## The Daily Review.

JOSH. T. JAMES, Editor & Prop'r.

WILMINGTON, N. C.

THURSDAY, SEPT. 12, 1889.

Entered at the Postoffice at Wilmington, N.C., as second-class matter.

It is reported from Milan that the Baroness Caioni, a young lady of 19, celebrated for her beauty as well as for her startling originality, has announced her intention of undertaking a journey into the interior of Africa. She will be accompanied by a relative, an elderly lady belonging to the Austrian aristocracy, and attended by several male and female servants. An officer in the Italian army has undertaken to lead the expedition, and is already busily engaged in making arrangements. The party will set out on November 1, and the tour will last for a year. After a call at Aden, Massowah will be visited, and thence the Baroness with her followers will penetrate into the interior of the continent.

A writer signing himself "S. C. C." has written from Marietta, Georgia, to the Chicago *Inter Ocean* urging that maize, or Indian corn, be adopted as the national flower. He points out that corn fed alike the aborigines, the Jamestown settlers and the Pilgrim Fathers, and how it is a staple in every State and Territory. Then he adds: "To crown the merits of this stately plant, its tall stalk, bending in the breeze, its long, tapering leaves, its graceful blossom and golden ear, lend themselves easily to the decorative arts, and, although at present not appreciated by artists taught in foreign schools, the time will no doubt come when the capitals of the columns in our temples will be wreathed with the foliage of zebrays, as of old those of Greece with the acanthus."

Over 80,000 passengers have been taken to Europe from this country by the transatlantic steamship lines since February, but with that number as the basis of calculation and allowing the small fare of \$150 for the round trip it is found that the companies have collected \$12,000,000 for passenger service alone. Nearly all this money will go to Europe. On an average each tourist will spend \$1,000 abroad, making a total of \$80,000,000 expended by Americans who have gone to Europe so far this season. Adding the fares paid to the foreign steamship companies the amount will be over \$90,000,000. Probably \$100,000,000 will be nearer the truth, and the amount will certainly be attained before the season closes. What other country could stand a drain of \$100,000,000 in the course of a summer and without any other return than may be found in the enlightenment and entertainment which its visiting citizens find abroad?

The New York *Sun* says: "The *Christian Advocate*, the able organ of the Methodist communion, contains an article by the Rev. Dr. Baldwin, a former missionary, con- trverting the statements recently made by Lieut. Wood, of the Navy, as to the failure of Christian missions in China. He says that the Presbyterians have a synod in China composed of several Presbyteries, with a number of native preachers; the Methodists a full organized Conference, with between forty and fifty native ministers; the Reformed Church a large Presbytery, or classes, with over 1,000 members; and the Baptists strong and flourishing missions in different parts of the Empire. The number of communicants in all the Protestant Churches he puts at \$5,000, and as an instance of their zeal refers to the gift of \$10,000 to the Methodist Chinese College by Tjong Ahox, "the wealthy Chinese Christian merchant at Foochow." A Roman Catholic correspondent has also presented us with facts regarding the success of the Catholic missions in China, which show that Lieut. Wood spoke without proper knowledge."

Fame is a word ambition loves, And art has ne'er its portrait painted.  
Virtue the heart of avarice moves, Oblivion to the "shiekels" sained; Rarer than even these, by far, Is health, defying poet's diction. Then with it trifle not, nor may— End ill that female pleasures bar by taking Dr. Pierce's Favorite Prescription—a remedy so satisfactory for all those weaknesses and diseases peculiar to women, that they need no longer suffer from them if they will but use this world-famed remedy.

### A Sound Legal Opinion.

E. Bainbridge Munday, Esq., County Atty., Clay county, Tex., says: "Have used E.lectric Bitters with most happy results. My brother also was very low with Malarial Fever and Jaundice, but was cured by timely use of this medicine. Am satisfied E.lectric Bitters saved his life."  
Mr. D. I. Wilcoxson, of Horse Cave, Ky., adds a like testimony, saying: "He positively believes he would have died, had it not been for E.lectric Bitters."  
The great remedy will ward off, as well as cure all Malarial Diseases, and for all Kidney, Liver and Stomach Disorders stands unequalled. Price 50c. and \$1. at Robert R. Bellamy's whole sale and retail drug store.

An Important Element  
Of the success of Hood's Sarsaparilla is the fact that every purchaser receives a fair equivalent for his money. The familiar headline "100 Doses One Dollar," stolen by imitators, is original with and true only of Hood's Sarsaparilla. This can easily be proven by any one who desires to test the matter. For real economy buy only Hood's Sarsaparilla. Sold by all druggists.

The greatest event of an age are its best thoughts. Thought finds its way into action.

PIMPLES ON THE FACE  
Denote an impure state of the blood and are looked upon by many with suspicion. Acker's Blood Elixir will remove all impurities and leave the complexion smooth and clear. There is nothing that will so thoroughly build up the constitution, purify and strengthen the whole system. Sold and guaranteed by Munde Bros., druggists.

Praying without faith is like pumping where there is no spring of water—all the effort is in vain.

CAUTION TO MOTHERS.  
Every mother is cautioned against giving her child laudanum or paregoric; it creates an unnatural craving for stimulants which kills the mind or the child. Acker's Baby Soother is specially prepared to benefit children and ease their pains. It is harmless and contains no opium or morphine. Sold by Munde Bros., druggists.

Take Hood's Sarsaparilla 100 Doses One Dollar

The Chief Reason for the great success of Hood's Sarsaparilla is found in the article itself. It is merit that wins, and the fact that Hood's Sarsaparilla actually accomplishes what is claimed for it, is what has given to this medicine a popularity and sale greater than that of any other sarsaparilla or blood purifier. Hood's Sarsaparilla cures Scrofula, Salt Rheum and all Humors, Dyspepsia, Sick Headache, Biliousness, overcomes That Tired Feeling, creates an Appetite, strengthens the Nerves, builds up the Whole System. Hood's Sarsaparilla is sold by all druggists. \$1; six for \$5. Prepared by C. I. Hood & Co., Apothecaries, Lowell, Mass. Jan 1 Jyrdawnm mws 24

### MISCELLANEOUS.

PEPPER'S MILD CURE, June 20, 1888.—The Specific Company, Atlanta, Ga.—General. One of my children was troubled with rheumatism and boils for about two years. We gave her various kinds of medicine, but without profit, and began to despair of curing her at all. I was persuaded to try your SWISS Specific. I ordered it, and several bottles of the medicine all disappeared, and she is now a hale, hearty and healthy girl with no other ailment. My child has just become afflicted in the same way, and I am using the S. S. S. and anticipate a prompt and permanent cure. H. T. SIMONS, RICH HILL, Mo., July 7, 1888.—The Specific Company, Atlanta, Ga.—Gentlemen: Our little girl when but three weeks old broke out with eczema. We tried various remedies, but without success, and without any special benefit. We tried S. S. S., and by the time one bottle was gone her face began to heal, and by the time she had taken six bottles she was completely cured. Now she has a full and hearty head of hair—a robust, hearty child. I feel it my duty to make this statement. Respectfully, H. T. SIMONS, CHATTANOOGA, TENN., June 27, 1888.—The Specific Company, Atlanta, Ga.—Gentlemen: In 1886 I contracted blood poison, and at once sought a physician, who treated me for several months. My advice I went to Crab Orchard Springs, Ky., where his course of treatment was carefully observed. I recovered, as I thought, but the next spring pimples began to appear on my face and body. These gradually increased to sores and running ulcers. I was advised to try S. S. S., and immediately after taking it I commenced to improve slowly at first, but more rapidly afterwards, and soon nothing remained to tell of my trouble. My blood is now thoroughly cleansed, and my system free from taint, and I owe my present condition—a perfect one—to your medicine. I cheerfully give this statement that others who have suffered as I have may reap the same benefit. HARDY M. BERT, 24 West Ninth St., HOMER, LA., May 25, 1888.—The Specific Company, Atlanta, Ga.—Gentlemen: About two years ago my general health gave way entirely. I could do nothing but lie in bed, almost despaired of ever feeling well again. All that the physicians done for me brought no result. I was completely cured by S. S. S. I should give S. S. S. a fair trial, although I thought it would be throwing away money. After taking a thorough course my health and strength returned, and I must say that S. S. S. alone cured me, as I discarded all other while using it. As a tonic I can most heartily recommend it, for general debility, it certainly is a specific. W. F. BURGESS, J. P. TOWN, LA.—J. R. BRIDGES, and will say that his statement is correct. JOSEPH SHULTON, Druggist. Treatise on Blood and Skin Diseases mailed free. One SWISS SPECIFIC Co., Drawer 4, Atlanta, Ga. nov 26 law 1ydo ch sat
