Carey, an aged and well known colored man of this city, died at his residence last night. Carey will be badly missed by the residents of the Eastern part of the city.

Burglars. Be secure from them by putting our Burglar Proof Locks on your blinds. They are cheap and can be put on by the most inexperienced. N. Jacobi Hdw. Co. †

Paint your house with Regal Ready Mixed Paint. It is the best and cheapest. You will find all colors in any desired quantity at the factory's agents, N. Jacobi Hdw. Co. †

Some of the weather wise say that we will have some equinoctial weather; wind and rain, on the last quarter of this moon or the first quarter of the next. That means this week or next, as the moon changes on Monday next.

One of our Market street booksellers, who was raised in a wheat country, gave us a specimen of his skill this morning in the use of a seythe on the grass plot on Market street. But he had grown rusty at the business and his friends were glad to see him emerge with all of his toes and fingers intact.

The Clarendon Base Ball Club of this city played the first of their series of games with the Darlington, S. C. Club last evening. A special to the *Messenger* from Darlington last night says: "Darlington 14, Wilmington 11. The boys batted well but lost the game by bad fielding."

Messrs. Cronly & Morris sold to day at auction the two story brick store, No. 11 Market street, for \$3,025, one third cash, balance in one and two years.

Several young gentlemen from this city took a trip down the Sound yesterday in the yacht *Vixen*. They caught about 150 pig fish and then landed on the beach and had an old-fashioned pig fry.

Rev. W. M. Kennedy has received a letter from a son who is located at Tempe, Arizona, and dated about ten days ago, which says that they have just had rain there for the first time in five months. The thermometer had been up as high as 115 degrees.

The New Band.
The new band for the Island Beach Hotel arrived here last evening from Baltimore, as indicated by us in yesterday's issue, and went immediately down to the Hammocks. It is composed of ten pieces, under the leadership of Prof. John Miller, of Scheutzen Park, Baltimore. They will play to-morrow night at a german to be given at the hotel.

The Masquerade.
There was a very large crowd at Carolina Beach last night, at the masquerade given there. It was one of the most successful events known in the history of that popular resort. It is estimated that nearly a thousand people were present during the day and evening. There was some good music for the dancers and a very fine display of fireworks for everybody.

Another Attempt
A burglarious attempt was made between 12 and 1 o'clock this morning on three residences on Fifth between Hanover and Brunswick streets. Two men were concerned in it. They were heard and the alarm was given and the two men were chased as far as the corner of Fourth and Walnut streets, where they managed to elude their pursuer in the dense shadows of the trees at that point. It is not known whether they were white or colored.

Death of a Wilmingtonian.
We regret to learn of the death of Mr. E. F. Singletary, son of Mr. F. C. Singletary, of the city. The young man has been a resident of California for some years past and had attained considerable prominence there with the prospects of further distinction. About the middle of July he and two others were on an exploring expedition when Mr. Singletary became separated from his companions on the return and was overtaken by a sand storm, in which he perished. The remains were interred in the desert.

The Excursion Fleet.
The *Sylvan Grove* will run the *Passport's* usual schedule to-morrow, leaving for the Forts, Southport and the ocean at 9:30, returning in time to make a trip to the Beach at 5 o'clock.
A large crowd of country excursionists will be on the steamer; refreshments will be served on board and a fine time is expected.
The *Passport* will make the usual *Sylvan Grove* trips to the Beach at 9:30, 2:30 and 7.

The regular concert of the Germania Cornet Band will be held as usual at Carolina Beach on Friday.
The *Grove* will leave at 5 and the *Passport* at 7. Tickets for all boats for sale at Messrs. Glameyer & Kuch's.

Forecasts.
For North Carolina, fair weather, and stationary temperature. For Wilmington and vicinity, fair weather.

To Dispel Colds.
Headaches and Fevers, to cleanse the system effectually, yet gently, when costive or bilious, or when the blood is impure or sluggish, to permanently cure habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, use Syrup of Figs.

Children's Day at the State Fair.
The management of the State Fair, which is to take place October 14th to 19th, are preparing for a "Children's Day," which will be the first day of the fair, Monday, the 14th. It will be made a very interesting day and it is confidently expected that the little ones will turn out in large numbers on that occasion. A special effort will be made to make Monday and Saturday of Fair week as interesting as Wednesday or Thursday. There will be a balloon ascension on Monday for the benefit of the young folks.

Our Country Cousins.
The excursion party from Rutherfordton arrived here last evening about 8 o'clock. There were about 350 in the party. Some went immediately down to the Hammocks and Switchback and others to Carolina Beach, while many remained in the city. Nearly all went down to the seacoast to day. The 9.30 train on the Seacoast Railroad carried four coaches, well filled, and the *Passport*, which took the place of the *Grove* on the morning trip to Carolina Beach carried down a large number. The visitors will remain here to day and to-morrow.

A New Species of Cotton.
Mr. James C. Johnson, who was in Richmond county Saturday, says the *Charlotte News*, was struck by the flourishing appearance of a certain field of cotton on Col. Roper's splendid farm near Laurinburg. The cotton is of a new species known as the Bailey cotton. A single stalk was found growing wild on the Cape Fear by a darkey who saved the seed and cultivated the plant with success. The plant is from five to six feet high, with spreading limbs, and is of a peculiar appearance. The fibre is silken and glossy and very fine. Col. Roper paid \$400 for two bushels of the seed. The plant and its product is regarded as a curiosity here.

Two More Excursion Trains.
A large excursion party from points on the Cape Fear & Yadkin Valley R. R. above Fayetteville, arrived here this morning at an early hour and at 4 o'clock they were carried down to the Hammocks. At 11 o'clock to day another large party—a very large party, in fact—came in on a special train on the Wilmington & Weldon R. R. from points as far North as Weldon. In this train there were eight cars and they were all full. We estimate that there were 550 or 600 people on this train. The party stopped for a short time at Front Street Depot and then the train was switched on to the Seacoast R. R. track and the whole party was carried down to the Hammocks.

They Hold the Bag.
Mr. Horace Platt & Co., who skipped the town recently, seems to have left quite a number here to hold the bag. What the amount of the liabilities are we have no means of knowing but we expect that they will count up quite handsomely. It is said that he was also indebted to dealers in Richmond and Baltimore. Mr. Platt made no legal assignment and one of his creditors in this city found out that he had a suite of furniture at the Hammocks belonging to him and he went down there with a warrant yesterday afternoon and got it. It is said that a summary demand for past due rents precipitated the flight that Mr. Platt may have had in view. No one supposes for a moment that he left here empty-handed.

Don't Read This for \$500.
For many years, through nearly every newspaper in the land, the proprietors of Dr. Sage's Catarrh Remedy, who are thoroughly responsible, financially, as any one can easily ascertain by proper enquiry, have offered, in good faith, a standing reward of \$500 for a case of nasal catarrh, no matter how bad, or of how long standing, which they cannot cure.
Figs are nice eating, but expensive. You can buy a quart for 10 cents or a peck for 75 cents.
