ILLUSTRATED.

Its art illustrations are of the highest order, its iterature is of the choicest kind, and its Fashion and Household departments of the most practical and economical character. Its pattern-sheet supplements and fashion plates alone will save its readers ten times the cost of the subscription, and its articles on decorative art, social etiquette, house-keeping, cookery, etc., make it indispensable to every household. It's bright short stories and timely essays are among the best published; and not a line is admitted to its columns that could? fend the most fastidious taste. Among the attractions of the new volume will be serials;) ries by Mrs. Frances Hodgson Burnett, Mrs. Alexander, William Black and Thomas Hardy, and a series of papers on nursery management by Mrs. Christine Terhune Herrick.

Epoch.

The transition from long, linger ing and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health to the use of the Great Alterative and Tonic. If you are troubled with any disease of Kidneys, Liver or Stomach of long or short standing you will surely find relief by the use of Electric Bitters. Sold at 50c. and \$1 per bottle at Robt. R.
