but it is just to say that the sermon far exceeded the highest expectations of his most enthusiastic admirers. Indeed, he captured all hearts. His manner is simply perfect, his flow of language grand and majestic. As a pulpit orator he has but few equals.

Tell the good news to the suffering— At last is a remedy found, which might have saved, had they known it. Many were under the ground. Tell of the "Favorite Prescription." Bid hopeless women be glad— Bear the good news to poor creatures. Heart sick, discouraged and sad. "Female diseases," so terrible in their effects, and so prevalent among all classes, can be cured by the use of Dr. Pierce's Favorite Prescription.

He is succeeded by Capt. J. H. Lenon. Capt. Sasser has become a great favorite with the traveling public and they will be sorry to hear he has left the Seacoast road.

Homestead and Loan Association. The annual meeting of the stockholders of the Wilmington Homestead and Loan Association was called at the City Hall last night. Mr. C. C. Borden was requested to act as chairman. The chairman appointed Messrs. J. D. Smith, J. D. Bellamy and C. C. Brown a committee to verify stock, but as a majority of the stock was not represented, the meeting adjourned till next Monday night at 8 o'clock at the City Court room.

Death of an Old Citizen. We regret very much to learn of the death of Mr. John S. McEachern, an old and highly esteemed resident of this city. He died at 3 o'clock this morning, in the 60th year of his age, and leaves a wife and seven children to mourn their irreparable loss. He had been in failing health for some time past and his death was not unexpected.

Mr. McEachern had long been identified with the business interests of our city. He was made a member of the Board of Audit and Finance on its first formation and was one of the founders of Bellevue Cemetery Company and the only Secretary and Treasurer it has had since its organization. For many years past he has been a zealous and consistent member of the First Baptist Church. The funeral services will be held at that church to-morrow and the interment will be in Bellevue.

\$500 for the Sufferers. A meeting of the citizens to take action looking towards contributing to the relief of the sufferers by the flood at Johnstown and other places in Pennsylvania, was held at the rooms of the Produce Exchange at noon to-day. On motion of D. L. Gore, Esq., Mr. B. G. Worth was called to the chair and Col. John L. Cantwell was requested to act as secretary. After a full and free expression of sympathy with the sufferings of our fellow citizens in their affliction and distress, on motion of Donald MacRae, Esq., it was unanimously resolved that \$500 be sent as a contribution from this city and that the chairman appoint a committee to solicit subscriptions for that purpose and that this committee be requested to forward the same. The chair appointed Messrs. D. L. Gore, P. Heinsberger and Octavius Hicks as the committee to solicit contributions. Adjourned.

Heartless Sport. We clip the following from the Marion Index. We have read it and with eyes full of disgust. We did not dream that such a thing could be possible in this enlightened section and in this enlightened age. If there is a S. P. C. A. anywhere in South Carolina, they should interfere to prevent this heartless sport: Florence is to have a bull fight! Fifteen bulls from North Carolina and a like number from our own State will be on hand to fight, mutilate, butcher and kill each other to make a Florentian holiday. We had thought that such sports had been long ago abandoned by the more civilized nations, were a thing of the past, and, at least, were tolerated only in Spain and Mexico. But here in the midst of the Christian land is published a prospectus of such a barbarous entertainment with inducements to people to attend. Fifty dollars is to be awarded the winner on each fight and the side or State, which wins the greatest number of fights is to receive a purse of five hundred dollars. July 24th and 25th are the days set for the fights.

Now is a fine opportunity for the society for the prevention of cruelty to animals to show its usefulness, and it is the duty of the officers of the law to put a stop to the whole business and to punish the offenders against the law for the prevention of such cruelty.

The steamer D. Murchison, commanded by Capt Robeson of the A. P. Hurt, resumed her trip on the river yesterday, arriving last evening from Fayetteville. The Hurt is laid up at Fayetteville for repairs and repainting.

We would advise our readers to stop at the Wilmington Shirt Factory and look at the largest stock and the most handsome styles of lawn tennis shirts in the city and at prices to suit everybody. No. 122 Market street. Sign of the blue awning.

First Ripe Peaches. The first ripe peaches we have seen this season, produced in this section, were in market this morning. They were grown on Capt. E. W. Manning's place at Wrightsville and were as pretty as any peaches we have ever seen pulled in June.

The Corner Stone Laid. The corner stone of the new government building was laid yesterday afternoon with the usual Masonic ceremonies by the Grand Lodge of the State. The Masonic fraternity in full regalia marched to the place in procession, headed by the Germania Cornet Band, arriving on the ground shortly after 5 o'clock. Several hundred spectators had assembled to witness the proceedings, which were carried out in due form. Grand Master C. H. Robinson opened the ceremonies with a brief address, stating the purpose for which the Grand Lodge had assembled and read the orders, and after prayer by Rev. Mr. Primrose, the corner stone was lowered into place by means of the huge derrick, and a list of the articles to be placed in the box contained in the stone was read by the Grand Secretary, J. C. Chase, as follows: List of officers Grand Lodge State of North Carolina; list of pro-tem officers of Grand Lodge officiating at the ceremonies; list of officers and members of the three lodges participating; list of officers and members Concord Chapter No. 1, R. A. M.; list of officers and members Wilmington Com-mandery Knights Templar; names President of U. S. and Cabinet; names of Governor and State officials; names of Senators of North Carolina; names of Representatives of U. S. Congress from North Carolina; names of Mayor and city officials; names of superintendent and officials connected with the building; names of postmaster and collector of port; annual report of public schools of New Hanover county; copies of all the newspapers (daily and weekly) published in New Hanover county.

A Masonic hymn was then sung by the choir, and the elements of consecration—corn and wine and oil—were poured from silver flagons on the stone, and after an invocation by the Grand Master, and the singing of a national ode—"My Country, 'Tis of Thee," the orator of the occasion, Rev. Mr. Creasy, was presented to the audience by the Grand Master.

Mr. Creasy delivered an excellent address, which was listened to with profound attention throughout. The commandery of Knights Templar did not take part in the ceremonies.
