JOSH. T. JAMES, Editor & Prop'r.

WILMINGTON, N. C.

TUESDAY, JAN. 24, 1889.

Why is it that our men of science, with all their marvelous achievements in various fields, have never yet discovered, says the New York Tribune, the secret of determining in advance whether the acoustic properties of any building intended to hold large audiences will or will not be good?

An ancient and remarkable clock has been recently set up in the reading room of the municipal library at Rouen, France. A single winding keeps it running fourteen years and some odd months. It was constructed in 1682, underwent alterations in 1816, was bought by the city of Rouen in 1838, and has been recently repaired and set going.

The latest statement of the German statistical bureau is to the effect that during the first nine months of the past year 79,985 emigrants, 39,085 Germans and 40,900 of other nationalities, were shipped from Bremen. Of the total 76,810 went to the United States, 707 to Brazil, 1,712 to the State of La Plata, 504 to Australia, 233 to Asia and 19 to Africa.

According to the New York Tribune, "you can get the throne of Hawaii for a trifle of \$800,000, perhaps less if you pay cash down. The throne is in good condition, having been recently upholstered with the best curled hair. The crown and the sceptre, both as good as new, will be thrown in, as King Kalakaua would like to go out of the Kingdom if somebody will make it worth while for him to withdraw."

Although the buffalo has become almost extinct in the United States, vast herds of this distinctively American "big game" roam over the boundless plains of northern Australia, and wallow in their shady pools. These animals, which are magnificent specimens of the Bison Americans, are the descendants of some buffaloes landed at Port Essington in 1829. They have rapidly multiplied, and now afford excellent sport to the hunter.

France is going to put on an increased tax upon strong liquors as a means of checking their sale as much as possible. The present Ministry is very much in earnest in the matter, and means to carry through the reform while the country is in a good humor over the success of the exhibition. The Germans will be sufferers by the taxation if it becomes prohibitive, for they manufacture most of the liquor which is drunk by the Belgians, and the poorer classes in northern France.

The newly-formed United States of Central America are arranging their ante-nuptial contract. For the first ten years the Union will simply be an offensive and defensive alliance, and the President of the Union will have charge only of the diplomatic and foreign relations of the five Republics. At the expiration of that period the Union will be cemented by the adoption of a constitution which will embrace all political, commercial and other relations between the five Republics and foreign Powers.

Slipping Past the Palace, without nauseating those who take them; the little, sugar-coated Granules, known all over the land as Dr. Pierce's Pleasant Purgative Pellets, produce an effect upon the bowels very different from that of a disagreeable, violent purgative. No griping or drenching follows, as in the case of a drastic chologogue. The relief to the intestines resembles the action of Nature in her happiest moods, the impulse given to the dormant liver is of the most salutary kind, and is speedily manifested by the disappearance of all bilious symptoms. Sick headache, wind on the stomach, pain through the right side and shoulder-blade, and yellowness of the skin and eyeballs are speedily remedied by the Pellets. One a dose.

The Pope has a full set of pearly white teeth well preserved.

Consumption Surely Cured. To the EDITOR—Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to any of your readers who have consumption if they will send me their express and post office address. Respectfully, T. A. SLOGUM, M. C., 181 Pearl st., New York.

Rulon's Magnetic Liniment is a safe and speedy cure for Rheumatism, Neuralgia, Gout, Headache, Sprains, Bruises, Swellings, Diphtheria, Inflammation of the Kidneys and all painful affections. For sale by Munds Brothers.

**Merit Wins**

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Brinkley's Amnia Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. Robert R. Bellamy, wholesale and retail druggists.

**JANUARY JOKES.**

A flourishing man—The professor of penmanship.  
"Are those your paternal estates?"  
"No, they are my aunt's hills."  
Why not call a balloon a tramp? It has no visible means of support.  
First Cucumber—I'm in bad shape.  
Second Cucumber—You do look seedy.  
The eagle is dear to the American heart, but the double eagle is twice as dear.  
The monkey goes to the sunny side of a tree when he wants a warmer climb.  
First Aspen Leaf—What's the matter? Second Aspen Leaf—Oh, I'm all of a tremble.  
Old Lady (to clerk in general store)—Young man, I want some powder. Clerk—Yes, 'm, boy or girl?  
The sentence "Ten dollars or thirty days" is another proof of the truth of the adage that time is money.  
The Philosopher at the boarding-house—"Mrs. Brown, am I so very large to-day, or is it the slice of bread that is so small?"  
We know men who insist at every point upon beating their way through life, but we observe that they all draw the line at a carpet.  
Stanley has taught the Africans something about exploration, but he has not taught them how to spell. The names of some of the places he has visited would break a Russian jaw.  
Ringing Noises  
In the ears, sometimes a roaring buzzing sound are caused by catarrh, that exceedingly disagreeable and very common disease. Loss of smell or hearing also result from catarrh. Hood's Sarsaparilla, the great blood purifier, is a peculiarly successful remedy for this disease, which it cures by purifying the blood. If you suffer from catarrh, try Hood's Sarsaparilla, the peculiar medicine.

The wife of Governor Campbell, of Ohio, is a graduate of Vassar.

A CHILD KILLED.

Another child killed by the use of opiates given in the form of Soothing syrup. Why mothers give their children such deadly poison is surprising when they can relieve the child of its peculiar troubles by using Acker's Baby Soother. It contains no opium or morphine. Sold by Munds Bros., druggists.

Mr. Selah Chamberlain, of Cleveland, gave his beautiful niece \$10,000 as a wedding present.

GUARD AGAINST THE STRIKE.

And always have a bottle of Acker's English Balm in the house. You cannot tell how soon Croup may strike your little one, or a cold or cough may fasten itself upon you. One dose is a preventive and a few doses a positive cure. All Throat and Lung troubles yield to its treatment. A sample bottle is given you free and the Remedy guaranteed by Munds Bros., druggists.

Mr. John D. Rockefeller, who is said to be worth over \$125,000,000, is reported to be a very liberal giver.

Advice to Mothers.

MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural sleep by relieving the pain, and the little cherub awakes as "bright as button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Only 6 dead & wiv
