**Inherited Blood Poison.**  
How many people there are whose distress  
from sores, aches, pains and eruptive ten-  
dencies are due to inherited blood poison.  
And blood passes from parent to child, and it is  
therefore the duty of husband and wife to  
keep their blood pure. This is easily accom-  
plished by a timely use of B. B. B. (Botanic  
Blood Balm). Send to Blood Balm Co., At-  
lanta, for book of most convincing proof.  
James Hill, Atlanta, Ga., writes: "My two  
sons were afflicted with blood poison, which  
doctors said was hereditary. They both broke  
out in sores and eruptions which B. B. B.  
promptly controlled and finally cured com-  
pletely."  
Mrs. S. M. Williams, Sandy, Texas, writes:  
"My three poor afflicted children, who inher-  
ited blood poison, have improved rapidly after  
use of B. B. B. It is a Godsend."  
J. R. Wilson, Glen Alpine Station, N. C.,  
Feb. 13, 1885, writes: "Bone and blood poison  
tormented me to have my leg amputated, and on  
the stump there came a large ulcer, which  
grew worse every day until doctors gave me  
up to die. I only weighed 120 pounds when I  
began to take B. B. B., and 12 bottles increased  
my weight to 180 pounds and made me sound  
and well. I never knew what good health  
was before."

# THE DAILY REVIEW

VOL. XIII WILMINGTON, N. C. WEDNESDAY, NOVEMBER 20, 1889. NO. 275.

Eight thousand pounds of lead  
ore in one chunk were taken from  
the De Graff mine at Zixcite, Mo.,  
the other day.

Experiments with a new explo-  
sive called eerasite, which is to dynamite  
as 100 to 70, have recently  
been made in Austria, and are said  
to have succeeded so well that the  
invention has been purchased for  
military purposes exclusively.

There is one Democratic post-  
master in Pennsylvania who con-  
templates a possible removal with  
complete satisfaction. The receipts  
of his office have been \$4.68, while  
the expenses have aggregated \$5.72,  
leaving him \$1.04 out of pocket.

There is a growing feeling among  
English churchmen that the rem-  
edy for ritual disputes may be found  
in a bill to facilitate the creation of  
chapels of ease in parishes where a  
considerable minority of church  
people are dissatisfied with the ser-  
vices provided in their parish  
church.

Mr. Spier Whitaker has been ap-  
pointed by Gov. Fowle to succeed  
Judge Clark on the Superior Court  
bench. It is a good appointment,  
beyond a doubt, but we rise to enquire  
if there are any more lawyers in  
Raleigh who want an "office." If  
there are and there are any  
vacancies, they will get there sure.

The profits of the tables at Monte  
Carlo last year were greater than in  
any previous year; in fact, they  
were so satisfactory that the com-  
pany decided to enlarge the Casino,  
and the work has been proceeding  
rapidly all through the summer. So  
far there have been very few  
visitors to Monte Carlo this season,  
and only five tables in the centre  
room are being played at.

At the Baptist State Convention,  
held in Henderson last week, it was  
decided to establish a Baptist Fe-  
male Seminary and a committee of  
twenty trustees was appointed to  
take the matter in charge and to  
act with the approval of the Con-  
vention. It was agreed to proceed  
at once with the work of raising  
funds and procuring a suitable loca-  
tion for the Seminary. Durham has  
already offered a site and \$25,000 in  
cash.

A Presbyterian Church in Mel-  
bourne has introduced some inno-  
vations into its services, which, al-  
though happily blending patriotism  
and piety, would startle the sober-  
minded Scotchman at home. The  
choir, composed of gentlemen wear-  
ing the Highland kilt and girls at-  
tired in the costume of the Lady of  
the Lake, sing their hymns of praise  
to the music of the bagpipes. The  
ingenious parson who contrived  
these effects has his reward in great-  
ly enlarged congregations.

"I have found out a gift for my  
fair." Naturally it may be supposed  
it is a flower for her hair, a dia-  
mond for her finger, or a box of  
candy, but it is far better than  
these. It is a bottle of Salvation  
Oil to cure her neuralgia, pretty  
dear.

There was quite an exodus for  
Fayetteville to-day and "still there's  
more to follow."

Rev. Dr. Pritchard, who has been  
absent in attendance on the Baptist  
State Convention at Henderson, is  
expected home to-night.

Catarrah originates in scrofulous  
taint. Hood's Sarsaparilla purifies  
the blood, and thus permanently  
cures catarrah.

On account of the Centennial cele-  
bration at Fayetteville the banks of

There is plenty of water for steam-  
boating purposes now in the Cape  
Fear, and boats can run through

The Lutheran Synod, which has  
been in session several days, closed  
its labors and formally adjourned  
last night. It has been an interest-  
ing occasion and we are glad to  
know that the many strangers who  
have been present as delegates, were  
pleased with our city and its people.

The alarm of fire was turned in  
from box 23 at half past 1 o'clock this  
afternoon on account of a blaze  
having been discovered on the roof  
of the two story frame dwelling of  
Richard Reed, colored, on Ninth  
street, between Church and Castle.  
The fire department soon reached the  
scene, but their services were not  
needed, as the fire had already been  
extinguished by the neighbors. Dam-  
age slight.

Last Night's Fire.

A defective grate in the house of  
Mr. J. M. Mitchell, on Second street,  
between Church and Castle, was the  
cause of a fire last night. The  
alarm was given at about 8 o'clock,  
the fire department turned out  
promptly and the flames were soon  
extinguished. The damage was  
about \$400, fully covered by insur-  
ance in the agency of Messrs. Smith  
& Boatwright.

Attempted Burglary.

At about 3 o'clock last Sunday  
morning, Mr. F. M. Hewlett, who  
lives at what is known as the O. G.  
Parsley place, near Hilton, was  
aroused by his wife who told him  
that some one was trying to break  
into the house. He jumped up just  
as a burly colored man had forced  
open one of the blinds, and when  
the latter was asked what he wanted,  
he replied that he wanted to  
find Mr. Chadbourne's. Mr. Hewlett  
told him to wait a minute and he  
would show him the way and ran  
for his pistol. The scamp ran and  
was going through the gate just as  
Mr. Hewlett opened the door and  
blazed away at him, but, unfortu-  
nately without effect.

100,000 People Perish!

More than 100,000 persons annu-  
ally die in this country from Consump-  
tion, which is but the child of  
Catarrah. \$500 reward is offered by  
the proprietors of Dr. Sage's Catarrah  
Remedy for a case of Catarrah which  
they cannot cure. The Remedy is  
sold by druggists; 50 cents.

Refreshing and Invigorating  
Delicious Soda Water as drawn from  
Mund's Brothers' magnificent new  
soda fountain at a temperature of

and Natural Mineral Water.

Not Guilty.

In the case of Bryant Carroll who  
was on trial yesterday for the  
murder of his wife by poison in the  
Criminal Court—it having been re-  
moved here from Brunswick  
County—the jury returned a verdict  
of not guilty. The accused being  
without any counsel, Messrs. Sol  
Weil and Fredell Meares were as-  
signed by the court to the important  
duty of conducting his defense,

which they did in a masterly man-  
ner. They are young men, with  
but little practical experience before  
the courts, but the skill as well as  
forensic eloquence they displayed  
and the earnestness with which they  
defended their client won deserved  
eulogiums from all the members  
of the bar, and the hearty gratitude  
of the accused whom they relieved  
of the most fearful apprehensions.  
There is a glorious future for them.

"Is a man or a woman justified in  
telling a lie?" was debated in a  
Western literary society. When we  
say that thousands have been cured  
by Dr. Bull's Cough Syrup we tell  
the whole truth.
