Dr. Porter, of Rocky Point, was in the city to day.

Mr. J. T. Collins, of Burgaw, was in the city to day and paid us a very pleasant visit this forenoon.

Mr. J. W. S. Robinson, of Sampson county, is in the city. He took in the Hammocks and Wrightsville Beach yesterday.

Impurities of the blood often cause great annoyance at this season. Hood's Sarsaparilla purifies the blood and cures all such affections.

We have a few Fluting Machines which we are closing out at less than factory cost. See them. N. Jacobi Hdwr. Co.

We are glad to see Mr. J. D. Kelley on the street again. He has been very sick for several weeks past but is mending rapidly now.

The firm of Register Bros., clothiers, has been dissolved and the business will be continued at the same stand by Mr. Lee Register.

Headquarters for Sash, Doors and Builders' Supplies is the N. Jacobi Hdwr. Co. They sell the best goods at prices that you pay for those of an inferior quality.

A new schedule will be put in force next Monday on the Seacoast R. R. Under it there will be three trains each way, one in the morning and two in the afternoon.

Wake Forest College opened on Monday with 185 students and since that time 30 more have been enrolled, making a total of 215 for the first two days of the session.

The concert to be given at Carolina Beach Friday night by the Germania Cornet Band will be the last of the season, so let there be a large crowd to encourage the boys.

Burglars. Be secure from them by putting our Burglar Proof Locks on your blinds. They are cheap and can be put on by the most inexperienced. N. Jacobi Hdwr. Co.

Paint your house with Regal Ready Mixed Paint. It is the best and cheapest. You will find all colors in any desired quantity at the factory's agents, N. Jacobi Hdwr. Co.

The drum fishermen are out every day on Wrightsville Beach. Some have had good luck, some bad and some indifferent. The fall season for this fine sport is drawing on rapidly.

Ladies will find a very handsome and complete line of ladies Muslin Underwear at astonishing low prices at the Wilmington Shirt Factory, 122 Market street. Sign of the blue awning.

My very low prices for Cash have proved a success. Every dollar's worth of goods will be sold 20 per cent. lower than at any other store in the city. I. Shrier, S. E. corner Princess and Front sts.

Stoves. We have a very large line, made by the best factories, of the latest and most improved styles, which we guarantee to bake and cook well and to give general satisfaction. Our low prices will astonish and our Stoves please you. N. Jacobi Hdwr. Co.

Did you witness the occultation of Jupiter by the moon last night? Well, if you didn't you missed an interesting sight. The sky was cloudless affording a full view of both the planet and the moon. The time of immersion as observed here was about 10:02, and the emersion about 10:49.

We have received from the Secretary, Mr. P. M. Wilson, the premium list of the 29th annual Fair of the North Carolina State Agricultural Society, to be held at Raleigh, October 14, 15, 16, 17, 18 and 19, 1889. One thousand premiums, worth over \$5,000, are offered. Any farmer desiring to see what premiums are offered can call at this office and examine the list.

Refreshing and Invigorating
Delicious Soda Water as drawn from Munds Brothers' magnificent new soda fountain at a temperature of 34°. Purest Fruit Syrup, Milk Shakes and Natural Mineral Water.

Mr. G. W. Branch is on the sick list.

The market was well supplied with seppernong grapes this morning.

We are sorry to hear that Mr. Edgar Scarborough is quite sick and confined to the house.

Capt. Ingram, of the steamship *Benefactor* who arrived from New York yesterday told us that the whistling buoy on 'Frying Pan Shoals' has stopped blowing and seemed to be pretty full of water.

Mr. M. C. Collins, one of Pender's best farmers, placed on our table to day a lot of the finest, juiciest white seppernong grapes we have ever seen. They were of an unusual size and were perfectly ripe.

Pender county Superior Court convenes next Monday and we hear that there will be a busy time with the court officers, as there are nine persons in jail awaiting trial, besides a number who are out on bail to appear at the approaching term.

The alarm of fire, turned in from box 35 late yesterday afternoon, spoken of by us, was caused by the burning of a hole in the roof of the kitchen on the premises of Charles Foreman, on Tenth street, between Princess and Chestnut. It was put out by the neighbors before the department got there. Damage slight.

The Ladies Delighted.
The pleasant effect and the perfect safety with which ladies may use the liquid fruit laxative, Syrup of Figs, under all conditions make it their favorite remedy. It is pleasing to the eye and to the taste, gentle, yet effectual in acting on the kidneys, liver and bowels.

The Steam Yacht Race.
There was a lively steam yacht race on the river yesterday. It was between the yachts *Navassa* and *Ida Louise*. The start was made from a point up the river near Meares' Bluff with a run down to Big Island and return to the city. The contest was won by the *Ida Louise* by about one hundred yards distance. It would prove an interesting pastime if it could be repeated and let our citizens know of the fact so that they could witness it.

Death of a Mexican Veteran.
Our correspondent, writing from Hallsville, Duplin county, informs us of the death, at that place on Monday last, of Mr. Samuel Sumner, aged 69 years. Mr. Sumner served as a soldier in the Mexican war, and drew a pension from the government up to his death. He will be missed in his section of the county, where he always lent a helping hand to those that were in need. Mr. Sumner was an honest man, which is the noblest work of God. Peace to his ashes!

Robbery in Pender.
A gentleman who arrived in the city on the morning train from the North tells us that Calvin Hawes, a colored boy about 18 years old, was put in jail at Burgaw yesterday, charged with robbery. The crime with which he stands indicted was committed at the residence of Dr. Jno. R. Hawes, at Point Caswell, last week. While the family were at supper he secreted himself in the house and when all had gone to sleep he entered the room of Mr. Joel Hines, a nephew of Dr. Hawes, and robbed him of \$7, which he had left in his pants pockets. Suspicion pointed to Calvin as the thief and when arrested on Monday he confessed having taken the money.

The Horse Show.
Prof. Burk's great show of trained horses and general cirens, at the popular low prices of 10 and 20 cents admission, will be here under canvas next Monday and Tuesday, the 9th and 10th. To describe all that is done by Professor Burk's educated horses, ponies and mules would be impossible. It is only necessary to say that the exhibition is a most wonderful one. They understand what is said to them with an intelligence that is almost human. In fact, no such horses were ever seen before, and no one should fail to visit the show on its appearance here. It is refined and instructive as well as interesting and amusing in the extreme. The exhibition takes place on Dickinson's Hill, near the Carolina Central R. R. depot.

Forecasts.
For North Carolina, local rains and stationary temperature. For Wilmington and vicinity, showers.

Birthday Blessing.
That clever gentleman, Mr. E. Kuhlblank, had a birthday to day, and was the recipient of many congratulations, from the many warm friends he has made while resident among us. We wish him many happy returns of the day.

Masquerade Ball.
The Masquerade Ball at Carolina Beach last night was a grand success. There were between 300 and 400 people present. Everybody that went had a nice time, the night was beautiful for a stroll on the beach, which a great many of the young people enjoyed.

Going North.
Mr. B. F. Penny will leave here on Monday morning, on the 12.05 a. m. train, for New York, for the purpose of selecting a fine stock of Fall and Winter clothing. In the meantime he has already received some new goods in his line, some specimens of the new and handsome styles now being displayed in his large show windows.

Pender County Farms and Crops.
(Report for the Daily Review.)

On August 28th your reporter visited Mr. D. W. Rencher's tobacco farm, which is situated about three miles from Willard. It was the first opportunity of visiting a tobacco farm I had enjoyed. Mr. Rencher has four or more acres in tobacco as an experiment. He was raised on a tobacco farm in Granville county. In the year 1888 he visited Pender county and became of opinion that certain soils in that county would grow fine tobacco. He now thinks them equal to any of the middle or Western counties for the growing of the weed. He has one acre in tobacco from which he expects to realize as much as from fine acres in cotton. His corn, cotton, potatoes and tobacco all are fine indeed.

On the following day I passed the farm of Dr. K. J. Powers, on the East side of Willard, and was struck with the fertility of the land. Dr. Powers has some of the best cotton I have seen this year. His lands would doubtless grow fine tobacco. Pender needs but development to make it one of the finest farming counties in the State. It has a natural soil unsurpassed by any ever seen by your correspondent. Let the Pender people plant a greater variety of crops, buckle on the armor of labor, improve their lands and press forward in the march of progress.

Some Duplin County Crops.
(Report for the Daily Review.)

On last Wednesday I left the pleasant little village of Duplin Roads for Chinguepin and other places in Duplin. All along the road to Chinguepin the corn crop is good. The first farm that especially attracted my attention was that of Mr. D. W. Boney, who has some very fine corn indeed. A few miles farther on was the farm of Mr. Nathan Batts, one of Duplin's best farmers. Mr. Batts says he has one of the best corn crops he has ever had.

I arrived at Chinguepin about 6 o'clock in the evening and spent the night with that energetic young merchant and farmer, Mr. G. D. B. Parker. On Thursday morning Mr. Parker took me through his farm and such corn I have never seen before. He has a field of 40 acres up land corn that will average seven barrels to the acre, and after showing me through his farm, then he said, "Now I will show you how to bag a fox." Mr. Parker and Mr. H. Lanier and your reporter started out with hounds and in less than two hours we returned with two foxes as the fruits of our hunt. Then I started for Beulahville, formerly called Snatchett. The crops, especially the corn and potatoes, are very fine. Snatchett township is the place where there has not been a Republican vote cast since the war. You will find it a fact that the crops are all good wherever they have been worked as they ought with all the rain they have had.

Don't hawk, hawk, blow, spit, and disgust everybody with your offensive breath, but use Dr. Sage's Catarrh Remedy and end it. 50 cents, by druggists.

City Court.
Wm. Grady, charged with violating the sanitary ordinance; was before the Mayor this morning but he was found to be not guilty and was discharged.

Robert Shepard, false pretenses, was found guilty and bound over to the next term of the Criminal Court.

Joseph Williams, disorderly conduct. Guilty. Fined \$5 and costs.

The Carolina Central's Superintendent.
Charlotte News: The Carolina Central undoubtedly has a model superintendent in the person of Capt. Thomas W. Whisnant. The big breaks by the cloud burst, near Rockingham occurred on Monday of last week, and the track was last night in readiness for the passage of trains. Capt. Whisnant was on the scene early on the morning of the breaks, and remained there day and night superintending the work of reconstruction. It is due to his skill, perseverance and energy that through traffic was resumed so soon. He is a practical superintendent, and his work so far shows that no mistake was made when he was appointed Superintendent of the Carolina Central road.

We were pleased to receive a call this morning from Mr. Geo. Q. Campbell, business manager of Prof. Burk's Educated Horse Show. We found him to be an exceedingly clever gentleman.

DIED.
COX.—Departed this life September 1st, at the residence of his father, James W. Cox, in Kenansville, J. FRANK COX, aged 25 years. He died in the bloom of his youth, loved and respected by all who knew him. At the grave Rev. W. A. Forbes offered up a touching prayer and read an impressive burial service, sympathizing friends sang an appropriate hymn, then their maidens scattered garlands of roses over that newly-made mound, while softly sighing winds seemed to say, dust to dust, but the spirit to God who gave it. Yes, to the God whom he loved and acknowledged with his death. His death was a sudden and untimely one. And as evening's lengthening shadows fell across that silent grave, loved ones could only say *requiescat in pace*, dear Frank, till we meet again. S. S.
