Merit Wins

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Con-sumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters; and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price. if satisfactory results do not foliow their use. These remedies have won their great popularity purely on their merits. Robert R. Bellamy,

have a new meaning for me hence-forth. Vanilla Beane, I love—" "Caramels, peanut figs, gum?" in-quired the train boy.

Betrothal Under Difficulties. The voice of the young man had a tremulous, vibrant quality, and a glow like that of a June sunset

spread over his face as he took the vacant seat by the side of the young woman and greeted her joyfully. "This is an unexpected pleasure, Miss Beane," he said. "I did not Miss Beane," he said. I did hot know you were on the train. I am not presuming too much, I hope, in rejoicing in the anticipation of a delightful trip, instead of the long tiresome journey of half a day that I had resigned myself to suffer when I came abroad."

"Certainly not, Mr. Winterbot" tom," she replied, and the observant young man noted an increas ing quickness in the fluttering movements of the feathers and flummadidales on the traveling hat

of his fair companion, not due alto gether to the jar of the train. "Her heart is beating faster," he said to himself, but, even in the rapture that thrilled his frame 'and tingled to the ends of his fingers at this discovery, he felt he had taken a sneaking advantage of her and learned something he had no right

as yet to know.

For months Cyrus, Winterbottom had carried in his heart the image of the lovely girl who now sat by his side. For months he had hoped that the time and the opportunity might come when he—but let us not

anticipate., The train thundered along over rocky gorges, around the base of precipitous cliff and down into spacious valleys upon which the spacious valleys upon which the promise of a glorious spring was already showing itself in a land-scape that glowed and smiled be-neath the ardent rays of the sun; but the young man heeded not the panorama of surpassing loveliness that was unfolding itself on either hand. He had something better to look at

look at. "Miss Vaniila," he said, with beating heart, as he braced himself for a superhuman effort, "this may seem an inopportune moment for the con-fession I am about to make, but I am impelled by a feeling I can no longer resist. My heart hungers for-

"Tickets!"

It was the conductors who spoke. A shade of annoyance crossed the Practical Farming, brow of the young man at the in terruption. He produced his ticket, handed it to the official and in a few moments resumed:

"I was about to say that I have Thustrated. The most interesting in the list of papers for the year will be a remark-the by Prot. John Trowbridge, upon recent developments and uses of DELAPHY. Illustrated.

IN THE UNITED STATES.

The coming year promises to be crowded with stirring events. In the United States the entrance of new is-sues into the political arena has been follow-ed by a change of Administration. But the great economic question on which the cam-paign turned is still unsettled, and its solu-tion is now committed to a Congress almost econally divided between the two great parties. equally divided between the two great parties. Europe is a vast camp. Army corps patroi the frontiers, and millions of men await the signal for the most titantic war the world has

ever seen. The HERALD's news-gathering machinery is unequahed. Its correspondents dot the habi table globe Nothing can escape their vigi-lance, and no expense is spared in spreading the results of their efforts before the HERALD's readers. -0-
