## The Daily Review.

SATURDAY, JAN. 4, 1890.

### STATE NEWS.

**Wadesboro Messenger:** Mrs. Edmund B. Richardson, nee Miss Sallie Marshall, died suddenly at her home in Leona, Texas, on December 17th. Mrs. Richardson was the oldest daughter of Clement Marshall, deceased.

**Asheville Citizen:** Saturday last, two white men, Bud Rollins and Pace of Tryon City, got into a violent altercation about a woman. During the fight Rollins bit off the greater part of Pace's nose, and then jumped on him and kicked him in the face, mutilating him horribly. Rollins has been arrested.

**Raleigh News and Observer:** Adjutant General James D. Glenn was here yesterday for the purpose of placing his annual official report which he has just completed in the hands of the printer. The report will make an excellent showing. There are now 1,505 men in the State Guard and General Glenn says that these men are not merely counted on paper but they show up in ranks. The negro exodus seems to be growing instead of abating. They have been gathering along the line of the railroad east of here for several weeks and night before last they started. There were two extra trains and a number of cars on the regular train, all filled. The total number of emigrants was 1,140. It looked like all the negroes in Wake county were congregated at the depot to see them off.

**Mt. Olive Telegram:** Wednesday, Miss Belle Marable, oldest daughter of Rev. B. F. Marable, D. D., and one of the most lovely young ladies of our town; and Prof. S. H. Deau, of Texas, were married in the Presbyterian Church, Rev. J. C. McMullen, of Goldsboro, officiating. Last Friday night Mr. Claude Summerlin was awakened by a noise in his kitchen and on going in to see what it was found it on fire. He tried to extinguish the flames but after throwing on two buckets of water he saw that he was unable to save the building. Several of the neighbors were soon on the spot and succeeded in saving the entire contents of the dwelling but everything in the kitchen was burned. Mr. Summerlin's loss is about \$700 and falls very heavily on him as he is a poor man and had no insurance on his dwelling or furniture.

**Charlotte Chronicle:** David Alton, colored, of Concord, a brake man on the C. F. & Y. V. Railroad, was killed Wednesday morning near Greensboro, while the train was passing under a bridge. The remains of the dead man were taken to Concord for interment. Eleven car loads of negro emigrants, numbering about 2,000, stopped in Charlotte a while yesterday. The larger portion of them were from Wayne, Pitt and Lenoir counties. They were on their way South to different locations. This crowd of negroes will be divided among the States of Mississippi, Louisiana, Texas and Alabama. Some of them said that the inducement offered is a farm to rent, the landlords agreeing to furnish the tenants with supplies for half the year. Others said that they did not know what they would do until they arrived at their destination, and that they were under obligations to the agents to work out their passage, after which they will look out for themselves. Many seemed not to know why they were going. The agent told the reporter that 2,000 negroes left Goldsboro Wednesday for Georgia, by way of the Atlantic Coast Line. The emigrants from Pitt said that nearly all the negroes have left that county, most of those that remain being in the towns.

"What's female beauty, but an air divine,  
Through which the mind's all-gentler graces shine."

This may be good logic in poetry but in real life "the mind's all-gentler graces shine" to better advantage when closed in a sound physique. Dr. Pierce's Favorite Prescription is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

#### Gratifying to All.

The high position attained and the universal acceptance and approval of the pleasant liquid fruit remedy Syrup of Figs, as the most excellent laxative known, illustrate the value of the qualities on which its success is based and are abundantly gratifying to the California Fig Syrup Company.

#### Grace Church To-morrow.

At 11 a. m. to-morrow the pastor will preach a memorial sermon for the late and sainted Mrs. Catherine G. Kennedy. Preaching at 7 1/2 p. m. Sabbath school at 3 1/2 p. m. #### Their Works Do Follow Them.

The Asheville Citizen has the following beautiful article relative to the death of Mrs. C. G. Kennedy. If we mistake not it is a tribute from the pen of Mr. Jno. D. Cameron, who though a life-long acquaintanceship with the deceased lady is fully qualified to speak of her many virtues: "The death of the venerable Mrs. Kennedy recently in Wilmington is one of those events which touches the chord of human sympathy everywhere. Born in the year 1800, she nearly reached the close of the century, passing her long life in a uniformity of good works almost without parallel in the annals of human being. She was an humble Christian, but as a Christian a hard worker in the cause of humanity and of religion. She was the wife of a pious Methodist minister, who was gathered to the harvest long time ago; but in her benevolence, her works of Christian charity, her sympathies and her affections she knew no creed or denomination. She was thoroughly the Christian woman and the Christian worker. If ever earth gave a saint to heaven, it was when Mrs. Kennedy was transplanted to the realms above."

#### The Non-Commish.

At the regular monthly full-dress drill of the Wilmington Light Infantry, held last night, Capt. W. R. Kenan announced the appointment of the following non-commissioned officers:

- First Sergeant—W. N. Harris.
- Second Sergeant—E. W. Moore.
- Third Sergeant—R. L. Holmes.
- Fourth Sergeant—J. J. Smith.
- Fifth Sergeant—Walker Taylor.
- First Corporal—G. A. Huggins.
- Second Corporal—C. H. White.
- Third Corporal—Don MacRae, Jr.
- Fourth Corporal—P. Heinsberger.

It is the beautiful peculiarity in this company that the officers graduate into privates, as well as privates into officers. Sergeant Harris was recently a commissioned officer but voluntarily declined a reelection and went into the ranks. Col. Cantwell, who formerly commanded the company and is now on the Governor's staff, is a private and is always "there" and Lieut. J. C. Morrison, who was also for several years the captain of the company, fluctuates between the chevrons and the epaulettes. No wonder that the morale and discipline and efficiency of such a corps is superb.

### Interesting to Superior Court Clerks.

Chapter 367 of the laws of North Carolina, of 1889, is of special interest to the Superior Court Clerks. It requires that clerks of the Superior Court shall make a sworn statement to the Board of County Commissioners, of all money in their hands, and of all the sources from which it is received, on the first Monday in January of each year.

#### The Land of Flowers.

We are indebted to our clever friend, Capt. R. P. Paddison, for an invitation to attend the Florida Sub-Tropical Exhibition, for the season of 1890, at Jacksonville. It will open on Thursday next, the 9th inst.

We also acknowledge the courtesy of an invitation to attend the Florida International Semi-Tropical Exposition, which will open at Ocala on the 15th inst and continue until April 1st.

#### Gold Medal Awarded.

The medal for efficiency during the past year in the Howard Relief Fire Engine Co. No. 1 has been awarded to our clever and handsome young friend, Mr. Henry Gieschen. The medal, which is of gold, and in the shape of a Maltese cross, is now at Mr. Dingelhof's. It is suspended from a gold bar and is beautifully ornamented and appropriately engraved. It will be presented at the next meeting of the company.

#### Week of Prayer.

The following is the programme for the Week of Prayer, commencing on Monday next. Services will begin at 8 p. m. each evening, except on Saturday.

Thursday, January 9th—The Church at Home. In Grace M. E. Church; led by Rev. R. E. Peele.

That the church may be awaked to an appreciation of her increased opportunities and responsibilities for bringing the Gospel to every home in cities, rural districts and new settlements, and to our immigrant population. Isa. lxii: 1-4; Jno. 1:35-40; xvii: 20-23; Mark ii: 3-5.

Friday, January 10th—The Church Abroad. In St. Andrew's Presbyterian Church; led by Rev. F. D. Swindell.

Prayer for missionaries, for those who are preparing to enter the foreign work, and that their number may be greatly increased; for native pastors and helpers; for missionary schools and colleges; for native churches and converts, especially such as endure persecution for Christ's sake; for the suppression of the opium traffic, the rum traffic, and the slave trade; for the manifestation of Christ as the promised Messiah to God's ancient people, Israel; for the quickening of nominal Christians; for the conversion of Mohammedans and heathens. Rom. xi: 2; Cor. iii; Jer. xxxii: 1-14, and 31-40; Jno. iv: 31-43; Matt. ix: 27-38; 2 Cor. v: 8-21.

Saturday, January 11th—Thanksgiving. In First Baptist Church, led by Rev. P. H. Hoge, D. D.

For manifold blessings, spiritual and temporal, public and private; for the maintenance of peace among the nations; for answer to prayer; for the progress of Christ's Kingdom; for a growing spirit of Christian love and co-operation; for the increasing number of those who have dedicated themselves to the service of missions; for the privilege of being permitted thus unitedly to lay our requests before God during this Week of Prayer. Psa. cvii: 1 Sam. ii: 1-10; 1 Chron. xxix: 10-15; Isa. xii; Eph. i; Rom. xii; Psa. cxxxv.

#### Children's Concert to be Repeated.

The fine children's concert given on last Wednesday night in Luther Memorial Building, which called forth so many encomiums and gave such general satisfaction and great pleasure to all who heard it, will be repeated, with some changes, on next Friday, Jan. 10th, in Luther Memorial Building. No doubt, it was the finest children's concert gotten up by local talent that we have had for some time in our city, and all who hear it will enjoy it highly. We are glad to know that it will be repeated. We say, "success to all such noble undertakings."

#### It is More Blessed to Give Than to Receive.

At the City Hall last night there was an immense Christmas Tree gotten up by the ladies of the First Baptist Church, and the children of the Sunday School, for the benefit of the poor. The presents were numerous and some of them valuable. They were just such things as were needed by the indigent. A supper, at which about 400 people were fed, was one of the features of the occasion. The affair was under the management of Mrs. S. H. Burr and Mrs. W. P. Oldham for the Christmas Tree and Mrs. W. A. French and Mrs. J. S. Allen for the supper. It was in every way a most successful and a most delightful affair and many a poor child's heart was made glad and happy.
