\$500, or Cure Your Catarrh.

For a long series of years the manufacturers of Dr. Sage's Catarrh Remedy, who are thoroughly responsible, financially, as any one can easily ascertain by proper enquiry, have offered, through nearly every newspaper in the land, a standing reward of \$500 for a case of nasal catarrh, no matter how bad, or of how long standing, which they cannot cure. The Remedy is sold by all druggists at only 50 cents. It is mild, soothing, cleansing, deodorizing, antiseptic and healing.

Consumption Surely Cured.

TO THE EDITOR—Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. C., 181 Pearl st., New York.

### Forecasts.

For North Carolina, fair weather followed by rain in the southern portion and slightly cooler, followed by warmer, on Wednesday. For Wilmington and vicinity, light rain to-night.

### Confirmed.

The favorable impression produced on the first appearance of the agreeable liquid fruit remedy Syrup of Figs a few years ago has been more than confirmed by the pleasant experience of all who have used it, and the success of the proprietors and manufacturers, the California Fig Syrup Company.

### Oysters and Literature.

Not only a nice supper but a pleasant evening afterwards is promised all who attend at the City Hall this evening, by the ladies of St. Paul's Episcopal Church. An elegant supper will be spread, from 6 to 10 o'clock, and after that the literary exercises will begin. When we say "literary exercises" we also, of course, include Punch and Judy and the donkey party. A very tempting bill of fare has been arranged for the meal, which will consist of oysters, turkey, salad, coffee, &c., &c., the price for all of which will be but 50 cents.

### City Court.

The following were the cases before the Mayor this morning:

McBell, arrested on suspicion of larceny, was discharged.

Edward Stiles was found guilty of disorderly conduct and fined \$20 and costs.

George Sadgwar, charged with assault and battery, was found not guilty and discharged.

Mary Larkins, assault with a deadly weapon, case continued.

Ed. Connor, disorderly conduct, \$20 and costs.

Millie Davis and Lizzie Davis, arraigned on a charge of disorderly conduct, were found not guilty and discharged.

### Gratifying Exhibit.

Grace Methodist Church presents a very cheering and gratifying exhibit of its transactions for the past Conference year. In addition to the payment of all of the salaries of the pastor and presiding elder the assessments for the various causes will be paid in full to the annual Conference and the average contribution amounted to \$16.73 per member for the year. The attendance upon the services has been large not only on Sunday but at the weekly meetings. The church was crowded, both morning and night, last Sunday and as it was Rev. Mr. Creasy's last services for the year it showed what a strong hold he has on the affections of the people.

### The Show Last Night.

The Bell-Ellis combination opened their week's engagement at the Opera House last night to a house which was packed—almost literally—from the parquette floor to the ceiling. They gave a fine entertainment and more than sustained the enviable reputation they made here last winter. Prof. Ellis was as usual to the fore and the wonderfully deft manner in which he performed his various pleasing tricks was delightful to behold. The Chinese juggler, Majilton, got in some excellent work and carried the house by storm and the Marionettes were even better than on their last appearance here.

Many valuable presents were given away. Those holding the lucky numbers were Dove Prices (colored), who received a tea set of forty-four pieces; Augustus Hilbur, a chamber set of twelve pieces; Sarah Jane Walker, (colored,) a pair of large student lamps.

To night the leading presents given away will be a dinner set of 156 pieces, a chamber set of 12 pieces, a solid coin silver watch, a barrel of the best family flour, and 150 other presents.

The Detroit Free Press defines a tack as a simple, unpretending sort of a young nail. We wonder how it would describe a sneaking, treacherous cold; one for instance that Dr. Bull's Cough, Syrup only can cure.
