Inherited Blood Poison.
How many people there are whose distress
from sores, aches, pains and eruptive ten-
dencies are due to inherited blood poison.
Bad blood passes from parent to child, and it is
therefore the duty of husband and wife to
keep their blood pure. This is easily accom-
plished by a timely use of B. B. B. (Botanic
Blood Balm). Send to Blood Balm Co., At-
lanta, for book of most convincing proof.
James Hill, Atlanta, Ga., writes: "My two
sons were afflicted with blood poison, which
doctors said was hereditary. They both broke
out in sores and eruptions which B. B. B.
promptly controlled and finally cured com-
pletely."
Mrs. S. M. Williams, Sandy, Texas, writes:
"My three poor afflicted children, who inher-
ited blood poison, have improved rapidly after
a use of B. B. B. It is a Godsend."
J. R. Wilson, Glen Alpine Station, N. C.,
Feb. 13, 1888, writes: "Bone and blood poison
forced me to have my leg amputated, and on
the stump there came a large ulcer, which
grew worse every day until doctors gave me
up to die. I only weighed 120 pounds when I
began to take B. B. B., and 125 bottles increased
my weight to 180 pounds and made me sound
and well. I never knew what good health
was before."

Confirmed.

The favorable impression pro-
duced on the first appearance of the

ant experience of all who have used
it, and the success of the proprietors
and manufacturers, the California
Fig Syrup Company.

for Clinton. It will be composed of

They hope to carry 85 men, as that

street, and Mrs. Wiggins extends a
cordial invitation to the ladies to

all cash purchasers on those days
and a handsome souvenir to each
and every cash customer. Fuller
particulars will be found in adver-
tisement published in this issue.

Election of Officers.
The annual meeting for election
of officers of the Howard Relief Fire
Engine Company was held last
night, resulting as follows:
President—M. Rathjen.
Vice President—G. W. Rivenbark.
Secretary and Treasurer—J. G. L.
Geischen.

Foreman—H. J. Geischen.
First Assistant—J. W. Duls.
Second Assistant—J. D. Doescher.
The meeting was largely attended,
and three new members were elect-
ed.

Audit and Finance.
The regular monthly meeting of
this Board was held yesterday after-
noon.

Bill of James Elder, county jailor,
for "handling city prisoners in and
out of jail" (64 days at 50 cents per
day), \$32, was ordered to be sent to
the County Commissioners, with the
request that the county pay it, inas-
much as the city had taken care of
the county prisoners without charge
during the time the county had no
jail.

The chairman submitted a state-
ment, (showing the bonded debt of
the city, which amounts to \$909,800.)
and suggested a plan for reducing
the annual interest account, which
will amount to \$47,588 when all of
the railroad bonds are issued, and
which, if not reduced, will seriously
retard anything like a system of
street improvements by the city
authorities; that application be
made to the next General Assembly
for authority to consolidate the old
bonds amounting to \$408,800 and to
issue in their stead new consolidated
bonds, to run thirty years and to
bear interest not exceeding 5 per
cent. per annum. If this can be ac-
complished, Mr. Jones says, the
reduction of the interest account
will amount to over \$6,000 a year,
and besides this the entire debt will
thus become a new one. The sink-
ing fund can, he says, be readjusted
by retiring \$75,000 to \$80,000 from
that fund, and then leave from ten
to fifteen thousand dollars in it,
which will be ample to represent
the proportion due by that fund to
the balance of the debt not included
in the consolidation; and moreover,
this reduction of this fund will re-
duce the bonded debt, and still fur-
ther reduce the interest account
something over \$4,000, making a
total of more than \$10,000 saved on
annual interest.

The old bonds amount to \$408,800;
interest, \$26,588. The new bonds
are: Funding bonds, issued 1887-'88,
\$150,000; C. F. & Y. V. R. R. bonds,
\$150,000,000, and Onslow R. R. bonds
\$100,000.

On motion, the communication
was received and a copy ordered to
be sent to the Board of Aldermen.

Bills for current expenses amount-
ing to \$4,728.83, were submitted and
approved.

A Bad Spell.
A merchant's clerk wrote a check
for forty dollars, and spelled the
numerical adjective "f-o-u-r-t-y."
His employer directed his attention
to the error, with the remark, "you
seem to have a bad spell this morn-
ing," to which the clerk replied,
"sure enough; I've left out the
'g h'!" Let us hope the clerk will
still further amend his orthography,
meanwhile, if any suffer from a
"bad spell" of headache, superin-
duced by constipation, ask your
druggist for Dr. Pierce's Pleasant
Purgative Pellets. Entirely vege-
table, mild, prompt and effective,
and a most efficient remedy for de-
rangements of the liver, stomach
and bowels.

Board of Aldermen.

The Board met in regular session
last night.

A communication was presented
from Rev. C. L. Arnold, offering to
purchase the small building on the
corner of Fourth and Dock streets
and to pay the city a reasonable
ground rent. The paper was refer-
red to the Public Buildings Com-
mittee with power to act.

The special committee appointed
to investigate charges against the
Chief of the Fire Department sub-
mitted the following report:

A majority of your committee ap-
pointed for the purpose of investi-
gating charges preferred against
Mr. Martin Newnan, Chief of the
Fire Department, by the Fire Com-
mittee of the Board, respectfully
submit the following: That after a
patient and thorough examination
of witnesses on both sides, we find
that while there seems to be some
difference between the Chief and
the Fire Committee, yet the charges
as brought against the said Chief in
his official capacity were not sus-
tained by the evidence submitted.
We also submit all the papers re-
ferring to the matter.

The report is signed by Aldermen
Hicks and Craft.

Alderman Morton, the other mem-
ber of the committee, submitted a
statement giving his reasons for not
signing the report; that while the
charges were not in his estimation
sustained, there was an apparent
discourtesy to the Fire Committee,
but which he did not now believe
was intended. He recommended
that the resolution of August 6th in
regard to the Fire Department be
repealed and that Fire Committee
be requested to draft rules and re-
gulations for the government of the
Department, the Chief and the com-
mittee.

The report submitted by Alder-
men Hicks and Craft was adopted
without dissent.

Reports of the Chief of the Fire
Department and the Superintendent
of Health were read and ordered
filed.

The approval of the Board of
Audit and Finance in the award of
contract for coal to Boeseli Bros. at
\$6 per ton was received.

A communication from the Board
of Audit and Finance in relation to
the bonded debt of the city was on
motion referred to the Committee
on Finance.

Petition of A. D. Brown and
others for grading Fifth street, be-
tween Ann and Market, was referred
to Committee on Streets and
Wharves.

Petition of Parsley & Wiggins for
a fire alarm box on Fourth and Ashe
streets and a fire hydrant in vicini-
ty, was granted, the Board of Audit
and Finance concurring.

Alderman Morton moved that the
Cape Fear fire engine be removed to
some point north of the railroad.
Referred.

Alderman Hicks offered a resolu-
tion for the better regulation of the
Fire Department; that a committee
of three be appointed to report an
ordinance defining the powers and
duties of the Chief of the Fire De-
partment, so that there shall be no
conflict with the Fire Committee.

The chair appointed as the com-
mittee Aldermen Post, Morton and
Montgomery.

Forecast.
For North Carolina, fair weather
and stationary temperature. For
Wilmington and vicinity, fair weath-
er.
