Too Young, By Far, to Die.

ground. **Only a Few Particulars.** 

From the Durham Plant we learn some few particulars as to the death of Miss Pearl Yates, Rev. Dr. Yates' youngest daughter, of which we spoke in Saturday's issue. She was only 19 years of age and had been sick just two weeks with typhoid fever. She died at 7 o'clock on Fris day evening. As the Plant truly savs: "Tis in such distressing incidents as this that the resurrection and the life beyond the grave comes

to us in all its beauty to reconcile us to what seems to our finite under standing to be harsh judgment of

Weather Crop Bulletin.

The reports of correspondents of the Weekly Crop Bulletin, published by the North Carolina Experiment Station and State Weather Service, cooperating with the United StatesSignalService, show that there has been a marked deficiency of rain-Get rid of that tired feeling as fall an abnormally high temperature week ending Friday, June 21st. All Bald Head and Fort Fisher, all crops have been favorably affected give to the pleasure and health and the outlook is very encouraging, seeker a diversity offered by "no a number of correspondents stating other place in the State, and at small cost. While Wilmington has that "the prospect for an abundant crop is better than for five years.' any of the summer resorts, it has many places of historic interest and The wheat crop will be unusally beauty. A visit to Fort Caswell will better than our previous reports inall of its resorts and places of inter-est. To do this will take at least dicated. Cotton has made great improvement and now bids fair to two days and then no time to spare. make an average crop. Corn is do. ing fairly well. The yield of fruit is days of real pleasure go down.

Sorry to Say Good-By.

We regret to learn that Mr. E. G. Mr. Walter Hewlett, son of Mr. Barker has positively determined Elijah Hewlett. He died at his on removing from Wilmington. He father's residence, on Masonboro will go to Massachusetts and em-Sound, on Friday afternoon, after a bark in business there. He is one short sickness. He was in the very of our best citizens, enterprising, bloom of youth, only 20 years of age, public spirited and large-hearted, a great favorite with all who knew and it seriously distresses us to have him and life open before him with such men leave us. Mr. Barker's all of its limitless hopes and ambi- friends prophesy that he will return tions. The funeral services took to us within two years and he himplace yesterday afternoon, at Ma- self says that the last thing he will sonboro Baptist Church, and the do before leaving here will be to interment was in the family burying | drink some of the Rock Spring water, for he knows that he will want to come back. He thinks that the outlook for Wilmington's future was never so bright as it is now. Mr. Barker has been a resident of Wilmington for more than twenty years

#### The Way to Talk It.

past.

Here is some mighty nice, sensible talk. It is from our level headed cotemporary, the Mt. Olive Telegram, which paper, by the way, also calls on Capt. Cotchett to go there and give some cheap excursion rates, as everybody about there wants to come down here. Our neighbor says:

The season is here for pleasure and health. Many of those who are able will take themselves off to the mountains and seashore. From a offered, we can commend to our readers and friends the advantages offered by Wilmington and its seaside resorts. While there are other that our metropolis does. The easy ccess, by rail and steamers, the
