Mr. and Mrs. Thos. H. McKoy,  
 Jr., are here on a visit to Capt. T.  
 M. Emerson.

We are very sorry to hear that  
 Mr. F. J. Lord is seriously ill at his  
 residence in this city.

A party of seven gentlemen went  
 down to Orton to-day for a few days  
 of hunting and fishing.

This warm weather, now so near  
 its close, has been especially hard  
 on the butchers. A dealer in Front  
 Street Market told us this morning  
 that he threw away last week  
 enough meat to feed 500 people.

Cutlery. Our stock of Standard  
 Cutlery is very complete. We keep  
 everything in this line that you can  
 possibly desire, and our prices are  
 the lowest. Drop in and look at our  
 assortment. N. Jacobi Hdw. Co. †

Every room in the Purcell House  
 last night was full. But for the  
 fact that the "Booties' Baby" troupe  
 left yesterday the management  
 would have been compelled to turn  
 guests away, for the want of room.

We doubt if we have the Russian  
 influenza here. It seems to be follow-  
 ing the "Star of the Empire," like-  
 wise the free gratis audience of the  
 late H. Greeley, Esq., and to be going  
 West. The hoosiers are surely wel-  
 come to our share of it.

Miss host. Smith, of the Orton  
 House, gave a party there on Satur-  
 day night to the little ladies who are  
 now stopping at the house. They  
 were allowed to invite their own  
 guests. It was a very pleasant  
 affair and heartily enjoyed.

One of the most noted musical  
 events in the history of Wilmington  
 will be the appearance here to mor-  
 row night, at the Opera House, of  
 the famous violinist, Ovide Musin.  
 He will be handsomely and ably  
 assisted in the grand concert. Music  
 lovers should not miss this rare  
 artistic treat.

The Princetonians are here to-  
 day, and put up at the Orton House.  
 They are apparently very young  
 men and boyish in their appearance.  
 They look like a clever set of fellows  
 and we are sure that they will give  
 a fine entertainment to night, at the  
 Opera House. They will be greeted  
 by a large audience.

The thermometer stood at 75 de-  
 grees in the open air at 1 o'clock to-  
 day. It is to be down to 32 by 8  
 o'clock to-morrow morning, which  
 is a drop of 43 degrees in perhaps a  
 little more than twelve hours. At  
 this writing doors and windows are  
 open to catch the breeze and pedes-  
 trians seek the shady side of the  
 street.

The British schooner *Victory*, Capt.  
 Bethel, arrived here late Saturday  
 afternoon from the Bahamas, with  
 a cargo of very fine fruit, which is  
 now offered for sale by the con-  
 signees, Messrs. Cronly & Morris.  
 The oranges are especially fine and  
 no better fruit was ever brought  
 here. They are as juicy and sweet  
 as the Florida oranges, when plucked  
 ripe from the tree.

Young ladies, on the eve of mar-  
 riage, now give "spinsters' dinners,"  
 at which female friends only are en-  
 tertained. They are allowed to talk  
 of everything, and never fail to men-  
 tion the numerous curative benefits  
 of Dr. Bull's Cough Syrup that cures  
 all coughs, colds, bronchitis, croup,  
 and sore throat.

Any one in need of an experienced  
 drug clerk is referred to ad. in this  
 issue.

Heating Stoves of all kinds and  
 sizes. We will give you substantial  
 goods and low prices. N. Jacobi  
 Hdw. Co. †

The members of the Germania  
 Cornet Band will give their usual  
 New Year's Masquerade Ball at  
 some early date.

The steam tug *Easton* has been  
 raised and placed on the ways in  
 this city. Several small leaks were  
 found in her stern.

They still call it fair boating wa-  
 ter in the river but the bottom is  
 coming up pretty near to the top.  
 Rain is sadly needed.

The blood is the source of health.  
 Keep it pure by taking Hood's Sas-  
 saparilla, which is peculiar in its  
 curative power.

The farmers everywhere have  
 been taking advantage of this fine  
 weather and have been putting in  
 some good work in the fields.

The children of the Lutheran Sun-  
 day School will give a concert and  
 festival in Lather Memorial Build-  
 ing, at 8 p. m., on New Year's Day.

Very heavy dews now visit this  
 section. The ground was as damp  
 early this morning as though a  
 slight rain had fallen during the  
 night.

There are 26 members of the  
 Princeton Glee Club and they all  
 took a trip down to the salt water  
 this afternoon on the Seacoast Rail-  
 road.

An extra train will be run on the  
 Seacoast Railroad on Wednesday  
 morning (New Year's) leaving here  
 at 10 o'clock and returning at 1  
 o'clock.

Mr. James H. Springer, who has  
 been here during the holidays, on a  
 visit to his brothers, will leave to-  
 night or to-morrow morning on his  
 return home.

The New Year's Eve Ball, to be  
 given by Germania Lodge No. 4, K.  
 of P., at Germania Hall, to-morrow  
 evening, promises to be one of the  
 most delightful events of the season.

The mornings are now at their  
 shortest, the sun rising at 7:11 to-  
 day and to-morrow. On Wednesday  
 it will rise at 7:10 and thenceafter  
 both mornings and afternoons will  
 grow longer.

Mr. George Hewlett, of this city,  
 is a first-class sleight of hand per-  
 former. He is equal to Ellis in  
 many things. He is the most skill-  
 full prestigator we ever seen off the  
 stage.

New Year's Day being a holiday,  
 the Postoffice will be closed, as on  
 Sundays, except that the carriers  
 will make one delivery early in the  
 morning. The Carriers' and Gen-  
 eral Delivery Windows will be open  
 from 9 a. m. to 10 a. m.

The annual report of the mete-  
 orological division of the North  
 Carolina Agricultural Experiment  
 Station, for 1888, has been received.  
 It is a neatly printed pamphlet of  
 twenty seven pages, showing the  
 work of the State Weather Service,  
 and giving reports, from stations,  
 etc., and much other information of  
 interest and value.

**Booties' Baby.**  
 The entertainment at the Opera  
 House on Saturday night, "Booties'  
 Baby," was a very fine one and it  
 was witnessed by a large audience—  
 a much larger one, in fact, than is  
 generally accorded a Saturday night  
 performance here. It is a good  
 piece and it was presented very  
 handsomely. We commend the  
 company to our brethren of the  
 press wherever it may go.

"What's female beauty, but an air  
 divine,  
 Through which the mind's all-gent-  
 ler graces shine."  
 This may be good logic in poetry  
 but in real life "the mind's all-  
 gentler graces shine" to better ad-  
 vantage when closed in a sound  
 physique. Dr. Pierce's Favorite  
 Prescription is a positive cure for  
 the most complicated and obstinate  
 cases of leucorrhoea, excessive flow-  
 ing, painful menstruation, unnatural  
 suppressions, prolapsus, or falling  
 of the womb, weak back, "female  
 weakness," anteversion, retrover-  
 sion, bearing-down sensations,  
 chronic congestion, inflammation  
 and ulceration of the womb, inflam-  
 mation, pain and tenderness in  
 ovaries, accompanied with "internal  
 heat."

Last week was a week for marry-  
 ing and giving in marriage. The  
 Register of Deeds issued ten licenses  
 during the week, four of which were  
 for white couples and six for colored  
 couples.

A Genuine Cold Wave.  
 We are going to have some cold  
 weather now, sure enough. A big  
 change is impending. The cold wave  
 signal was hoisted here at 10:30 last  
 night and the special bulletin is-  
 sued by the Signal Office says that  
 the temperature will fall to about  
 32 degrees by 8 o'clock to-morrow  
 morning. You can pull the blankets  
 over you to night and build a  
 big fire to-morrow morning.

"Men should be what they seem,"  
 and if they are suffering tortures  
 with toothache, they should not try  
 to smile and look cool and hand-  
 some. How much wiser to ease the  
 pain with a bottle of Salvation Oil,  
 which can be bought for 25 cents.
