PEED'S MILL, TEXAS, June 20, 1838—The Swift Specific Company, Atlanta, Ga.—Gentiomen: One of my children was troubled with rheumatism and boils for about two years. We gave her various kinds of medicine, but without profit, and began to despair of curing her at all. I was persuaded to try your Swift's Specific. After she had used several bottles the diseases all disappeared, and she is now a hale, hearty and healthy girl twelve years old. Another child has just become afflicted in the same way, and I am using the S. S. and anticipate a prompt and permanent cure. N. C. WAGGONER.

RICH HILL, Mo., July 7, 1889—The Swift Specific Co., Atlanta, Ga.—Gentlemen: Our little girl when but three weeks old broke out with eczema. We tried the prescriptions from several good doctors, but without any special benefit. We tried S. S. S., and by the time one bottle was gone her head began to heal, and by the time she had taken six bottles she was completely cured. Now she has a full and heavy head of hair—a robust, hearty child. Swift Specific Co., Atlanta, Ga.—Gentlemen:
In 1885 I contracted blood poison, and at once
sought a physician, who treated me for sevcral months. By his advice I went to Crab
Orchard Springs, Ky., where his course of
treatment was carefully observed. I recovcred, as I thought, but the next spring pimples began to appear on my face and body.
These gradually increased to sores and running ulcers. I was advised to try S. S. S., and
immediately after taking it I commenced to
improve, slowly at first, but more rapidly
afterwards, and soon nothing remained to
tell of my trouble. My blood is now thoroughly cleansed, and my system free from
taint, and I owe my present condition—a taint, and I owe my present condition—a perfect cure—to your medicine. Icheerfully give this statement that others who have suffered as I have may reap the same benefit.

HOMER, LA., May 25, 1883—The Swift Specific Co., Atlanta, Ga.—Gentlemen: About two years ago my general health gave way entirely. I was so debilitated that I almost despaired of ever feeling well again. All that the physicians done for me brought no permanent relief. Friends insisted that I should give S. S. S. a fair trial, although I thought it would be throwing away money. After taking a thorough course, my health and strength returned, and I must say that S. S. S. alone cured me, as I discarded all others while using it. As a tonic I can most heartily recommend it; for general debility, it certainly is a specific. W. F. Bridges, and Homer, La.-I know Mr. W.
