The Daily Review.

JOSH. T. JAMES, Editor & Prop'r.

WILMINGTON, N. C.

THURSDAY, NOVEMBER 7, 1889.

Entered at the Postoffice at Wilmington, N.C., as second-class matter.

California engineers have accomplished the difficult task of lifting the Feather River, a fast flowing stream, fifty feet and carrying it for more than half a mile in an artificial bed at that height above its old channel. It has been accomplished in a little less than a year. The object was to drain the river near Orville in order to reach the very rich gold deposits believed to exist in its bed. The promoters of the great enterprise are chiefly Englishmen.

Instead of abolishing the gaming tables of Monte Carlo the proprietors are vigorously preparing for a new campaign. The Casino is being enlarged and beautified both within and without. The new buildings, which are being furnished with paintings and sculpture, will be reached by an elevator from the railway station, and a splendid gallery is being built which will command a magnificent view of the Mediterranean. In front of the new buildings will be placed colossal statues of Day and Night.

There is now being perfected at Schenectady, N. Y., a machine to more than cover the present field of the graphophone. For some seven months a well-known machinist has been bringing his ideas to tangible form, and the ingenious contrivance is nearly ready to test. Partial tests have already been made, and the results have aroused confidence in the work of the inventor. It is claimed that besides reproducing speech this invention will also at the same time print the matter in type.

A Washington correspondent writing on Saturday last says: "This was pay day in the departments, and the several representatives of the State campaign committees, who are here to receive 'voluntary contributions' from Government employees, expected to reap a rich harvest. Representatives of the Ohio Republican State Committee expected to collect at least \$200 to day from Ohio clerks and employees in the several departments, had they not been interfered with by the civil service commission. It is understood that representatives of the commission called on the officers of the several State Republican associations, and notified them that if any of their committees or agents attempted to solicit campaign assessments from any one connected with the Government, either in or out of the departments, the commission would prosecute both the solicitor and contributor. It is said that many of the clerks refused to contribute what they had promised, giving as an excuse the fear of the civil service commission. The threats of the civil service commissioners to arrest any one found soliciting money in the Government departments for campaign purposes had its effect, and the Virginia committee did not show up to-day, as they promised. The watchmen in the Government buildings were under orders to arrest them if the attempt was made to collect money. Notwithstanding the alleged activity of the civil service commission, however, the Indiana Republicans have issued a call for to-morrow evening for the purpose of organizing an Indiana Republican association."

The Best Snake Story of All.

A man who kept a garden near the river Euphrates, had an adventure with a snake many years ago, has involved himself and family in trouble ever since. One result of this adventure against the woman that "in sorrow thou shalt bring forth children." No doubt this sentence included the many ailments consequent on child-bearing, such as weak brain, female weakness, and the like. Divine wisdom, after this sentence, came to the rescue of woman, and provided remedies for her cure. Best of all is Dr. Pierce's Favorite Prescription—a woman savior—a soothing, sovereign remedy for all such troubles. Millions are using it, and blessing its author. It is the only remedy for these ailments, sold by druggists, under a positive guarantee of giving satisfaction in every case, or money promptly refunded.

"Light, please," as the hunter said to the bird.

PEOPLE EVERYWHERE

Confirm our statement when we say that Acker's English Remedy is in every way superior to any and all other preparations for the Throat and Lungs. In Whooping Cough and Croup it is magic, and relieves at once. We offer you a sample bottle free. Remember, this Remedy is sold on a positive guarantee by Munds Bros., druggists.

Take Hood's Sarsaparilla 100 Doses One Dollar

The Chief Reason for the great success of Hood's Sarsaparilla is found in the article itself. It is merit that wins, and the fact that Hood's Sarsaparilla actually accomplishes what is claimed for it, is what has given to this medicine a popularity and sale greater than that of any other sarsaparilla or blood purifier before the public.

Hood's Sarsaparilla cures Scrofula, Salt Rheum and all Humors, Dyspepsia, Sick Headache, Biliousness, overcomes That Tired Feeling, creates an Appetite, strengthens the Nerves, builds up the Whole System.

Hood's Sarsaparilla is sold by all druggists. \$1; six for \$5. Prepared by C. I. Hood & Co., Apothecaries, Lowell, Mass.

The Verdict Unanimous.

W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years' standing." Abraham Hare, druggist, Bellville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys or Blood. Only half a dollar a bottle at Robert R. Bellamy's wholesale and retail drug store.

Ethics of the Mustache.

A plain, unpretentious mustache indicates nothing in particular, and about the only way you can read a man's character from this standpoint is by the manner in which he trains his mustache and the amount of labor he devotes to it. A man, for instance, who will take a pair of scissors and deliberately trim off the straggling ends of his mustache to keep them from curling up in his nose or in the corner of his mouth, is more sensible than the general run of men who are really able to grow a healthy mustache.

If there is one style of whiskers in the world that is calculated to make a fool of a man more than any other, it is a fine heavy mustache, and, as before hinted, about the only thing we can say of a man who devotes half his time to the training of his mustache is that he is usually very giddy, and his urbanity and vanity are measured by the size and curl of his appendage.

Rheumatism

Is undoubtedly caused by lactic acid in the blood. This acid attacks the fibrous tissues, and causes the pains and aches in the back, shoulders, knees, ankles, hips, and wrists. Thousands of people have found in Hood's Sarsaparilla a positive cure for rheumatism. This medicine, by its purifying action, neutralizes the acidity of the blood, and also builds up and strengthens the whole body.

CAUTION TO MOTHERS.

Every mother is cautioned against giving her child laudanum or paregoric; it creates an unnatural craving for stimulants which kills the mind or the child. Acker's Baby Soother is specially prepared to benefit children and cure their pains. It is harmless and contains no opium or morphine. Sold by Munds Bros., druggists.

A DUTY TO YOURSELF.

It is surprising that people will use a common, ordinary pill when they can secure a valuable English one for the same money. Dr. Acker's English pills are a positive cure for sick headache and all liver troubles. They are small, sweet, easily taken and do not gripe. Sold by Munds Bros., druggists.

Consumption Surely Cured.

To THE EDITOR—Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to any of your readers who have consumption if they will send me their express and post office address. Respectfully, T. A. SLOCUM, M.C., 181 Pearl st., New York.
