WILMINGTON, N. C.

MONDAY, OCTOBER 7, 1889.

Entered at the Postoffice at Wilmington, N.C., as second-class matter.

Commissioner Roosevelt says the critics of the civil service law are confined to three classes of men: Those who cannot get office, who comfort themselves by attacking civil service reform; those whose political power depends upon nothing but their capacity for peddling political patronage, and those dull people who are so deluded by the other two classes.

The Dallas, Texas, Times-Herald's recent trade issue makes a splendid showing for Dallas, which, at the close of the war was a small town. Here are a few points: Population 65,000, taxable values \$21,000,000, six hundred new buildings in ten months, costing \$3,500,000, ten banks, twenty-eight miles of street railways, ninety one factories, railroads in twelve directions.

A Federal Judge in Iowa has decided that railway companies have no right to suspend the operation of non paying branches. The exclusive right granted to build the road carries with it the paramount duty of keeping it open for the public convenience. If sustained by the Supreme Court the decision will establish a valuable principle of railway management in the public interest.

The California Supreme Court last week decided that elevators are common carriers; the first decision of the kind in that State, at least. The suit was brought against a local firm by a man who was injured in an elevator accident. The firm claimed that the accident was due to a defect in the piston rod of the elevator, which no ordinary care on their part could detect. The court held that they occupied the same position as carriers of passengers; as stage or railroad companies, and must share the same responsibility in a case of damage to passengers.

The spirit with which New York took up the project of capturing The Three Americas Exposition appears to be oozing out. There is no site yet agreed upon, and until a site is definitely selected there is no telling how much money will be wanted to make the Exposition a success. As a member of the New York finance committee well says, it is impossible to make progress until there is a basis to work on. At any rate, the money is not forthcoming. Very little has been subscribed, Chicago and St. Louis both surpass New York in the amount of practical work they have done to justify their claims to the Exposition.

The Court of Australia has not yet recovered from the sensation caused by the Shah of Persia. He was considered at Vienna a thorough barbarian. He paid no attention to his royal hosts and snubbed them in the most brutal fashion. On three different occasions he made appointments to visit public institutions at Vienna, and archdukes and ministers assembled to receive him, but he came not. His manners at table were horrible, and he seemed to take delight in shocking the on-lookers. Nasr-ed-Deen, however, scattered decorations around Vienna at a lively pace; fifteen grand crosses of the Order of the Lion and the Sun, sixteen insignia of the first class of the same order, twenty six of the second class, thirty seven of the third class, and fifty two of the fourth and fifth classes.

Wanted, 10,000 Disabled Men, must be in poor health and unable to do a good day's work. A disordered liver or any disease caused by scrofula or bad blood will be considered a qualification, but preference will be given to those having obstinate affections of the throat and lungs or incipient consumption. Apply to the nearest drug store and ask for a bottle of Dr. Pierce's Golden Medical Discovery. It is the only guaranteed cure in all cases of disease for which it is recommended, or money paid for it will be refunded.

He plays well that wins. He's a Jack in office.

WE CAN AND DO

Guarantee Acker's Blood Elixir for it has been fully demonstrated to the people of this country that it is superior to all other preparations for blood diseases. It is a positive cure for syphilitic poisoning, Ulcers, Eruptions and Pimples. It purifies the whole system and thoroughly builds up the constitution. For sale by Munds Bros.

It Works Like a Charm.

Rulon's Magnetic Liniment is a safe and speedy cure for Rheumatism, Neuralgia, Gout, Headache, Sprains, Bruises, Swellings, Diphtheria, Inflammation of the Kidneys and all painful affections. For sale by Munds Bros.

Their Business Booming.

Probably no one thing has caused such a general revival of trade at R. R. Bellamy's Drug Store, as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, Colds, Asthma, Bronchitis, Croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free of charge. \$1 Every bottle warranted.

OCTOBER ODDS.

Sarcastic Guest—"Waiter, how long have been in this establishment?" Waiter—"Six weeks, sir." "Then you were not here when I ordered that beefsteak. Excuse me."—Texas Siftings.

Those people who were married in a balloon last Thursday evidently held the opinion that marriages are made in heaven. But what an earthly thing life must have become since.—Boston Times.

"Is there a wheelright in the delegation?" asked one of the committee. "Why?" asked another. "Because he would be the proper man to act as spokesman."—Pittsburgh Chronicle Telegraph.

"How is your friend Beggs?" "He isn't my friend any longer." "Why, how is that?" "He did me a deadly injury and I don't suppose he'll ever consent to forgive me for it."—Chicago Ledger.

Ethel (entering parlor)—"Oh, Aggie, so glad to see you. (They kiss.) Why, you are engaged to be married, Aggie."—How do you know?" "I can tell by the way you kiss."—Rochester Herald.

Dyspepsia

Makes the lives of many people miserable, and often leads to self destruction. We know of no remedy for dyspepsia more successful than Hood's Sarsaparilla. It acts gently, yet surely and efficiently, tones the stomach and other organs, removes that faint feeling, creates a good appetite, cures headache and refreshes the burdened mind. Give Hood's Sarsaparilla a fair trial. It will do you good.

He loses nothing who keeps God for his friend.

A CHILD KILLED.

Another child killed by the use of opiates given in the form of Soothing syrup. Why mothers give their children such deadly poison is surprising when they can relieve the child of its peculiar troubles by using Acker's Baby Soother. It contains no opium or morphine. Sold by Munds Bros., druggists.

Take Hood's Sarsaparilla 100 Doses One Dollar

The Chief Reason for the great success of Hood's Sarsaparilla is found in the article itself. It is merit that wins, and the fact that Hood's Sarsaparilla actually accomplishes what is claimed for it, is what has given to this medicine a popularity and sale greater than that of any other sarsaparilla or blood purifier before the public.

Hood's Sarsaparilla cures Scrofula, Salt Rheum and all Humors, Dyspepsia, Sick Headache, Biliousness, overcomes that Fined Feeling, creates an Appetite, strengthens the Nerves, builds up the Whole System.

Hood's Sarsaparilla is sold by all druggists. \$1; six for \$5. Prepared by C. I. Hood & Co., Apothecaries, Lowell, Mass. Jan 1 1889

1889 Harper's Bazar.

ILLUSTRATED.

HARPER'S BAZAR will continue to maintain its reputation as an unequalled family journal. Its art illustrations are of the highest order, its literature is of the choicest kind, and its Fashion and Household departments of the most practical and economical character. Its pattern-sheet supplements and fashion plates alone will save its readers ten times the cost of the subscription, and its articles on decorative art, social etiquette, house-keeping, cookery, etc., make it indispensable to every household. Its bright short stories and timely essays are among the best published; and notably is admitted to its columns that could offend the most fastidious taste. Among the attractions of the new volume will be serials by Mrs. Frances Hodgson Burnett, Mrs. Alexander, William Black and Thomas Hardy; and a series of papers on nursery management by Mrs. Christine Terhune Herrick.
