the ACME and GEM, is now established, and the results of three years' use in the hands of the best farmers of this and other States will attest their value as a high grade manure. The MATTING, made from the leaves of our native pine, is conceded to be equal to any wool carpet for comfort and durability and the demand for it is daily increasing. It has virtues not found in any other fabric.

The FIBRE or WOOL is extensively used for upholstering purposes, and as a filling for Mattresses is almost equal to hair, being light elastic and proof against insects.

Certificates from reliable parties using our goods can be seen at our office, or will be mailed upon plication.
