## Harper's Bazar. ILLUSTRATED.

HARPER'S BAZAR will continue to maintain its reputation as an unequalled family journal. Its art illustrations are of the highest order, its iterature is of the choicest kind, and its Fashion and Household departments of the most practical and economical character. Its pattern-sheet supplements and fashion plates alone will save its readers ten times the cost of the subscription, and its articles on decora-tive art, social etiquette, house-keeping, cook-ery, etc., make it indispensable to every household. Its bright short stories and timely essays are among the best published; and not a line is admitted to its columns that could )'fend the most fastidious taste. Among the attractions of the new volume will be serial it.) . ries by Mrs. Frances Hodgson Burnett, Mrs. Alexander, William Black and Thomas Hardy, and a series of papers on nursery management by Mrs. Christine Terhune Herrick.

We gave her various kinds of medi-cine, but without profit, and began to despair of curing her at all. I was persuaded to try your Swift's Specific. After she had used several bottles the diseases all disappeared, and she is now a hale, hearty and healthy girl twelve years old. We tried the prescriptions from several good doctors, but without any special benefit. We tried S. S. S., and by the time one bottle was gone her head began to heal, and by the time she had taken six bottles she was completely cured. Now she has a full and heavy head of hair—a robust, hearty child. this statement. Respectfully, H. T. SHOBE. CHATTANOOGA, TENN., June 27, 1888—The Swift Specific Co., Atlanta, Ga.—Gentlemen: In 1886 I contracted blood poison, and at once sought a physician, who treated me for sev-eral months. By his advice I went to Crab Orchard Springs, Ky., where his course of treatment was carefully observed. I recov-cred, as I thought, but the next spring plm-ples began to appear on my face and body. These gradually increased to sores and run-ning ulcers. I was advised to try S. S. and immediately after taking it I commenced to improve, slowly at first, but more rapidly afterwards, and soon nothing remained to tell of my trouble. My blood is now thor-oughly cleansed, and my system free from taint, and I owe my present condition—a taint, and I owe my present condition-a perfect cure-to your medicine. I cheerfully give this statement that others who have suffered as I have may reap the same benefit. HARDY M. BURT, 24 West Ninth St.

HARDY M. BURT, 24 West Ninth St. HOMER, LA., May 25, 1883—The Swift Specific Co., Atlanta, Ga.—Gentlemen : About two years ago my general health gave way en-tirely. I was so debilitated that I almost despaired of ever feeling well again. All that the physicians done for me brought no permanent relief. Friends insisted that I should give S. S. S. a fair trial, although I thought it would be throwing away money. After taking a thorough course, my health and strength returned, and I must say that S. S. S. alone cured me, as I discarded all others while using it. As a tonic I can most heartily recommend it ; for general debility, it certainly is a specific. W. F. BRIDGES, J. P.
